Hi Ed,

Thank you. The water fountain is not on the list.

If you want us to include it, we can price it for you as change order.

Apologies for the delay Margie. We will go with the **Blue 9509** for the toilet partitions. I'm working on the paint color selections & will get those back to you ASAP.

Question...are the drinking fountains depicted on the drawings provided/installed by Leesburg Concrete? Or do those need to be provided by others? I don't see them on your proposal.

Thanks,
