The North Central Florida YMCA Youth & Teen Enrichment Center which was started 2 years ago, provides youth & teens with a safe space to belong, learn, grow and thrive. Students are exposed to various growth opportunities through clubs and programs that share the themes of STREAM (Science, Technology, Reading, Engineering, Arts, Math), Arts & Humanities, Health and Wellness, Character Education and Culinary Arts.

In addition to daily activities, students have time to socialize with peers, complete academic responsibilities, engage in forms of gaming, and sports. Involvement in the NCF YMCA Youth & Teen Enrichment Center will prepare students in upholding some of life's most important values - Leadership, Positivity, Teamwork, Respect, Caring, Responsibility and Honesty.

The purchase of this vehicle will allow the organization to pick up students at or below the poverty level and allow them to participate in these life enriching activities. Participation in this program will allow youth and teens to break the cycle of poverty by giving them the skills and confidence needed to excel.

Currently, the North Central Florida YMCA Youth & Teen Enrichment Center does not have the capability of providing transportation for the students. Maximum response length: 2500 characters

With the purchase of this vehicle we will look to increase the number of children from the areas most impacted by poverty. We will increase the number of students from those zip codes disproportionally impacted by poverty that participate in the Youth & Teen Enrichment Center.

We will focus on 3 measurable areas of impact:

1. Education - We will expose them to a variety of careers and fundamentals with a specific focus on STEM Learning, Culinary Arts, Financial Literacy and the Arts. Counselors will also aid students in completing and understanding homework assignments and projects given by their school instructors.

2. Health & Well-being - Our counselors will ensure that the students are decreasing risky behaviors (drug/alcohol use, early intercourse, belonging to gangs, fights/violence, etc) by providing a safe place for them to learn, grow and thrive.

3. Mental/Emotional Support - Our counselors will work with the students to give them skills to increase self-awareness and self-management which will assist with development of skills related to problem-solving and coping.
