Hello Gina,

I would like this added to the next agenda. It can be under the review of the arts tag application/final report.

Credit Attribution Requirements:

All grantees must include the Arts Council of Alachua County logo and the following statement, "Funded in part by the Arts Council of Alachua County and Alachua County Commission" on all organizational and promotional materials, including but not limited to print brochures, flyers, programs, posters, postcards, website, digital, radio, television, billboards, and promotional items.

Grant funded persons or organizations should furnish examples of the above at the time of their final report.

Thank you,

David
