WITNESSETH:

WHEREAS, the County publicly issued Request for Proposal (RFP) 24-117, seeking qualified firms or individuals to provide Agreement for Annual Third Party Plan Review; and

WHEREAS, after evaluating and considering all timely responses to the solicitation, the County identified Contractor as top ranked entity in the solicitation process; and

WHEREAS, the Contractor is willing to provide the work and services to the County; and

WHEREAS, the County desires to engage Contractor to provide the work and services described herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt of which is acknowledged, the County and Contractor agree as follows:

1. **Recitals**. The foregoing recitals are incorporated herein.
2. **Scope**. In accordance with the terms and conditions of this Agreement, Contractor agrees to provide and perform Agreement for Annual Third Party Plan Review, as more particularly described in the Scope of Services attached hereto as **Exhibit "1"** and incorporated herein ("Services") for and as needed by the County. It is understood that the Services may be modified, but to be effective and binding, any such modification must be in writing executed by both the Parties.
3. **Term**. This Agreement is effective on October 1, 2023("effective date") and continues until September 30, 2024, unless earlier terminated as provided herein. This Agreement may be amended at the option of the County for 2 additional 2-year term(s).
4. **Qualifications**. By executing this Agreement, Contractor makes the following representations to County:
 - A. Contractor is qualified to provide the Services and will maintain all certifications, permits and licenses necessary to provide the Services during the term of this Agreement.
 - B. Contractor will assure that all personnel who perform the Services, or perform any part of the Services, are competent, reliable, and experienced to perform their assigned task properly and satisfactory. Contractor will perform the Services with the skill and care which would be exercised by a qualified contractor performing similar services at the time and place such services are performed. If failure to meet these standards results in a deficiency in the Services or the related tasks or designs, Contractor will, at his/her/its own cost and expense, re-do the Services to correct the deficiency, and shall be

responsible for any and all consequential damages arising from the deficiency.

- C. Contractor is familiar with the Services and the conditions of the site, location, project, and specifics of the Services to be provided, designed or constructed.
- D. Contractor will coordinate, cooperate, and work with any other contractors, professionals, and consultants retained by the County. The Parties acknowledge that there is nothing in this Agreement that precludes County from retaining services of other contractors, professionals, and consultants for similar or same Services or from independently performing the Services provided under this Agreement on its own.

5. **Authorization for Services.** Authorization for performance of the Services by Contractor under this Agreement will be in the form of written Work Orders issued and executed by County and signed by Contractor. Each Work Order will describe the Services required, state the dates for commencement and completion of the Services, and state the amount and method of payment. Work Orders will be issued under and shall incorporate the terms of this Agreement. Whenever the terms of this Agreement conflict with any Work Order issued pursuant to it, the terms of this Agreement shall prevail. Changes to existing Work Orders will be authorized by a Work Order Change Order. The County makes no covenant or promise as to the amount or number of Services, work or projects to be requested of Contractor under this Agreement, or that Contractor will perform any project for the County during the term of this Agreement. The County Manager or his/her designee is authorized to initiate and sign Work Orders and Work Order Change Orders on behalf of the County.

6. **Payment.**

- A. The County will pay Contractor for timely and completed Services as described in this Agreement. The Parties agree that the amount to be paid to Contractor for the Services required will not exceed \$100,000.00 ("NTE amount") annually. Contractor shall be compensated in accordance with the Hourly Rate of \$100.00 per hour.
- B. As a condition precedent for any payment, Contractor must submit monthly invoices to the County requesting payment for Services properly rendered and expenses due, unless otherwise agreed in writing by the County. Contractor's invoice must describe the Services rendered, the date performed [*and time expended, if billed by hour*], and the person(s) rendering such Services. Contractor's invoice shall be accompanied by documentation or data in support of expenses, as the County may require. The invoice shall additionally reflect the allocations as provided and shall state the percentage of completion as to each such allocation. Each invoice shall constitute the Contractor's representation to the County that the Services indicated have reached the level stated, have served a public purpose, have been properly and timely performed, that the expenses included in the invoice have been reasonably incurred in accordance with this Agreement, that all obligations of Contractor covered by prior invoices have been paid in full, and that the amount requested is currently due and owing. Submission of the Contractor's invoice for final payment shall further constitute the Contractor's representation to the County that, upon receipt by the Contractor of the amount invoiced, all obligations of the Contractor to others, including its subcontractors, will be paid in full. Contractor shall submit invoices to the County at the following address, unless otherwise directed by the County:

Growth Management
10 SW 2d Avenue
Gainesville, FL 32601

- C. County will make payment to Contractor of all sums properly invoiced under the provisions of this section in accordance with the provisions of the Florida Prompt Payment Act, Chapter 218, Part VII, Florida Statutes.
 - D. If the County has reasonable cause to suspect that any representations of Contractor relating to payment are inaccurate, the County may withhold payment of sums then or in the future otherwise due to Contractor until the inaccuracy, and the cause thereof, is corrected to the County Manager's or his/her designee's reasonable satisfaction.
 - E. The County's performance and obligation to pay under this Agreement is contingent upon a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Continuation of this Agreement beyond the term or the end of any County fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes; and that the failure of the Board to do so shall not constitute a breach or default of this Agreement.
 - F. In the event any part of this Agreement or the Services, is to be funded by Federal, State, or other local agency monies, Contractor hereby agrees to cooperate with the County in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to the Service and as specifically required by the Federal or State granting agency, and receiving no payment until all required forms are completed and submitted.
7. **Insurance.** Contractor will procure and maintain insurance throughout the entire term of this Agreement, including any renewals, of the types and in the minimum amounts detailed in **Exhibit "2"** attached hereto and incorporated herein. A copy of a current Certificate of Insurance (COI) showing coverage of the type and in the amounts required is attached hereto as **Exhibit "2-A"**.
8. **Deliverables.** All project deliverables and documents are the sole property of County and may be used by County for any purpose. Any and all deliverables required by this Agreement to be prepared by Contractor, such as but not limited to plans and specifications, will be done in such a manner that they shall be accurate, coordinated and adequate for the purposes intended. Contractor represents that the deliverables prepared under this Agreement will meet the requirements of all applicable federal, state and local codes, laws, rules and regulations. The County's review of the deliverables in no way diminishes the Contractor's representations pertaining to the deliverables.
9. **Permits.** Contractor will obtain and pay for all necessary permits, permit application fees, licenses or any fees required for performing the Services.
10. **Alachua County Minimum Wage.** If, as determined by County, the Services to be performed pursuant to this Agreement are 'Covered Services', as defined under the Alachua County Government Minimum Wage Ordinance ("Wage Ordinance"), then during the term of this

Agreement and any renewals, Contractor shall pay its 'Covered Employees', as defined in the Wage Ordinance, no less than the Alachua County Government Minimum Wage ("Minimum Wage"), as may be amended by the County. Contractor will require the same of its subcontractors and subconsultants who provide the Services. If applicable to the Services, Contractor will certify this understanding, obligation, and commitment to County through a certification, a copy of which is attached hereto as **Exhibit "3"**. Contractor will (a) post a copy of the Minimum Wage Rate in a prominent place of its principal place of business where it is easily seen by Covered Employees; (b) supply a copy to any Covered Employee upon request; (c) make any person submitting a bid for a subcontract for Covered Services aware of these requirements; and (d) include the necessary provisions in subcontracts to ensure compliance. The County shall not be deemed a necessary, or indispensable, party in any litigation between Contractor and subcontractor. At this time of execution of this Agreement, the prevailing Minimum Wage is as follows, which is subject to change during the term of this Agreement, and will be updated, and be applicable, without the necessary of amendment to this Agreement:

\$16.00 per hour with qualifying health benefits amounting to at least \$2.00 per hour	\$18.00 per hour without health benefits
--	--

If applicable to the Services under this Agreement and to Contractor, the failure to comply with the provisions of the Wage Ordinance will be deemed a breach this Agreement and County is authorized to withhold payment of funds in accordance with Alachua County Code and Chapter 218, Florida Statutes.

12. **Default and Termination.**

- A. **Termination for Default:** The failure of Contractor to comply with any provision of this Agreement will place Contractor in default. If Contractor is in default or fails to perform in accordance with the terms or conditions of this Agreement, the County may provide a written notice of default. The County Manager and his/her designee is authorized to provide notice of default on behalf of County and notice may be sent electronically. - D. Upon termination of this Agreement based upon the above, the County may obtain the Services from any other sources, firms, and individuals, and may use any method deemed in the County's best interest. Upon termination, Contractor will deliver to County all data, drawings, specifications, reports, estimates, summaries, and other records as may have been accumulated by Contractor in performing this Agreement, whether completed or in draft. In the event of termination, Contractor's recovery against County shall be limited to that portion of this Agreement amount earned through the date of termination. Contractor and County will jointly cooperate with each other in the event of any litigation, including any request for documentation. This indemnification provision will survive the termination of this Agreement.
