Jack Kulas made a motion to approve the quarterly Waldo report as presented; David Ruiz seconded; unanimous approval; motion carried.

**6. Review of Quarterly Infrastructure Municipal / County Expenditures for 4th Qtr. (Jul., Aug., Sep. 2025)**

**6.1 Alachua County**

The Board noticed a formula error and requested (1) more detail on why there was a “reallocation” of ~\$178,000 and (2) why were some “project charges for design” categorized as capital and others as operating? Staff will request clarification. Steve Howard made a motion to approve the quarterly Alachua County report as presented; Jack Kulas seconded; unanimous approval; motion carried.

**6.2 Alachua**

Steve Howard made a motion to approve the quarterly Alachua report as presented; David Ruiz seconded; unanimous approval; motion carried.

David Ruiz made a motion to approve the quarterly Newberry report as presented; Jill Cunningham seconded; unanimous approval; motion carried.

**6.5 Waldo**

Jack Kulas made a motion to approve the quarterly Waldo report as presented; Steve Howard seconded; unanimous approval; motion carried.

**7. Old Business**

**7.1 Interest Income - Hawthorne, High Springs, and Waldo**

Responses were received from the cities of Hawthorne and Waldo. The Board reiterated that jurisdictions should enter N/A if they do not utilize interest bearing accounts.

**7.2 Audit Attestations**

Follow up is necessary for several jurisdictions whose audit attestations are still missing.

**7.3 Archer Request for Extension Update**

The City and County are having a joint meeting on Feb. 9 and a Fiscal Update is on the agenda. Staff will update the Oversight Board at your next scheduled meeting.

**7.4 High Springs Updated 2023-2025 Reports**

Diane Wilson explained that she backed out ~\$400,000 in Canoe Outpost expenses and charged them to the City's loan for the attached 2023-2025 reports. 2017 Surtax funds are fully expended for eligible projects (Douglas Community Center improvements and parks master plan) and ~\$750,000 is available in 2023 Surtax funds. The Oversight Board will review the reports at their next scheduled meeting.

**7.5 Conservation Easement - State Land Acquisition Programs**

Andi Christman requested a pre-expenditure review at the Sep. 22, 2025 meeting to determine if surtax funding could be used in the acquisition of a conservation easement by the State of Florida, in which Alachua County retains perpetual easement rights, but is not named as an easement grantee. The Oversight Board requested Outside Counsel, Patrice Boyes, to provide an opinion, attached. Jack Kulas made a motion that restrictive covenants do not qualify for surtax expenditures of property; Jill Cunningham second; unanimous approval; motion carried.

**7.6 Alachua Request for Contract Language Recommendation**

Damon Messina reported that the City hopes to make necessary recreational improvements to Alachua Elementary. Per the attached memo from Outside Counsel, Patrice Boyes, an updated interlocal agreement between the School Board and City is necessary. The County provided their recent Lake Forest agreement as a sample.

**8. New Business**

**8.1 Financial Accountability Questionnaire**

The Oversight Board requested responses be consolidated into one document. Staff will handle and provide for the next scheduled meeting.

**9. Public Comment (3 Minutes)**

None.

**10. Date/Time/Location of Next Meeting**

The next meeting will be held on April 27 at 5:30 p.m. in the Grace Knight Meeting Room.

**11. Attendance Report**

**12. Adjournment**

The meeting was adjourned at 7:05 p.m.

**GRANT FUNDING AGREEMENT  
BETWEEN ALACHUA COUNTY AND THE CITY OF LACROSSE  
FOR AWARD AND DISTRIBUTION OF LOCAL  
GOVERNMENT INFRASTRUCTURE SURTAX,  
NO. 15002**

**THIS GRANT FUNDING AGREEMENT** (this "Agreement") is entered into this between Alachua County, a charter county and a political subdivision of the State of Florida, by and through its Board of County Commissioners (hereinafter referred to as the "County"), and the City of LaCrosse, a municipal corporation of the State of Florida, by and through its governing board, (hereinafter referred to as the "Municipality")(as used herein, the County and the Municipality shall be referred to collectively as the "Parties").

**WITNESSETH:**

**WHEREAS**, Subsection 212.055(2), Florida Statutes, provides the County the authority to levy, in addition to other taxes allowed by law, a local government infrastructure sales surtax pursuant to ordinance enacted by a majority of the members of the Board of County Commissioners and approved by a majority of the electors of the County; and

**WHEREAS**, the local government infrastructure surtax may be used to fund the various types of programs that are enumerated in subsection 212.055(2), Florida Statutes; and

**WHEREAS**, on March 22, 2022, the Board of County Commissioners of Alachua County, Florida ("**Board**") adopted Ordinance 2022-08 to levy a 1.0 percent local government infrastructure surtax (the "**Surtax Ordinance**"); and

**WHEREAS**, the Surtax Ordinance provides that the proceeds of the surtax must be divided in two equal parts, with 50% of the proceeds to be used only for "**Wild Spaces Public Places Uses**" and 50% of the proceeds to be used only for "**Other Infrastructure Uses**"; and

**WHEREAS**, the Surtax Ordinance provides that the **Wild Spaces Public Places Uses** allocation may be used only to acquire any interest in land for public recreation, conservation, or protection of natural resources, to improve conservation lands, or to create, improve, maintain and operate the parks and recreational programs and facilities established with the proceeds of the surtax within Alachua County (hereinafter, "**Wild Spaces Public Places Uses**" or "**WSPP Uses**"); and

**WHEREAS**, the Surtax Ordinance provides that the **Other Infrastructure Uses** allocation may only be used to for the following: land acquisition, land improvement, design, engineering costs, and all other professional and related cost to finance, plan, construct, reconstruct

or improve public facilities that have a life expectancy of five (5) years or more; land acquisition expenditures for a residential housing project in which at least 30 percent of the units are affordable to individuals or families whose total annual household income does not exceed 120 percent of the area median income adjusted for household size, if the land is owned by a local government or by a special district that enters into a written agreement with the local government to provide such housing; and up to 15 percent of the surtax may be allocated for funding economic development projects having a general public purpose of improving local economies, including the funding of operational costs and incentives related to economic development (collectively, “**Other Infrastructure Uses**”); and

**WHEREAS**, the surtax was approved by a majority of the electors voting in the referendum held on November 8, 2022, became effective on January 1, 2023, and is scheduled to expire on December 31, 2032; and

**WHEREAS**, the Surtax Ordinance created four Municipal Partnership Grant Programs from the County’s statutory formula share of the surtax proceeds, whereby the County will award matching grant funds for qualifying municipal grant projects on a cost reimbursement basis; and

**WHEREAS**, the four Municipal Partnership Grant Programs created by the Surtax Ordinance are: (1) \$3,000,000 for the City of Gainesville for WSPP Uses (the “**Gainesville WSPP Grant Program**”); (2) \$3,000,000 to be allocated among all nine Alachua County municipalities for WSPP Uses (the “**Municipalities WSPP Grant Program**”); (3) \$3,000,000 for the City of Gainesville for Other Infrastructure Uses (the “**Gainesville Other Infrastructure Grant Program**”); and (4) \$3,000,000 to be allocated among all nine Alachua County municipalities for Other Infrastructure Uses (the “**Municipalities Other Infrastructure Grant Program**”); and

**WHEREAS**, on May 23, 2023, the Board determined that the \$3,000,000 grant funding to be allocated to among all nine Alachua County municipalities under the **Municipalities WSPP Grant Program** and the \$3,000,000 grant funding to be allocated among all nine Alachua County municipalities under the **Municipalities Other Infrastructure Grant Program**, be divided equally among the nine municipalities, so that each municipality will receive up to \$333,333.33 under each of the two grant programs; and

**WHEREAS**, on \_\_\_\_\_, the Municipality submitted an application to the County for funding under the Joint Infrastructure Surtax, a copy of the application is attached hereto as **Exhibit 1** (the “Project”); and

**WHEREAS**, the Municipality represents and warrants to the County that any and all grant funding provided to it by the County under this Agreement shall be used in strict accordance with the Surtax Ordinance and §212.055(2), Florida Statutes; and

**WHEREAS**, the Board finds, based on the Municipality’s application, representations and warranties, that the intended use qualifies for grant funding under the Surtax Ordinance; and

**WHEREAS**, the Parties desire to enter into this Agreement to award and implement the grant.

**NOW, THEREFORE**, pursuant to the Surtax Ordinance and consideration of the mutual covenants contained herein, the Parties hereto agree as follows:

1. Recitals. The Parties agree that all of the recitals set forth above are true, correct, and are hereby incorporated into and made part of this Agreement.

2. Term. This Agreement shall take effect on the day and year that it has been executed by the last party and shall continue until the Municipality has completed the Project and the County has reimbursed the Municipality for the County’s portion of the Project cost, as required herein.

3. Funding. The County award to the Municipality grant funding in an amount that shall not exceed \$75,000.00.00 (the “Grant Funding”) to fund a portion of the acquisition of a 2014 750 Gallon Rosenbauer Commander Pumper Truck (the “Equipment”) as more particularly described in **Exhibit 1**. Upon acquisition of the Equipment, the Municipality shall submit a written invoice to the County in an amount that shall not exceed 50% of the allowable costs incurred and paid by the Municipality for the Equipment, along with documentation sufficient to demonstrate the total cost of the equipment and a written statement from the Municipality’s [REDACTED]. The County shall reimburse up to fifty percent (50%) of the amount expended by the Municipality within 60 days of the County’s receipt of an invoice that includes all receipts, statements, or other records as the County or the Clerk of Court may reasonably require to substantiate the cost of the Equipment and the amount requested by the Municipality. Notwithstanding anything in this Agreement to the contrary, the Parties acknowledge and agree that maximum amount payable by the County to the Municipality for the Equipment is \$75,000.00.

4. Use of the Equipment for the benefit County Residents. Upon acquisition of the Equipment: (a) the shall remain in service for a period of not less than five years; and (b) the Municipality shall erect and maintain on-site signage, as provided by the County, recognizing the contributions of the Alachua County Citizens toward the acquisition of the Equipment.

5. Notices. All notices from either party to the other party must be in writing and sent by certified mail, return receipt requested, or by personal delivery with receipt. For purposes of all notices, the representatives of the County and Municipality are:

County:                      County Manager

12 S.E. 1st Street  
Gainesville, FL 32601

**Municipality:**

6. Default and Termination. The failure of either party to comply with any provision of this Agreement will place that party in default. The party claiming default will notify other party in writing. This notification will make specific reference to the provision which gave rise to the default. The defaulting party will have seven (7) days to cure the default or to submit a plan to cure acceptable to the other party. The County Manager is authorized to provide written notice of default on behalf of the County, and if the default situation is not corrected within the allotted time, the County Manager shall refer the matter to the Board for authorization to terminate this Agreement and, if grant funding has been received by the Municipality, seek reimbursement of grant funding from the Municipality. The City Mayor is authorized to provide written notice of default on behalf of the Municipality, and if the default situation is not corrected within the allotted time, the City Mayor shall refer the matter to the City Commissioner.

7. Repayment. The Municipality agrees to return to the County, within sixty (60) calendar days of written demand from the County, all Grant Funding, or any portion thereof, paid to the Municipality under the terms of this Agreement upon the County finding that the Municipality has violated any term of this Agreement, the Surtax Ordinance, or §212.055(2), Florida Statutes. This provision shall survive the expiration or termination of this Agreement.

8. Laws & Regulations. The Municipality shall comply with all federal, state, and local laws, ordinances, regulations, rules and code requirements applicable to the Project and the grant funding awarded pursuant to this Agreement.

9. Sovereign Immunity. Each Parties fully retains all sovereign immunity protections afforded to it as a municipal corporation of the State of Florida, and a charter county and a political subdivision of the State of Florida, respectively. Without in any way waiving, limiting or restricting any defenses of sovereign immunity, each party shall be solely responsible for its own negligent acts or omissions, as well as those of its own employees. This Agreement is not intended, and shall not be interpreted to constitute, a waiver of sovereign immunity, an authorization of claims by third parties, a waiver of the limits of liability as established by §768.28, Florida Statutes, or to waive any other provision of §768.28, Florida Statutes. Nothing in this Agreement is intended to inure to the benefit of any third party for the purposes of allowing any claim that would otherwise be barred under the doctrine of sovereign immunity or by operation of law.

10. Auditing Rights and Information. County reserves the right to require the

Municipality to submit to an audit, by any auditor of the County's choosing. The Municipality shall provide access to all of its records, which relate directly or indirectly to the Project or this Agreement, at its city hall during regular business hours. The Municipality shall retain all records pertaining to the Project or this Agreement and upon request make them available to County for inspection, copying and auditing for a period of five (5) complete calendar years following expiration or termination of this Agreement. The Municipality agrees to provide such assistance as may be necessary to facilitate the review or audit by the County to ensure compliance with applicable accounting and financial standards. If an audit inspection or examination pursuant to this section discloses overpricing, overcharges, or disallowed cost of any nature by the Municipality to the County (the "Overcharged Amount"), the Municipality agrees to pay the Overcharged Amount to the County within 60 calendar days of demand from the County. The access, inspection, copying and auditing rights shall survive the expiration or termination of this Agreement.

11. Exhibits. All exhibits and attachments attached to this Agreement are incorporated into and made part of this Agreement by reference.

12. Amendment and Assignment. The Parties may only modify or amend this Agreement by a mutual written agreement that is executed by both Parties. Neither party will assign or transfer any interest in this Agreement without prior written consent of the other party.

13. Third Party Beneficiaries. This Agreement does not create any relationship with, or any rights in favor of, any third party.

14. Governing Law and Venue. This Agreement shall be governed and construed in accordance with the laws of the State of Florida. Sole and exclusive venue for all actions arising from or related to this Agreement shall be in Alachua County, Florida.

15. Construction. This Agreement shall not be construed more strictly against one party than against the other merely by virtue of the fact that it may have been prepared by one of the Parties. It is recognized that both Parties have substantially contributed to the preparation of this Agreement.

16. Counterparts. This Agreement may be executed in any number of and by the different Parties hereto on separate counterparts, each of which when so executed shall be deemed to be an original, and such counterparts shall together constitute but one and the same instrument. Receipt via email with pdf attachment by a party or its designated legal counsel of an executed counterpart of this Amendment shall constitute valid and sufficient delivery in order to complete execution and delivery of this Amendment and bind the Parties to the terms hereof.

17. Electronic Signatures. The Parties agree that an electronic version of this Agreement shall have the same legal effect and enforceability as a paper version. The Parties further agree that this Agreement, regardless of whether in electronic or paper form, may be executed by use of electronic signatures. Electronic signatures shall have the same legal effect and enforceability as manually written signatures. Delivery of this Agreement or any other document contemplated hereby bearing a manually written or electronic signature, by electronic mail in “portable document format” (“.pdf”) form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing an original or electronic signature.

18. Entire Agreement. This Agreement constitutes the entire agreement between the Parties regarding the Project and the Grant Funding, and supersedes all prior written or oral agreements, understandings, or representations of the Parties regarding same.

**IN WITNESS WHEREOF**, the Parties hereto have caused this Agreement to be approved and executed by their duly authorized officials.

Re: Fire truck eligibility

Dear Gina,

At the Board's request, I have researched the eligibility of using infrastructure surtax revenue for purchase of a 2014 fire truck by the Town of LaCrosse to replace a defunct fire truck and offer the following analysis.

**Issue:** The broad legal issue is whether this use of the Surtax proceeds represents an impermissible diversion of tax revenues from the purposes for which they were collected to another use.<sup>1</sup> The second issue is whether this fire truck purchase would have "countywide significance."

**Short Answer: (1)** A fire truck is expressly defined as "infrastructure" and therefore permitted in the surtax enabling statute, Section 212.055(2), Florida Statutes. In addition, there is a sufficient nexus between the County Commission's list of the project types to be funded and a fire truck to deem this proposed use eligible. And finally, a fire truck is a "basic requirement" for a fire station. AGO 99-70<sup>2</sup>. **(2)** The Town of LaCrosse is under contract with Alachua County to provide fire services to District 22, a territory much larger than just the Town. In addition, fire suppression has countywide significance by

containing the spread of fire as conflagration knows no geopolitical boundaries, as Western states have observed.

**Discussion:** The starting point for analyzing authorized uses is the enabling statute, Section 212.055(2), Florida Statutes, to determine the permissible uses for local infrastructure surtax proceeds and to rule out expressly impermissible uses. Section 212.055(2)(d)1.b. defines the term “infrastructure” to mean

“A **fire department vehicle**...or any other vehicle, and the equipment necessary to outfit the vehicle for its official use or equipment that has a life expectancy of at least 5 years.”

§ 212.055(2)(d)1.b., Florida Statutes  
(emphasis added)

At first blush, a fire truck would be eligible under the statute if, as the Town of LaCrosse represents, the 2014 model has a life expectancy of at least 5 years. However, examination of the implementing local Ordinance is necessary to determine the scope of uses approved by the County Commission for infrastructure surtax proceeds.

The County Commission adopted Ordinance 2022-08 (the “Ordinance”) on March 22, 2022, directing a referendum at the November 8, 2022, election to repeal the Wild Spaces/Public Places (“WSPP”) Surtax and replace it with the new 1.0-cent Infrastructure Surtax. The voters approved the referendum.

The ballot title and ballot summary approved by the County Commission included the language “...**construct and renovate fire stations and other public facilities**;...”. Ordinance, § 8 (b). This ballot language was approved to comply with the requirement in Section 212.055(2)(b), Florida Statutes, to place on the ballot “[a] statement which includes a brief general description of the projects to be funded by the surtax...”. Accordingly, the ballot language generally identifies fire stations as a target public facility for which the County Commission intended to use surtax proceeds.

# H'

Notably, the “statute requires only a general description of the projects to be funded, thus giving local governments some leeway in describing the type of projects to be funded rather than requiring a description of the project itself.” Fla. AGO 2000-06 (2000)(emphasis added).

There is no language in the Ordinance expressly disqualifying surtax expenditures on basic requirements to have a functioning fire station, i.e. a fire truck. There is support for this essential nexus approach in the interpretations by the Florida Attorney General of similar questions. In one case, providing adequate drainage canals or a retention pond was found to be a valid transportation-related expenditure for use of gas tax proceeds because it was a “basic requirement” of an efficient road drainage system and therefore had an “appropriate nexus.” Fla. AGO 99-70 (1999). In contrast, stand-alone sidewalks or bike paths unrelated to road construction were found to not be appropriate for gas tax funding. Id.

In its legislative findings, enumerated in the preamble to the Ordinance, the County Commission concluded the surtax proceeds could be used for uses beyond Wild Spaces Public Places, “...including but not limited to the following: ...and all other processional and related cost to finance, plan, construct and reconstruct or improve public facilities that have a life expectancy of 5 years or more;...”. Ordinance, at 2.

The Town of LaCrosse has applied for a matching grant under Section 5 of the Ordinance, which sets forth Alachua County’s Non-Recurring Municipal Partnership Program. Each of the nine municipalities in Alachua County may apply for and receive matching grants for qualifying uses of Surtax proceeds. The requested LaCrosse grant would fund purchase of a 2014 fire truck under § 5.b.ii “Other Infrastructure Uses” of the Ordinance. Section 5.b.ii refers to Section 4.b of the Ordinance for the authorized uses. Section 4 of the Ordinance [Uses of Surtax Proceeds] states in pertinent part:

The proceeds of the Surtax levied by this Ordinance shall be used by Alachua County and the municipalities located within Alachua County only as follows:

...

b. Other Infrastructure Uses. Fifty Percent (50%0 of the Surtax proceeds shall be used for the following:

...

ii. To construct and renovate fire stations and other Public Facilities;

For purposes of applying the Ordinance, it is undisputed that a fire station is a type of public facility that is used for a particular purpose, i.e. firefighting. The plain meaning of “facility” incorporates the equipment used for the particular purpose of the facility.<sup>3</sup> Accordingly, Surtax proceeds may be used to purchase this eligible and basic piece of equipment for the fire station. In short, it is a “basic requirement” of a fire station to have a fire truck.

Further support for this position may be found in several Florida Attorney General Opinions and Florida case law, to wit:

A sales Surtax may be used to “**replace**, perform major repair of, or renovate long-term fixed assets in a public facility, such as machinery and **equipment** in order to materially extend the property’s useful life or improve its functional use. This includes the acquisition of equipment necessary to implement the improvements.” Fla. AGO 2016-02 (March 10, 2016)(emphasis added). The Attorney General opined that a fixed asset must have a life expectancy of five years or more to satisfy the requirements of section 212.055(2), Florida Statutes. Id.

Replacing obsolete emergency generators and uninterruptable power source units and the electrical system upgrades needed to ensure proper functioning of the equipment were found to constitute “infrastructure” under Section 212.055(2), Florida Statutes, which may be acquired with infrastructure surtax funds. Fla. AGO 2016-02 (Mar. 10, 2016).

---

<sup>3</sup> *Cambridge Dictionary* defines “facilities” as “the buildings, equipment, and services provided for a particular purpose.” *Oxford Languages* defines “facility” as “a place, amenity, or a piece of equipment provided for a particular purpose.”

# HV

The Florida Supreme validated a bond issue for which infrastructure surtax revenue was to be the sole source of repayment where a road project included an inseparable \$2.1 million fountain, reasoning the overall roadway improvement project promotes public health and safety. Boschen v. City of Clearwater, 777 So.2d 958 (Fla. 2001).

While the Town’s proposed fire equipment will not *per se* extend the physical life of the Town’s fire station building, it may be expected to materially preserve and extend the station’s functional use. In other words, without it, the particular purpose of the public facility (i.e. firefighting) will cease, the public investment in the facility will be lost and a crucial public service required of the Town<sup>4 5</sup> for public safety and welfare will end.

## **“Countywide Significance” Test**

The second issue in this analysis is whether the purchase of a fire truck by the Town of LaCrosse using Surtax proceeds would “have countywide significance,” as required under the Partnership Program for Other Infrastructure Uses. Ordinance, § 5(b)ii. The County Commission determines whether the countywide significance test is met in its sole discretion. Id.

The Town of LaCrosse is a party to the *Interlocal Agreement for Fire Suppression & First Response EMS/Rescue Services Between Alachua County and the Town of LaCrosse*, dated September 23, 2024 (A copy of the interlocal agreement is attached as **Ex. A**). The agreement means LaCrosse is a Service Provider within the Alachua County Fire Services Network, defined as a

<sup>4</sup> “It is axiomatic that the Government must provide all citizens of the County such general public services as police, courts, libraries and **fire protection...**”. Collier County v. State, 733 So.2d 1012 (Fla. 1999)(quoting the lower court’s analysis with which the Supreme Court agreed).

<sup>5</sup> In construing “municipal purpose” in the context of a city incurring contract indebtedness without a referendum, the Florida Supreme Court held that acquiring a **fire boat** and **mobile fire station** to protect the property of its inhabitants, waterfront docks, electrical generating plants and other like facilities constitute a municipal purpose, “a sorely needed facility to be used in the discharge of a necessary, basic and essential governmental requirement imposed on the city, that it protect the life, safety and property of its inhabitants.” City of Jacksonville v. Savannah Mach. & Foundry Co., 47 So.2d 634 (Fla. 1950).

H'

“countywide cooperative system established by the Board of County Commissioners to ensure the safe and effective delivery of fire rescue services through the core fundamentals of incident command, common terminology, equipment, training, dispatch protocols, radio system and response assignments.” **Ex. A**, at 1, 2. The Town “shall provide the initial response and support to all fire suppression and EMS/rescue incidents throughout Alachua County” as dispatched “irrespective of political boundaries.”

The Town’s responsibility under the interlocal agreement, according to the Town’s *Joint Infrastructure Surtax Projects Application (Ex. B)*, is “to provide fire services to 84 square miles of Alachua County Fire District 22 ...”. Available online information indicates the Town of LaCrosse encompasses less than 5 square miles, meaning its fire service are significant to the County’s coordinated Fire Services Network beyond just the Town’s limits.

**INTERLOCAL AGREEMENT FOR FIRE SUPPRESSION &  
FIRST RESPONSE EMS/RESCUE SERVICES  
BETWEEN ALACHUA COUNTY AND THE TOWN OF LACROSSE**

This Uniform Fire Service Interlocal Agreement for Fire Suppression & First Response EMS/Rescue Services (hereinafter "Agreement") by and between Alachua County, a charter county and political subdivision of the State of Florida (hereinafter "County") and the Town of LaCrosse, a municipal corporation organized under the laws of the State of Florida (hereinafter "City"), is made, entered into, and effective the 1st day of October 2024.

**WHEREAS**, Chapter 163, Florida Statutes, authorizes public agencies, including counties and cities, to enter agreements to provide services and to exercise jointly the power, privilege, or authority they share in common and which each might exercise separately; and,

**WHEREAS**, both City and the County deem it appropriate and in furtherance of the public health, safety, and welfare to enter an Interlocal Agreement to provide for fire suppression and first response EMS/rescue services; and,

**WHEREAS**, the City is located within Alachua County and is authorized to provide fire suppression and first response rescue services; and

**WHEREAS**, the County is authorized to provide or contract for fire suppression and first response rescue services; and,

**WHEREAS**, the City is willing and able to provide fire suppression and first response rescue services to the County; and

**WHEREAS**, the County is willing and able to provide fire suppression and first response rescue services within the municipal boundaries of the City.

**NOW, THEREFORE**, in consideration of the mutual covenants declared herein and other good and valuable consideration each Party agrees as follows:

**Section 1. Intent and Term of Agreement.**

- A. The City Fire Department shall be a part of the countywide cooperative system established by the Board of County Commissioners, known as the "Fire Services Network." The County and the City will reciprocate fire and first response EMS/rescue services as dispatched by the Combined Communication Center (CCC).
- B. The term of this Agreement shall commence on October 1, 2024, and shall remain in effect until terminated by agreement of the Parties or as otherwise provided herein. This Agreement supersedes and replaces all prior agreements between the parties.

**Section 2. Definitions.** For the purposes of this Agreement, the terms listed below shall have the following meanings:

- A. Alachua County Fire Rescue (ACFR) shall mean the County department charged with the responsibility for providing and/or coordinating Emergency Management, radio communications, Emergency Medical, Rescue Services, and Fire Protection services.
- B. CCC shall mean the Alachua County Combined Communications Center.
- C. First Response Rescue Services shall mean the initial fire based non-transport response to requests for medical assistance for accident victims and health related incidents.
- D. Standard Communications Protocol shall mean a step-by-step approach to radio communications which uses "plain language" and is based on uniform standards developed and/or adopted by the County.
- E. Incident shall mean a call for fire suppression or first response services to a given location, regardless of the number of apparatuses responding.
- F. Battalion Chief shall mean the person who is employed by ACFR and who is designated to assume and assign command and control of emergency incidents.
- G. Fire Services Network shall mean a county-wide cooperative system established by the Board of County Commissioners to ensure the safe and effective delivery of fire rescue services through the core fundamentals of incident command, common terminology, equipment, training, dispatch protocols, radio system, and response assignments.
- H. Insurance Services Office (ISO) shall mean the agency that evaluates and rates the level of fire protection provided by a given agency. This classification score is used by subscriber insurance companies to determine homeowner and business owner insurance rates.

**Section 3. Fire Suppression and First Response EMS/Rescue Services.**

- A. Service Provider and Service Area. The City shall provide the initial response and support to all fire suppression and EMS/rescue incidents throughout Alachua County as dispatched by the Combined Communication Center (CCC) irrespective of political boundaries. The County shall provide initial response and support to all fire suppression and EMS/rescue incidents within the municipal boundaries of the City as dispatched by the Combined Communication Center (CCC).

- B. Incident Command. Command and control of every incident shall comply with the National Incident Management System. Each party may retain, assign, or assume command of a fire incident occurring within its political jurisdiction.
- C. Level of Service (LOS) Standards. City's Fire Department shall meet the following LOS Standards:
1. Unit response shall occur within one (1) minute of dispatch (completion of the initial page).
  2. All personnel must meet the Florida Fire Standards and Training Requirements as set forth in Chapter 633, Part *II*, Florida Statutes. In addition, paid personnel shall be certified emergency medical technicians or paramedics.
  3. The City shall routinely search the Office of Inspector General's List of Excluded Individuals/Entities webpage to ensure all new hires and employees are not contained on this list. Employees found to be on this list shall not provide services within Alachua County. The city shall provide written documentation verifying all paid and volunteer staff are covered by workers compensation.
  4. The responding Engine, Brush, or Squad unit(s) shall be staffed with two (2) personnel; Tanker may be staffed with one (1) person.
  5. When responding from Station, the initial first response unit must arrive on scene within twelve (12) minutes 80% of the time from dispatch.
  6. Apparatus assignment to incidents shall be in accordance with CCC dispatch protocols.
  7. The County acknowledges the difficulty to which the City has had in achieving an ISO Class 9 rating. The County accepts the terms of the agreement as long as the City continues to work towards achieving an improved ISO rating.

For the purpose of this subsection, the City shall provide ACFR copies of any correspondence received from ISO which indicates a minimum rating greater than 9 within 30 days of receipt.

8. The City's Fire Department shall be responsible for first response fire and EMS within the department's City limits, to include all responsibility for reporting to the Florida Incident Fire Reporting System (FIFRS). It is recognized that all responses by ACFR to the City shall be for the purpose of providing aid to the City's Fire Department and ACFR's response shall be recognized as automatic aid for the purpose of reporting.

#### **Section 4. Dispatch Protocols.**

The City may make protocol recommendations. Dispatch protocols shall be developed by ACFR. Final authority to approve and implement dispatch protocols lies solely with the ACFR Fire Chief.

#### **Section 5. Equipment, Training and Staff.**

- A. The City shall provide the necessary equipment and staff to perform its duties under this Agreement.
- B. To ensure compatibility and interoperability with the Fire Services Network the City Fire Department's equipment and operating procedures shall not be inconsistent with or in conflict with that used or adopted by the County.
- C. The County shall provide a complement of Basic Life Support (BLS) disposable medical supplies utilized by the City's primary fire apparatus responding under this Agreement, provided that the supplies are those currently used by ACFR. The County shall resupply consumable supplies as the supplies are used during emergency incidents.
- D. The County shall provide support for necessary training to meet ISO multi-company and automatic aid company training. The list of dates and times for in-person training will be provided on an ongoing basis for scheduling purposes.
- E. The County shall make available all electronic training and the database to all active members of the department. It is agreed that any costs associated with membership and access fees shall be the responsibility of the department, not ACFR.
- F. The City shall provide to ACFR a list of all active paid and volunteer members who provide fire suppression & first response EMS/rescue services on a quarterly basis, including documentation of qualifications meeting Section 3(C)(2) of this Agreement.
- G. The City shall provide a daily roster to the Combined Communications Center (CCC) of all on-duty members who will be responding to calls at shift change each morning.

#### **Section 6. Other Agreements.**

This Agreement shall have priority over any other agreement as related to the provision of fire suppression and first response EMS/rescue services in Alachua County except when City units have already responded to a request for mutual aid with another agency that the City has an agreement with.

#### **Section 7. Dispatch Services.**

The County will provide central receipt of emergency calls, dispatching of units per the dispatch protocol as established through the CCC, and voice radio communications.

### **Section 8. Communications Equipment.**

The County will provide the following communications equipment:

- A. Mobile and portable radios. Mobile and portable radios will be provided to the City Fire Department for exclusive use when responding to incidents dispatched by Alachua County. The actual number of radios provided shall be determined by the ACFR Fire Chief in consultation with the City's representative. The number of radios provided by the County will not exceed ten (10).
1. The County will provide access for County-owned radios to the Trunked Radio System (TRS).
  2. The County shall be responsible for maintenance, installation/removal, and replacement of County-owned radios. All mobile radios are to be installed in primary emergency response apparatus by authorized technicians.
  3. Additional mobile and portable radios may be purchased by the City but must meet the specifications and have full operability with the CRS.
  4. The City shall be responsible for any additional monthly TRS access fees for additional City owned TRS-capable portable and/or mobile radios.
  5. The City shall be responsible for maintenance, installation/removal, and replacement of City-owned radios. All mobile radios are to be installed in primary emergency response apparatus by authorized technicians.

### **Section 9. Payment.**

- A. The County shall pay the City for services provided to the County identified in this agreement in accordance with the following:
1. The total number of incidents for service provided by the City to unincorporated Alachua County, and municipalities where ACFR is designated as the first response fire suppression and EMS provider.
  2. Payments shall be based on the previous calendar years responses, January 1 - December 31<sup>st</sup>. For example, FY 25 payment shall be based upon responses that occurred from January 1, 2024, through December 31<sup>st</sup>, 2024.
  3. Each incident for service (Tier 1) shall be compensated at a rate of \$734.59 per incident.
  4. The City Fire Chief and ACFR Fire Chief, or their designee, shall confer annually

between January 1 and March 1, to confirm the compensable number of incidents from the previous calendar year, allowing both entities to properly budget for the following fiscal year.

- B. Payments to the City shall be made in twelve (12) equal payments made on a monthly basis in accordance with the provisions for § 218, Part VII Florida Statutes ("Local Government Prompt Payment Act"). Payment must be received no later than the 30<sup>th</sup> of the month that the payment is due.
- C. In the event this agreement is terminated pursuant to Section 12, a prorated share of funds shall be payable until the date of termination.
- D. The County shall fund the items listed below for the City's participation in the Fire Services Network:
  - 1. Administrative oversight and management of the Fire Services Network.
  - 2. Replenishment of Disposable Medical supplies.
  - 3. Access to and use of the Countywide Radio System.
  - 4. Mobile and portable radios.
  - 5. Dispatch and radio communication services.
- E. The City shall reciprocate payment per incident, at the same rate that the County pays per Section 9.A.3 and 4, to the County when County fire apparatus (excluding rescue and command) are dispatched within the municipal boundaries of the City. Compensable incidents shall be netted against the total incidents provided by the City from 9.A.1 on an annual basis.
- F. Notwithstanding any provision to the contrary, after September 30, 2024, the City may notify the County of its desire to renegotiate the amount specified in subsection (A) by providing written notice to ACFR to be received by December 31<sup>st</sup> of the year immediately preceding the fiscal year in which the change in contract amount is sought.

**Section 10. Entire Agreement** This Agreement constitutes the entire agreement and supersedes all prior written or oral agreements, understandings, or representations.

**Section 11. Effective Date, Duration, Termination.** This Agreement shall be effective on October 1, 2024, and shall remain in effect from year-to-year until midnight September 30, 2026, and unless otherwise terminated as follows:

- A. Breach: If either party fails to fulfill its obligations under this Agreement, or if either party breaches any of the provisions, covenants, or stipulations under this Agreement, the other party shall give a written notice to the party in default stating the failure or breach and

provide a reasonable time period for correction of same. In the event the correction is not made in the allotted time, the other party shall send a written notice of termination, effective not earlier than 120 days from the date of notice. Within 30 days of the notice of termination, the Administrating Officials of each party shall meet in an effort to resolve the dispute.

- B. Termination Due to Funds Availability. The performance of any and all provisions of this Agreement by the City and County are expressly conditioned upon the availability of funds lawfully appropriated and budgeted to carry out the purpose of this Agreement. In the event either party anticipates an unavailability of funds, then that Party may terminate this Agreement, effective at midnight on the next September 30th, by providing written notice no later than May 31<sup>st</sup> of that year. Each Party is the sole and final authority as to the availability of funds for such party. Each party is obligated to pay all funds due prior to the date of termination.
- C. Either party may terminate this Agreement for convenience by providing written notice of termination to the other party. Written notice of termination for convenience shall be submitted by October 1<sup>st</sup> and the effective date of which shall be the following September 30<sup>th</sup>.

#### **Section 12. Insurance.**

- A. The County represents that it is self-funded for liability insurance in accordance with Section 768.28, Florida Statutes. The County agrees to maintain insurance coverage, either through self-insurance or commercial policy, on their property utilized as part of this Agreement to include premises liability in the amount to ensure full replacement, Automobile Physical Damage and Public Liability incidents arising from Automobile Liability (both Bodily Injury and Property Damage), Commercial General Liability, and Workers' Compensation.
- B. The City agrees to maintain insurance coverage, either through self-insurance or commercial policy, on their property utilized as part of this Agreement, to include premises liability in the amount to ensure full replacement, Automobile Physical Damage and Public Liability incidents arising from Automobile Liability (both Bodily Injury and Property Damage), Commercial General Liability, and Workers' Compensation.
- C. Each party agrees to provide the other with copies of the certificates of insurance for all coverages in effect throughout the term of this Agreement and will provide the other with thirty (30) days notice of any cancellation or amendment to the insurance coverages.

#### **Section 13. Indemnity**

- A. The City hereby assumes responsibility for, and hereby agrees to indemnify and hold the County harmless from any and all liability, claims, or damages imposed on the County up to the monetary limits provided in Section 768.28, Florida Statutes, arising out of or in

connection with the negligent acts, omissions, or misconduct of the City and its agents or employees relating to the responsibilities of the City under this agreement

- B. The County hereby assumes responsibility for, and hereby agrees to indemnify and hold the City harmless from any and all liability, claims, or damages imposed on the City up to the monetary limits provided in Section 768.26, Florida Statutes, arising out of or in connection with the negligent acts, omissions, or misconduct of the County and its agents or employees relating to the responsibilities of the County and the services to be provided by the County under this agreement.
- C. Nothing contained herein shall constitute a waiver by either Party of sovereign immunity or the provisions or limitation of liability of §768.28, Florida Statutes, as may be amended.

**Section 14. Liability.**

Each party shall be solely responsible for the negligent acts or omissions of its employees, volunteers, and agents which in any way relate to or arise out of this Agreement. Nothing contained herein shall be construed as consent to be sued by third parties in any matter arising out of this Agreement or constitute a waiver by either party of its sovereign immunity or provisions of 768.28, Florida Statutes. This agreement does not create any relationship with, or any rights in favor of, any third party.

**Section 15. Service Disputes.**

The County and City shall each appoint one representative whose responsibility shall be to review and resolve any and all service disputes. The Representatives must be from an operational Chief level classification. Repeat, habitual, and unresolved disputes will be forwarded to the attention of the ACFR Chief and City Manager.
