Notice to Buyer:

The Seller shall not be responsible for any failure to perform, or delay in performance of, its obligations resulting from or associated with the COVID-19 pandemic or any future epidemic, and the Buyer shall not be entitled to any damages including but not limited to liquidated, special, consequential, or punitive, resulting thereof. Furthermore, the Seller's product lead times are based upon the information provided to Seller from its suppliers at the time of quotation. The Buyer accepts that lead times for products can change and do so without notice and due to reasons that are beyond any control of the Seller. As such, the Seller shall not be responsible for any failure to perform, or delay in performance of, its obligations resulting from lead times that extend past those originally quoted, and Buyer shall not be entitled to any damages resulting thereof.

This quotation is valid for 30 days. Due to the fluctuating costs associated with key materials such as steel, aluminum, and copper, and other manufacturer delays beyond Ring Power's control, we reserve the right to review quotation pricing at the time of order and again at time of equipment release. If material costs increase by greater than 2%, Ring Power will update our quotation accordingly. We appreciate your understanding during this volatile time and look forward to partnering with you as we work through it together.

See Pg 3 For Additional Notes

NOTES

1. Ring Power is providing this quote to meet intent customer request. Additional requirements, clarifications or plans not provided at time of quote will require review and possibly quote revisions.
2. The above price includes start-up, testing, and customer training (during normal business hours, Monday-Friday, 8 AM - 4PM). Equipment installation must complete and equipment ready to start-up.
3. Approved Submittals Are Required Prior to the Ordering of Equipment.
4. NO Installation, labor, conduit, wire, equipment off loading, anchor bolts, pad, fuel or fuel piping is included. No sales tax included
5. Ring Power will be supplying equipment as described in the attached documentation.
6. No testing by Outside Agencies, Authorities, Firms or Other is included in this quotation. If you need an outside source for testing (ie NETA) please contact Rainer Berry for pricing. A defined specification for this will be required.
7. Coordination studies are NOT included in this proposal unless it appears as a line item in the body of the quotation and should be not assumed as provided.

Thank you for considering Ring Power Systems for your generator needs

X Rainer Berry
