Background:

Alachua County has operated the permanent Hazardous Waste Collection Center (HWCC) since 1999. The HWCC accepts Households Hazardous Waste (HHW) from County residents and commercial hazardous waste from qualified small businesses. Additionally, the HWCC manages hazardous waste collected from the five (5) County Solid Waste Rural Collection Centers and from numerous mobile HHW collection events.

To ensure the protection of the public's health safety, and welfare and for the protection of the environment, the County requires E-Scrap (consumer electronics) collected through the hazardous

waste program to be properly managed by a qualified vendor. Powerhouse Recycling Inc. meets all the applicable qualifications.

ITB 24-81 Annual E-Scrap Disposal was released May 17, 2023. The deadline for receipt of ITB 24-81 Annual E-Scrap Disposal was May 24, 2023; two (2) vendors responded, of which one (1) vendor withdrew his bid.
