KELLY KLEAN, LLC
FOR ANNUAL LAWN MAINTENANCE FOR COUNTY PARKS
NO. 13866**

This Agreement ("Agreement") is made by and between Alachua County, Florida, a political subdivision and charter county of the State of Florida, by and through its Board of County Commissioners (the "County") and Kelly Klean, LLC, a Florida limited liability company ("Contractor"), who are collectively referred to as the "Parties".

WITNESSETH:

WHEREAS, the County publicly issued an Invitation to Bid (ITB) 23-175 seeking qualified firms or individuals to provide annual lawn maintenance for certain Alachua County Parks; and

WHEREAS, after evaluating and considering all timely responses to the solicitation, the County identified Contractor as one of the top ranked entities in the solicitation process; and

WHEREAS, the Contractor is willing to provide the work and services to the County; and

WHEREAS, the County desires to engage a Contractor to provide the work and services described herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt of which is acknowledged, the County and Contractor agree as follows:

1. **Recitals**. The foregoing recitals are incorporated herein.
2. **Scope**. In accordance with the terms and conditions of this Agreement, Contractor agrees to provide and perform annual lawn maintenance for the Alachua County Parks, as more particularly described in the Scope of Services attached hereto as **Exhibit "I"** and incorporated herein ("Services") for and as needed by the County. It is understood that the Services may be modified, but to be effective and binding, any such modification must be in writing executed by both the Parties.
3. **Term**. This Agreement is effective upon execution by both Parties ("effective date") and continues until September 30, 2024, unless earlier terminated as provided herein. This Agreement may be amended at the option of the County for two additional 2-year term(s), at the same terms and conditions. The Contractor may choose not to renew this Agreement with the County, provided the Contractor provides the County with written notice ninety days prior to October 1st for each term renewal.
4. **Qualifications**. By executing this Agreement, Contractor makes the following representations to County:
 - A. Contractor is qualified to provide the Services and will maintain all certifications, permits and licenses necessary to provide the Services during the term of this Agreement.
 - B. Contractor will assure that all personnel who perform the Services, or perform any part of the Services, are competent, reliable, and experienced to perform their assigned task properly and satisfactory. Contractor will perform the Services with the skill and care which would be exercised by a qualified contractor performing similar services at the time and place such services are performed. If failure to meet these standards results in a deficiency in the Services or the related tasks or designs, Contractor will, at his/her/its own cost and expense, re-do the Services to correct the deficiency, and shall be responsible for any and all consequential damages arising from the deficiency.
 - C. Contractor is familiar with the Services and the conditions of the site, location, project, and specifics of the Services to be provided, designed or constructed.
 - D. Contractor will coordinate, cooperate, and work with any other contractors, professionals, and consultants retained by the County. The Parties acknowledge that there is nothing in this

Agreement that precludes County from retaining services of other contractors, professionals, and consultants for similar or same Services or from independently performing the Services provided under this Agreement on its own.

5. **Payment.**

- A. The County will pay the Contractor for timely and completed Services for the certain Parks provided for Contractor in the Scope of Services attached in an amount not to exceed \$185,000.00 annually, as described in this Agreement and in accordance with the Rate Schedule attached as **Exhibit "2"** and incorporated herein.
- B. As a condition precedent for any payment, Contractor must submit monthly invoices to the County requesting payment for Services properly rendered and expenses due, unless otherwise agreed in writing by the County. Contractor's invoice must describe the Services rendered, the date performed [*and time expended, if billed by hour*], and the person(s) rendering such Services. Contractor's invoice shall be accompanied by documentation or data in support of expenses, as the County may require. The invoice shall additionally reflect the allocations as provided and shall state the percentage of completion as to each such allocation. Each invoice shall constitute the Contractor's representation to the County that the Services indicated have reached the level stated, have served a public purpose, have been properly and timely performed, that the expenses included in the invoice have been reasonably incurred in accordance with this Agreement, that all obligations of Contractor covered by prior invoices have been paid in full, and that the amount requested is currently due and owing. Submission of the Contractor's invoice for final payment shall further constitute the Contractor's representation to the County that, upon receipt by the Contractor of the amount invoiced, all obligations of the Contractor to others, including its subcontractors, will be paid in full. Contractor shall submit invoices to the County at the following address, unless otherwise directed by the County:

Alachua County Parks and Open Space Director
210 SE 134 Ave.
Micanopy, FL 32667

- C. County will make payment to Contractor of all sums properly invoiced under the provisions of this section in accordance with the provisions of the Florida Prompt Payment Act, Chapter 218, Part VII, Florida Statutes.
 - D. If the County has reasonable cause to suspect that any representations of Contractor relating to payment are inaccurate, the County may withhold payment of sums then or in the future otherwise due to Contractor until the inaccuracy, and the cause thereof, is corrected to the County Manager's or his/her designee's reasonable satisfaction.
 - E. The County's performance and obligation to pay under this Agreement is contingent upon a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Continuation of this Agreement beyond the term or the end of any County fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes; and that the failure of the Board to do so shall not constitute a breach or default of this Agreement.
 - F. In the event any part of this Agreement or the Services, is to be funded by Federal, State, or other local agency monies, Contractor hereby agrees to cooperate with the County in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to the Service and as specifically required by the Federal or State granting agency, and receiving no payment until all required forms are completed and submitted.
7. **Insurance.** Contractor will procure and maintain insurance throughout the entire term of this

Agreement, including any renewals, of the types and in the minimum amounts detailed in **Exhibit “3”** attached hereto and incorporated herein. A copy of a current Certificate of Insurance (COI) showing coverage of the type and in the amounts required is attached hereto as **Exhibit “3-A”**.

8. **County Property.** Contractor shall be responsible for clean-up and the removal of surplus materials and debris on the Service/work site caused by the Contractor. The costs of any clean-up, spillage, and fines levied for failure to comply with these requirements will be borne solely by Contractor.

9. **Deliverables.** All project deliverables and documents are the sole property of County and may be used by County for any purpose. Any and all deliverables required by this Agreement to be prepared by Contractor, such as but not limited to plans and specifications, will be done in such a manner that they shall be accurate, coordinated and adequate for the purposes intended. Contractor represents that the deliverables prepared under this Agreement will meet the requirements of all applicable federal, state and local codes, laws, rules and regulations. The County’s review of the deliverables in no way diminishes the Contractor’s representations pertaining to the deliverables.

10. **Permits.** Contractor will obtain and pay for all necessary permits, permit application fees, licenses or any fees required for performing the Services.

11. **Alachua County Minimum Wage.** If, as determined by County, the Services to be performed pursuant to this Agreement are ‘Covered Services’, as defined under the Alachua County Government Minimum Wage Ordinance (“Wage Ordinance”), then during the term of this Agreement and any renewals, Contractor shall pay its ‘Covered Employees’, as defined in the Wage Ordinance, no less than the Alachua County Government Minimum Wage (“Minimum Wage”), as may be amended by the County. Contractor will require the same of its subcontractors and subconsultants who provide the Services. Contractor will (a) post a copy of the Minimum Wage Rate in a prominent place of its principal place of business where it is easily seen by Covered Employees; (b) supply a copy to any Covered Employee upon request; (c) make any person submitting a bid for a subcontract for Covered Services aware of these requirements; and (d) include the necessary provisions in subcontracts to ensure compliance. The County shall not be deemed a necessary, or indispensable, party in any litigation between Contractor and subcontractor. At this time of execution of this Agreement, the prevailing Minimum Wage is as follows, which is subject to change during the term of this Agreement, and will be updated, and be applicable, without the necessary of amendment to this Agreement:

\$16.00 per hour with qualifying health	\$18.00 per hour without health benefits
benefits amounting to at least \$2.00 per hour	

If applicable to the Services under this Agreement and to Contractor, the failure to comply with the provisions of the Wage Ordinance will be deemed a breach this Agreement and County is authorized to withhold payment of funds in accordance with Alachua County Code and Chapter 218, Florida Statutes.

12. **Default and Termination.**

Upon termination, Contractor will deliver to County all data, drawings, specifications, reports, estimates, summaries, and other records as may have been accumulated by Contractor in performing this Agreement, whether completed or in draft. In the event of termination, Contractor's recovery against County shall be limited to that portion of this Agreement amount earned through the date of termination. R. Severability and Ambiguity. It is understood and agreed by the Parties that if any of the provisions of the Agreement shall contravene or be invalid under the laws of the State of Florida, such contravention or invalidity shall not invalidate the entire Agreement, but it shall be construed as if not containing the particular provision(s) held to be invalid, and the rights and obligations of the Parties shall be construed and enforced accordingly. This Agreement shall not be construed more strictly against one Party than against the other Party, merely due to fact that it may have been prepared by one of the Parties. Exhibit 1 – Scope of Services

1. Mowing

The Contractor shall mow and trim all turf areas weekly during April through October and twice a month in the months of November through March. There will be days when the Contractor should plan on providing back up capacity due to the weather. Mowing shall be done carefully so as not to tear the bark off trees or shrubs, intrude into ground cover beds, damage sodded berms, or cause damage to sprinkler heads, valves, backflow devices, time clocks, curbs, or other facilities. Should damage to any of the above listed occur, the contractor will be held financially responsible for replacement or repair. Grass clippings or debris caused by mowing will be removed from adjacent walks, drives, gutters and curbs or surfaces on the same day as mowed. Mowing will not be done when weather or conditions will result in damaged turf. The Contractor shall remove all trash and litter from the entire area prior to initiating any mowing of the turf area. Upon completion, a mowed area shall be free of clumped grass cuttings and tire tracks or ruts from mowing equipment. Turf shall be cut in a professional manner so as not to scalp turf or leave areas of uncut grass. Care shall be taken to prevent discharge of grass clippings onto any paved surface such as streets, curb and gutters, parking lots, sidewalks, and/or onto adjacent properties. Under no circumstances shall grass clippings be directed towards the sports turf fields at Jonesville and Veterans Parks. Any material so discharged shall be removed immediately prior to proceeding with mowing of other areas (all trash and litter removed shall be disposed of by the contractor to an off-site location, procured by the contractor at its sole cost and expense). Any papers, cans or bottles cut or broken during maintenance operations shall be completely removed from the site immediately prior to proceeding with the maintenance of other areas.

2. Grass Height

Grass height shall be maintained on what is horticulturally correct (Max 3").

3. Debris and Trash

The Contractor, prior to each mowing, shall pick up debris and trash located on the ground within the mowing area. Debris that would be torn, ripped, scattered or further subdivided by the mower resulting in an objectionable appearance shall be picked up. All collected debris and trash shall be placed in or by a trash can for disposal by county personnel. Debris such as limbs, bushes or other large items shall be picked up and removed from the site by the Contractor.

4. Finish and Cleanup

The Contractor shall sweep or air-blow all hard surfaces, including those near a stormwater inlet or catch basin, to remove dirt, dust and/or clippings caused by the mowing. All mowing shall be performed in such a manner as to result in a standard of mowed grass or vegetation cut uniformly.

5. Trimming

Areas inaccessible to mowing equipment shall be kept neat and trimmed as needed. Trimming of grass and weeds around any fixed objects (walls, light posts, light fixtures, equipment boxes, pond structures, sign posts, trees, etc.) will be done through chemical control within a limit of six inches (6") maximum so as not to inflict trimmer damage of any kind to structure, equipment or trees. The Contractor(s) must respond to a service request within twenty-four (24) hours or else the County will carry out the work and there will be a charge to the Contractor.

6. Edging

Edging of all walks, curbs, edges of pavements and lines of plant beds shall be performed at the same time as grass mowing to maintain a clean appearance free of grass invasion.

7. Plant Growth

All plant growth on paved surfaces, curbs, sidewalks, driveways, cracks, seams, joints, etc., shall be removed during each service visit. Herbicides, with prior written approval obtained from the County representative may be used to reduce undesired weeds. An appropriate vegetative-free circle shall be maintained around every tree and the size will be determined by the County representative.

8. Pruning/Trimming of Trees, Shrubs, Plants, Hedges and Ground Covers

The Contractor shall remove all limbs and debris from trees that have fallen each maintenance visit.

9. Plant Growth on Paved Surfaces

All plant growth on paved surfaces, curbs, sidewalks, driveways, cracks, gravel beds, seams, joints, etc., shall be removed during each service visit. When using herbicides, prior written approval must be obtained from the County representative.

10. Maintenance Schedule

Maintenance may be performed Monday through Friday between 7:00 a.m. and 5:00 p.m. Deviations from this schedule must be arranged with the County representative. All mowing shall occur Monday - Friday unless prior authorization from the County is granted. The contractor will submit a schedule of what parks will be mowed on what days to the County once the contract has been executed.

11. Monthly Reports and Invoices

The Contractor shall complete and submit log sheets on a monthly basis indicating the location and date service performed along with their properly executed invoice for the work completed. The contractor may be required to conduct on-site inspections with the County representative on a monthly basis to verify satisfactory completion of contract requirements.

The Contractor's designated supervisor shall provide a status report for work performed to the designated County representative.
