The consensus was to add a Grants Workshop goal, delete "and Warehouse," and add to the next agenda for approval.

6. Public Art Workshop Discussion

At our October meeting, the Council discussed helping local Alachua County artists be more competitive by conducting Grant Workshops for artists and arts organizations on "how to tell their story" and "how to develop their budget." It

was discussed to ask Procurement to set up a Mock Call to Artists in OpenGov and invite conference attendees to bring their laptop and apply during the Workshop.

7. 4th Annual Artists Conference Discussion

The Extension Auditorium has been reserved for Friday, April 25 from 9 a.m. - 3 p.m. It can be divided into three rooms, so concurrent sessions can be offered. The architect will provide the location and optimal size for a mural(s), which will be used for the DRAFT Call to Artists once received.

This project doesn't meet the threshold for public art, so it will be removed from our agenda moving forward.

9. South Arts Grant Discussion

The project would include the creation and installation of signage in brail and multiple languages so those interested can call the number and hear about the artwork, artist, and interesting facts.
