RE: 2023 BID 21-13 Annual Medical Supplies

As an authorized representative of Henry Schein, Inc., I hereby agree to the renewal of this BID, upon approval by the County, for the period **October 1, 2022**, through **September 30, 2023**, at the BID prices and subject to the terms and conditions as stated in the original BID.

By providing my signature in the space provided below, I agree to the terms and conditions contained in the original BID and certify that there have not been any changes to our current, fully executed Certificate of Insurance Form on file with the County.

I understand that failure to comply with the original BID insurance requirements at the time of renewal may result in the cancellation of the purchase order. As indicated on the previous page, I agree to submit a copy of our current certificate of insurance if any types or limits have changed since our last submission again naming the Alachua County Board of County Commissioners as an additional insured with a (30) thirty-day cancellation notice.

It is my further understanding that acceptance of this request for renewal by the County is contingent upon the approval of the Alachua County Board of County Commissioners or its authorized representative, where applicable.

Check here if you do not agree to renew the above referenced BID.

Thanks Julia, if you plan on renewing you will be able to submit cost increase by September 1 for review and approval. I just need to know in advance if I'll have to rebid.

Mandy 😊
