A G R E E M E N T

This AGREEMENT is collectively made and entered into as of October 10, 2023, and will become effective on October 1, 2023, by and between ALACHUA COUNTY (hereafter referred to as the "County" or "Employer") and the INTERNATIONAL ASSOCIATION OF FIRE FIGHTERS, LOCAL UNION #3852/Management Unit, the certified bargaining agent in Public Employees Relations Commission Certification Order No.1293, (hereafter referred to as the "Union"). This Agreement is in compliance with Chapter 447.203(14) of the Florida Statutes which requires the execution of a written contract reflecting the agreement reached between the Employer and the Certified Bargaining Representative. There shall be no agreements made contrary to the specific terms of the Agreement, unless they are approved by the authorized representative of the County and the Executive Board of the Union.

ARTICLE 1

Recognition

Section 1-1. The County recognizes the Union as the exclusive bargaining agent for all employees in the job classifications contained within the certified bargaining unit for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, economic benefits as required by law, and other terms and conditions of employment. It is furthermore agreed that the President of Local #3852 or their designee, shall be the official spokesperson for the Union in any matter between the Union and the County. The Union shall furnish the County, in writing, the name(s) of its designee(s) and the period of time during which said designee is authorized to conduct business on behalf of the Union.

1 ARTICLE 2

2 Management Rights

3 Section 2-1.

4 Except as expressly limited by other Articles of this Agreement, the County shall have the  
5 exclusive right to manage the facilities, services, and business of the County, and direct the  
6 working forces the same as it had prior to the execution of this Agreement.

7 These rights include, but are not limited to, the right to plan, direct, and control operations;  
8 to assign work and schedule the working hours; to determine the extent to which County services  
9 will be performed by County employees or by contract providers, provided that the Union shall be  
10 notified and allowed an opportunity for discussion and consultation prior to any sub-contracting  
11 of County services which would affect members of the bargaining unit; to hire, train, promote,  
12 demote, and transfer employees; to suspend, discipline or discharge for just cause and to lay off  
13 employees for lack of work or for other legitimate reasons; to make and enforce rules of conduct  
14 and regulations; to introduce new methods, materials, or facilities, to establish new job  
15 classifications and eliminate job classifications, provided that the Union will be notified and  
16 allowed an opportunity for discussion and consultation prior to the establishment of a new  
17 classification or elimination of classifications affecting the bargaining unit; and to assign overtime  
18 work.

19 If the County declares a state of emergency pursuant to Chapter 27 of the County's  
20 Administrative Code, or if the State of Florida declares a state of emergency, the Fire Chief or  
21 their designee may suspend Articles 8, 9, and 12, as it pertains to leave time and hours worked.  
22 The County will notice the Union upon suspension of these Articles, and agrees to discuss the  
23 same with the Union every seven days, if the state of emergency is extended to discuss necessary  
24 extensions.

1 ARTICLE 3

2 Non-Discrimination

3 Section 3-1. The parties hereby acknowledge their responsibility under Florida Statute,  
4 Section 112.042(1) which provides as follows:

5 "It is against the public policy of this state for the governing body of any county or  
6 municipal agency, board, commission, department, or office, solely because of the race, color,  
7 national origin, sex, handicap, or religious creed of any individual, to refuse to hire or employ, to  
8 bar, or to discharge from employment such individuals or to otherwise discriminate against such  
9 individuals with respect to compensation, hire, tenure, terms, conditions, or privileges of  
10 employment, if the individual is the most competent and able to perform the services required."

11 Any claim or charge of discrimination may be processed through the grievance procedure  
12 provided for in this Agreement but shall not be brought to arbitration unless the grievant(s) signs  
13 a statement electing to have the matter brought to arbitration exclusively and waiving any right  
14 thereafter to file charges with any state or federal board, commission, agency, or court concerning  
15 the same matter.

1 ARTICLE 4

2 No Strikes

3 Section 4-1. The parties hereby recognize the provisions of Chapter 447 of the Florida  
4 Statutes which define strikes, prohibit strikes, and establish penalties in the case of a strike and  
5 incorporate those statutory provisions herein by reference. The parties further agree that the  
6 County shall have the right to discharge or otherwise discipline any employee(s) who engage(s) in  
7 any activity defined in Section 447.203(6) of the Florida Statutes, at its discretion.

1 ARTICLE 5

2 Jury Duty - Witness Duty

3 Section 5-1. Jury Duty. When an employee is required to serve on jury duty, the employee  
4 shall be relieved of responsibility for their regular work shift, and the County shall pay the  
5 employee the amount that would have been received had the employee worked their regular work  
6 shift. All employees who are required to serve on jury duty shall report to their supervisor or  
7 department head that they have been notified for that purpose within twenty-four (24) hours of  
8 receiving such notice when possible but in no event later than the beginning of the next work shift.  
9 When an employee is finally released or is excused from jury duty, the employee shall, as soon as  
10 possible, notify their supervisor of their availability for work.

11 Section 5-2. Witness Duty. Any employee, upon the request and for the benefit of the  
12 County, attends any legal proceedings involving the County, or is subpoenaed to any court  
13 proceeding involving the County, shall be paid as if engaged in the employee's normal work. If  
14 the employee is subpoenaed to any legal or court proceeding in which the employee is not  
15 personally or monetarily interested, they shall be paid as if engaged in the employee's normal  
16 work, time spent traveling to and from those proceeding and wait time related to the employee's  
17 testimony that occur during the employee's regularly scheduled work hours, shall be considered  
18 as time worked.

19 Section 5-3. Fees. Any fees, excluding mileage, received as a juror or witness while being  
20 paid as a County employee shall be reimbursed to the County as a condition of approval for any  
21 civil leave request.

1 ARTICLE 6

2 Checkoff of Dues

3 Section 6-1. Authorization. The County agrees to make a deduction of Union dues,  
4 initiation fees, and assessments from the paycheck of any employee covered by this Agreement  
5 upon written authorization signed by the employee directing the County to make such deduction  
6 and transmit an amount to the Union. The deduction authorization shall continue until one of the  
7 following occurs:

8 (a) the employee gives written notice to the County and the Union revoking the dues  
9 deduction authorization; or

10 (b) the employee is terminated.

11 The dues deduction cancellation shall be effective thirty (30) calendar days following the day it is  
12 received by the County and the Union.

13 Section 6-2. Remission of Dues to Union. The amounts to be deducted as dues shall be  
14 certified to the County by the Financial Secretary of the Union. The County agrees to remit such  
15 dues deduction to the Financial Secretary on a monthly basis. The Union shall pay the County  
16 \$125.00 for processing the dues checkoff no later than October 30 of the fiscal year. For the  
17 payment of the aforesaid fee, the Union shall be provided with a monthly list of all additions or  
18 deletions of employees in the bargaining unit, the names of employees on whose behalf dues have  
19 been deducted and remission of the net amount of dues deducted.

20 Section 6-3. Indemnification. The Union shall indemnify, defend, or hold the County  
21 harmless against any and all claims, demands, suits, or other forms of liability that shall arise out  
22 of or on account of any payroll deduction of Union dues. The Union agrees that in case of error,  
23 proper adjustment, if any, will be made by the Union with the affected employee.

1 ARTICLE 7

2 Seniority

3 Section 7-1. Definition. Seniority is an employee's length of continuous service with the  
4 County, dating from their last date of hire and upon completion of the probationary period.  
5 Employees with the same date of hire shall have seniority standing among themselves based upon  
6 the chronological order in which they applied for employment. Applications will be time and date  
7 stamped when submitted.

8 Section 7-2. Probationary Employees. A new employee shall be considered a probationary  
9 employee for twelve (12) months after which seniority shall date back to the date of hire as a  
10 permanent employee. During such probationary period, a probationary employee shall not have  
11 seniority and may be laid off, discharged, or otherwise terminated by the County and such action  
12 shall not be subject to the grievance procedure of this agreement. During such time, an employee  
13 will not be considered "permanent" or be eligible for any benefits afforded permanent employees.

14 Employees who receive a promotion, or who transfer to a different classification, shall be  
15 on probation in that classification for a period of six (6) months during which, if they are not  
16 retained, they shall be returned to their former classification if it exists and there is a vacancy  
17 available. If an employee is absent on excused leave for more than thirty (30) consecutive calendar  
18 days during this promotional probationary period, the promotional probationary period may be  
19 extended for up to an additional three months. The position from which the employee has been  
20 promoted or transferred will not be permanently filled for six months unless operational needs  
21 require that it be filled.

22 If the promoted or transferred employee is not retained in his/her new position and the  
23 former job has been permanently filled, they may exercise the replacement procedure outlined in  
24 Article 7, Section 5 of this Agreement.

25 Section 7-3. Promotion/Hiring. In the event a job opening is to be filled by the promotion  
26 of an employee in the bargaining unit, the following factors shall be considered in selecting  
27 employees for promotion and to fill vacancies and new jobs:

- 1           (a)     ability and qualifications to perform the works determined by written, oral or  
2                   assessment process where possible (in which event the process may be monitored  
3                   by someone from the Human Resources Office and the Union if so requested); and  
4           (b)     performance reviews and disciplinary history; and  
5           (c)     seniority.

6     Where, as among the employees concerned, factors (a) and (b) are relatively equal, factor (c) shall  
7     govern.

8           In the event the job opening is to be filled by consideration of applicants not employed by  
9     the County, applicants from the bargaining unit shall be compared with non-employee applicants  
10    and if factor (a) considerations are relatively equal, factor (c) shall govern selection to fill the job.

11          Section 7-4. Job Posting. In the event a job opening is to be filled, the vacancy shall be  
12    posted for a minimum period of ten (10) working days on the County's website. An assessment  
13    process will be utilized. If funding is available, it will be facilitated by a professional entity  
14    contracted by the department. An interview panel, which shall be determined by the Fire Chief,  
15    will review the candidates, participate in the interview and provide input and a recommendation  
16    to the Fire Chief on filling the vacancy. The Union shall be notified of the interview panel when  
17    the testing is announced to candidates. The County agrees to formally notify employees who are  
18    not selected for promotional opportunities. Such notification shall be in writing and shall identify  
19    an employee's opportunity for further discussion with the hiring supervisor(s) regarding the  
20    selection process.

21          The County may elect not to post a vacancy if there is a qualified departmental employee  
22    who requests a voluntary transfer, or who is being reduced or disqualified from a higher rated  
23    position. The Union shall be notified in advance of a position being filled in this manner. Any  
24    employee of the Department who has completed their probationary period and who is interested  
25    in filling the vacancy through a voluntary transfer shall apply in writing to the Director of Human  
26    Resources or designee.

27          Section 7-5. Layoff and Recall. For the purpose of Layoff and Recall, seniority is defined  
28    as an employee's length of continuous service with the County, dating from their most recent

1 promotion date into the affected classification. In the event of a reduction in the work force, newly  
2 hired probationary employees in the classification affected shall be first laid off. If further  
3 reductions are necessary, non-probationary employees and employees who are on promotional or  
4 transfer probation in the affected classification shall be laid off from the classification affected.  
5 Employees covered by this contract will be permitted to replace employees in the IAFF General  
6 Unit #3852, if all of the applicable conditions listed in Article 7.6 are met. The order of such layoffs  
7 shall be based on seniority with the least senior employees in the classification laid off first,  
8 provided that factors (a) and (b) in Section 3 are relatively equal. In the event of the relative  
9 inequality of these factors, objectively determined as between employees in the same  
10 classification, the employee with the higher values of factors (a) and (b) shall be retained.

11 In the event of a layoff, the County shall notify, in writing, the bargaining unit President,  
12 with as much notice as possible, prior to sending formal notification to the employees affected by  
13 the layoff.

14 Laid off employees shall be recalled to the classification from which they were laid off in  
15 the reverse order in which they were laid off, provided that they have not been terminated under  
16 Section 6(e) below. It is understood that persons employed with, and paid by, federal or state grant  
17 funds will be laid off or terminated upon the elimination or cut back of such funds regardless of  
18 their seniority.

19 In the event any temporary or stand-by positions become available during a layoff, the  
20 County will first offer those positions to employees who were laid off in accordance with Article  
21 7, Section 5 of this Agreement. Acceptance of a temporary or stand-by position will not affect an  
22 employee's recall rights under Article 7, Section 5.

23 Section 7-6. Loss of Seniority. Seniority and the employment relationship shall be broken  
24 and terminated if an employee:

- 25 (a) resigns;
- 26 (b) is discharged and not reinstated;
- 27 (c) is absent from work for three (3) consecutive work days without notification to the  
28 County, unless notification would have been impossible;

- 1 (d) is laid off and fails to return to work within ten (10) calendar days after the notice  
2 of recall has been sent by certified mail with return receipt requested, addressed to  
3 the last known address of record unless there is a reason, acceptable to the County,  
4 for such failure;
- 5 (e) is laid off for twenty-four (24) consecutive months or one-half of the employee's  
6 seniority at the time of layoff, illness or injury, whichever is lesser;
- 7 (f) is absent from work in the case of sickness or illness or injury incurred on the job  
8 for twenty-four (24) consecutive months or one-half of the employee's seniority at  
9 the time of layoff, illness or injury, whichever is lesser;
- 10 (g) fails to report for work at the termination of a leave of absence or extension thereof;  
11 or
- 12 (h) accepts gainful employment without permission while on leave of absence.

13 Section 7-7. Seniority during Approved Leave of Absence. An employee's seniority shall  
14 be retained during an approved leave of absence but shall accumulate further only during leave  
15 with pay and for sixty (60) days without pay, except for leave under Article 8, Section 6.

1 ARTICLE 8

2 Leaves of Absence

3 Section 8-1. Sick Leave. All permanent employees who regularly work a forty-hour work  
4 week shall earn four (4) hours of sick leave with each bi-weekly pay period provided that the  
5 employee has been paid for at least three-fourths (3/4) of the work shifts in the pay period. Time  
6 spent in collective bargaining negotiations shall be considered as time worked for the purpose of  
7 sick leave accrual and employees on leave under Section 7 of this Article shall not lose sick leave  
8 accrual for up to two (2) calendar weeks per year of such Section 7 leave. Sick leave shall be  
9 earned as of the last day of the pay period. The employee must be in active pay status for at least  
10 seventy-five percent (75%) of the pay period in order to accrue sick leave. Persons who work a  
11 normal workweek averaging fifty-six (56) hours, forty-eight (48) hours upon implementation of  
12 Kelly Day, shall accrue sick leave at the rate of five point six (5.6) hours, four-point eight (4.8)  
13 hours upon implementation of Kelly Day, per bi-weekly pay period, provided the employee has  
14 been paid for at least three-fourths (3/4) of the work shifts in that pay period. At the end of each  
15 fiscal year, an employee shall have the option of converting up to ten (10) days of sick leave to  
16 annual leave on a two (2) for one (1) basis. The conversion of sick leave will be approved only if  
17 the employee has a remaining balance of sick leave of at least one hundred twenty (120) hours, for  
18 fifty-six (56) hour per week employees, forty-eight (48) hour employees upon implementation of  
19 Kelly Day, and sixty (60) hours for forty (40) hour per week employees, after the conversion. All  
20 requests to convert sick leave must be received by Finance & Accounting prior to October 31.  
21 Upon separation from employment after ten (10) years' service, an employee will be entitled to be  
22 paid for 50% of their accrued sick leave at the current rate of pay. Employees hired on or after  
23 April 1, 2011, upon separation from employment after ten (10) years of service will be entitled to  
24 up to a maximum payout of 500 hours (1,000 hour accrual) for employees regularly scheduled to  
25 work a forty (40) hour work weeks, and up to a maximum payout of 700 hours (1,400 hour accrual)  
26 for employees regularly scheduled to work an average fifty-six (56) hour work week, forty-eight  
27 (48) hour work week upon implementation of Kelly Day. Employees will be permitted to accrue  
28 sick leave beyond the sick leave accrual cap, but will be limited to the aforementioned cap for  
29 payout purposes.

1        Section 8-2. Utilization of Sick Leave. Paid sick leave shall not be taken prior to the time  
2 of its accrual and shall only be taken upon prior approval of the County. Sick leave may only be  
3 utilized for employee sickness, sickness in the employee's immediate family residing with their

5 which case there will be no residency requirement), necessary doctor's appointments, injury,  
6 disability, pregnancy, or for quarantine by health authorities or a physician. Employees may be  
7 required to supply proof of sickness, injury or disability. If a second medical opinion is required  
8 for any reason by the County, the employee will be sent to a physician of the County's choosing  
9 for such purpose, and the County will pay the expenses thereof. Utilization of sick leave will be  
10 implemented according to the following definitions:

11        (a) Sick leave instance: Any absence due to sickness, illness, or injury that is or is not  
12 work related, for any number of consecutive workdays or parts thereof.

- 13            1. Use of more than two (2) instances of sick leave in a ninety (90) day period  
14 without medical certification or the Use of sick leave in combination with  
15 days off, holidays off, or other time off without medical certification may  
16 be investigated to determine if the employee should be placed on critical  
17 attendance or if a violation has occurred that could warrant disciplinary  
18 action. An employee placed on critical attendance will be notified in writing  
19 that they will be required to provide medical certification for a period of  
20 three (3) months for the approval of sick leave. After the three (3) months  
21 period attendance will be reevaluated. If at the time of reevaluation, sick  
22 leave use has reached acceptable standards the employee shall be removed  
23 from the critical attendance list and provided written notice.

24        Section 8-3. Leave for Compensable Injury. If an employee sustains a job-related injury  
25 they shall be entitled to Workers' Compensation payments in accordance with the laws of the State

2 training shall be granted for purposes of attending military training in accordance with  
3 Chapter 115, Florida Statutes. An employee in the United States Reserve Forces or National Guard

5 during any one annual period and without loss of benefits. Such military leave shall not exceed  
6 that allowable by Florida law. A request for military leave for reserve or guard training shall be  
7 submitted to the appropriate supervisor on a Leave Request Form, with or followed by proper  
8 documentation as soon as possible.

12 defined in Florida Statutes Section 115.08. This period shall include the time during which a  
13 person in active military service is absent from duty on account of sickness, wounds, leave or other  
14 lawful cause without loss of benefits or seniority, under the following conditions: An employee  
15 ordered to active military service shall receive full pay for the first thirty (30) days of the active  
16 military leave; and supplemental pay beginning on the 31<sup>st</sup> day of the active military leave, not to  
17 exceed one-hundred eighty (180) calendar days of absence. Supplemental pay is an amount  
18 necessary to bring the employee’s total salary, including the base military pay and the  
19 supplemental pay, to the level earned from County employment at the time the absence for active  
20 military leave began. The department director is responsible for submitting an Employee Action  
21 Form when the employee is entitled to supplemental pay under this section. An employee in the  
22 Florida National Guard ordered to state active duty under provisions of Chapter 250, Florida  
23 Statutes, shall receive full pay for up to thirty (30) days at any one time. Following such an absence  
24 for state active duty, the employee must perform the employee’s County work for at least one full  
25 shift before being eligible for another period of active military leave for state active military  
26 service. An employee who is granted active military leave shall retain seniority rights. A request  
27 for active military leave shall be submitted to the appropriate supervisor on a Leave Request Form,  
28 accompanied by proper documentation, including military orders, as soon as possible.

1        Section 8-6. Personal Leave. Upon written request from an employee submitted  
2 reasonably in advance, the County will grant a leave of absence without pay where good cause is  
3 shown for one (1) or more days, but not to exceed thirty (30) days. This leave may be extended  
4 or renewed for one additional period not to exceed thirty (30) days, for reasons which, in the  
5 opinion of the County, are satisfactory. In the operation of this section, the question of whether  
6 an employee has accrued annual leave time shall not be considered. These leaves are intended to  
7 be granted for maternity (after exhaustion of sick leave), health (after exhaustion of sick leave),  
8 education, military service, or extenuating personal reasons. Leave requests under this section  
9 shall not be arbitrarily or capriciously denied.

10       Section 8-7. Union Leave of Absence. Members elected to Union positions or appointed  
11 by the Union to perform work which takes them from employment with the County shall, upon  
12 written request, receive leave of absence without pay for the term of office or up to a period not to  
13 exceed one (1) year, whichever is greater, and said leave shall be renewable for an additional year  
14 period. Employees desiring leave under this Section shall notify the County two (2) weeks in  
15 advance of the date on which such leave is to become effective and shall specify the facts giving  
16 rise to the request. If it is impossible to give two (2) weeks notice, the County will waive the two  
17 (2) week requirement. No more than two (2) employees in any department shall be off on leave  
18 under this Section at any one time unless mutually agreed upon by the parties. Union leave of  
19 absence shall be limited to conventions, grievance hearings, contract negotiation, officers to attend  
20 regular monthly business meetings, and other Union business mutually agreed upon by the County  
21 and the Union. Seniority shall accumulate during such leave. Such leave of absence shall not be  
22 arbitrarily or capriciously denied.

23       Nothing herein shall preclude the use of accrued annual leave for union officials to conduct  
24 union business that ordinarily would be uncompensated time. The County agrees to make a  
25 deduction of one (1) hour annual leave from all current Union members. The deduction shall be  
26 reflected on the second paycheck stub during the months of March, June, September, and  
27 December and the leave will be placed into the Union Time Pool for use by the Union. All unused  
28 hours shall be carried over to the following calendar year.

29       Section 8-8. Union Time Pool Leave. A time pool will be established under the provisions  
30 of Section 7 of this Article. Union time pool leave shall be limited to conventions, grievance

1 hearings, contract negotiations, officers to attend regular monthly business meeting, and other  
2 Union business mutually agreed upon by the County and the Union. This time may be used by any  
3 Union member with approval from the Union President or Vice President. Requests shall be made  
4 to the Department no later than the previous shift and no more than two (2) Union members  
5 (inclusive of both IAFF Units) shall be off at any given time. These members shall not be counted  
6 in the total numbers of employees permitted to take annual leave under Article 9, Section 3.  
7 Provided that approvals of such leave shall be at the discretion of the Chief or their designee. All  
8 unused hours shall be carried over to the following calendar year.

9 Section 8-9. Grievance Hearings. Employees who have filed a grievance will be  
10 authorized to attend hearings at all four steps with pay if the hearing is scheduled during the  
11 employee's normal working hours. The appropriate Union President or Union Representative may  
12 attend with pay if the hearing is during their normal working hours and either the President or  
13 Union Representative is representing the grievant. The Union must submit a list of employees to  
14 attend the hearing as direct witnesses. This list must be submitted simultaneously with the notice  
15 of appeal to the County Manager's Office to allow for proper departmental notification of the  
16 employee's absence. The County Manager or their designee will review the list and authorize  
17 absence from work for the employees that the Manager determines should attend. Employees who  
18 wish to attend as observers may request annual leave in accordance with established procedures.

19 Section 8-10. Bereavement Leave. An employee who has a death in their immediate  
20 family will be granted a bereavement leave of up to five (5) consecutive days and not to exceed  
21 forty-eight (48) work hours. Bereavement leave will not be charged to accrued annual or sick

Employees are not eligible to use or to be paid for accrued annual leave until they have satisfactorily completed their initial probationary period except as provided in Section 9.4 of this article. The employee must be in active pay status for at least seventy-five percent (75%) of the pay period in order to accrue annual leave. Employees who are reassigned from a 48-hour schedule to work a 40-hour schedule shall have their annual leave balance converted accordingly and will accrue annual leave hours at the rate for forty-hour work week employees. Likewise, employees who move from a 40-hour schedule to a 48-hour schedule shall have their annual leave balance

converted accordingly and will accrue annual leave hours at the rate for forty-eight hour work week employees.

Section 9-2. Annual Leave Pay. Annual Leave pay shall be calculated at the employee's regular straight time rate for the number of hours the employee would have worked during the week(s) they would have worked had annual leave not been taken.

Section 9-3. Selection of Annual Leave. Schedules of the available annual leave periods for the next calendar year, including all fifty-two (52) weeks of each year, will be posted by October 1 of the preceding year. The Department must receive all bids by November 1 of the year. The annual leave bid calendar must be posted by November 30. Annual leave will be bid in each classification by seniority: two (2) District Chiefs may be off on bidded annual leave on the same day, contingent on coverage by another District Chief. Requests will not be arbitrarily and capriciously denied. No employee will be allowed to bid annual leave in excess of the amount they have accrued, or will accrue, during the next calendar year, including the amount of sick leave that the employee may be eligible to convert in October of that year.

Section 9-4. Utilization of Annual Leave. Employees will be allowed to accrue annual leave with no cap during the fiscal year, but will only be allowed to carry 500 hours for employees assigned to a 40-hour work week or 500 hours for employees assigned to a 48-hour work week to the following fiscal year.

Employees upon separation from employment shall be paid for any accrued annual leave earned to the date of termination but not taken, up to a maximum of five hundred (500) hours for employees regularly scheduled to work either a forty (40) hour work week or a 48 hour work week.

For employees assigned to a forty-eight (48) hour work schedule, annual leave to the extent feasible may be taken in increments of less than one week, but not less than a minimum of two hours with subsequent increments of fifteen (15) minutes. In the event that annual leave time is used for educational purposes the time can be taken as a two (2) hour minimum with additional fifteen (15) minutes increments up to twenty-four (24) hours, if there is sufficient staffing and no overtime is generated. For forty-eight (48) hour employees, annual leave time may be used for unscheduled purposes after the start of the employee's assigned shift, upon approval of supervision and with as much notice as is practical, provided there is sufficient staffing personnel to cover the

1 shift and no overtime is generated. For forty-eight (48) hour employees, the deadline for submitting  
2 leave (Floating Holiday, Military Leave or Annual Leave) is ninety-four hours before the leave  
3 will begin. The deadline for canceling leave (Floating Holiday, Military Leave or Annual Leave)  
4 is ninety-six (96) hours before the leave will begin. However, at the time an employee decides to  
5 separate from employment with the County, the employee shall take no more than one hundred  
6 and twenty (120) hours of annual leave to not extend the date of separation. For employees  
7 assigned to a forty (40) hour work schedule, annual leave to the extent feasible may be taken in  
8 increments of fifteen (15) minutes with subsequent increments of fifteen (15) minutes. For forty  
9 (40) hour employees, annual leave time may be used for unscheduled or scheduled purposes upon  
10 approval by their supervisor and with as much notice as possible. However, at the time an  
11 employee decides to separate from employment with the County, the employee shall take no more  
12 than eighty (80) hours of annual leave to not extend the date of separation.

20 All bargaining unit members assigned a forty-eight (48) hour workweek shall receive one  
21 (1) Floating Holiday for Fiscal Year 2024 to be used by April 1, 2024. If Kelly Days (as  
22 discussed in Article 12) are not implemented by April 1, 2024, forty-eight hour employees  
23 shall receive a second Floating Holiday to be used by September 30, 2024. Following the  
24 implementation of a Kelly Day (as discussed in Article 12), bargaining unit members

1 assigned to a forty-eight (48) hour work week shall no longer receive Floating Holidays.  
2 Requests to utilize Floating Holidays will follow the procedure of annual leave requests.

3 Section 10-2. Weekend Holiday. For forty-hour employees, holidays will be observed on  
4 the day of their occurrence except that Sunday holidays shall be observed on the following Monday  
5 and Saturday holidays shall be observed on the preceding Friday, provided that employees who  
6 work on a twenty-four (24) hour, seven (7) day schedule shift operation shall observe the holiday  
7 on the day on which it actually falls and not on Friday or Monday if it falls on Saturday or Sunday.

8 Section 10-3. Holiday Pay and Eligibility. For forty-hour employees if a holiday is  
9 observed on a day which is a regular workday for an employee and if they are permitted to be off  
10 that day due to the holiday, they shall be paid for the number of hours they would have worked in  
11 a normal work shift at their regular straight time rate provided they worked at least 50% of the  
12 regularly scheduled workday immediately preceding the holiday and immediately following the  
13 holiday, unless the employee is on approved paid leave for at least 50% of both days.

14 For a forty (40) hour employee, if the holiday falls (or is observed on a regularly scheduled  
15 day off), they will be paid equal to one normal work shift not to exceed ten hours. Employees hired  
16 on or after April 1, 2011 shall not be eligible to receive Holiday Pay as described in this section

2 Grievance Procedure

3 Section 11-1. Definition and Procedure. For the purpose of this Agreement, a grievance  
4 is any dispute or difference between an employee and Alachua County involving the meaning,  
5 interpretation, or application of the provisions of this Agreement. Grievances shall be handled in  
6 the following manner.

7 Step 1: The employee shall present the grievance in writing to the Deputy Chief with or  
8 without a Union Officer as the employee may choose. The supervisor must answer  
9 it in writing.

10 Step 2: If the employee is not satisfied with the written answer of the supervisor in Step 1  
11 or if no answer has been given within ten (10) calendar days, then the grievance  
12 shall be presented to the Department Head within ten (10) calendar days of the  
13 supervisor's answer or failure to supply a timely answer. The Department Head or  
14 their designee shall, within ten (10) calendar days of receipt of the written  
15 grievance, meet with the employee and a Union representative unless such meeting  
16 has been waived. After such a meeting is held, the Department Head must answer  
17 the grievance in writing within ten (10) calendar days of the meeting.

18 Step 3: If the Union or employee is not satisfied with the written answer of the Department  
19 Head, or if no written answer is rendered by the Department Head on a timely basis,  
20 then the Union or employee may, within ten (10) calendar days of the Department  
21 Head's answer or of the failure of the Department Head to supply a timely answer,  
22 appeal the grievance to the County Manager or designee. The County Manager or  
23 designee must meet with a Union representative within twenty (20) calendar days  
24 of receipt of the appeal. The County Manager or designee shall answer the  
25 grievance in writing within twenty (20) calendar days of the meeting.

26 Step 4: If the Union is not satisfied with the written answer of the County Manager or  
27 designee, or if no timely written answer is rendered, the Union Officer shall submit  
28 a written request, signed also by the grieving employee(s), appealing the grievance

1 to arbitration within sixty (60) calendar days of the answer or failure of timely  
2 answer.

3 In the case of appealing the grievance to arbitration, the Union shall have one hundred  
4 twenty (120) calendar days from the date of the letter sent by the County acknowledging the  
5 request to proceed to arbitration, to draft the joint request for an arbitrator.

6 In case of discharge or termination, Step 1 will be waived if the grievance has been timely  
7 filed.

8 Section 11-2. Arbitrator Selection. The Union's appeal to arbitration shall be submitted to  
9 an arbitrator who is a member of the National Academy of Arbitrators and who shall be selected  
10 from a list furnished by the Federal Mediation and Conciliation Service by means of alternate  
11 striking of names. A coin toss will determine which party strikes first. If either the County or the  
12 Union is dissatisfied with the original list, either one may request the Federal Mediation and  
13 Conciliation Service provide a second list from which to choose an arbitrator.

14 Section 11-3. Authority of Arbitrator. The arbitrator shall have no right to amend, modify,  
15 ignore, or add to the provisions of the agreement. They shall consider and decide only the  
16 particular issue involved in the grievance presented.

17 The award of the arbitrator shall be final and binding on the County, the Union, and the  
18 employee(s) involved, but in no event shall it be retroactive prior to the date the grievance became  
19 known to the grievant. The expenses of arbitration, including the arbitrator's fee, shall be shared  
20 equally by the County and the Union. If either party cancels an Arbitration, that party is responsible  
21 for all costs associated with the cancellation. Costs associated with cancelling/postponing because  
22 of "Acts of God", i.e., storms, declared emergencies, etc. will be borne equally by both parties.

23 Section 11-4. Time Limits. No grievance shall be entertained or processed unless it is  
24 commenced in Step 1 within ten (10) calendar days after the occurrence of the event giving rise to  
25 the grievance or within ten (10) calendar days after the event became known or should have  
26 become known to the employee(s). If an employee desires to speak with management about a  
27 matter (except discharge) which would otherwise be grievable, they may do so in which event the  
28 employee will have four (4) calendar days in which to speak with management and the time limits  
29 for filing a grievance will commence on the fifth day. If a grievance is not appealed within the

1 time limits for appeal set forth above, it shall be deemed settled on the basis of the last answer of  
2 the County, or if no answer has been made it shall be deemed denied. The time limits may be  
3 extended by mutual agreement of the parties.

4 Nothing herein shall limit the County and Union from mutually agreeing to waive any and  
5 all steps in the grievance procedure in order to expedite the processing of a grievance.

6 Section 11-5. Performance Review Grievance. Non-probationary employees who receive  
7 an "unacceptable" or "below expectations" performance review rating may file a grievance  
8 concerning that performance review as provided for in this Article, and if the grievance is presented  
9 to an arbitrator, the standard for review shall be whether the "unacceptable" or "below  
10 expectations" performance review is arbitrary, capricious, and unjust. If the arbitrator rules that it  
11 is arbitrary, capricious and unjust, then it shall be removed from the employee's file. If the  
12 arbitrator rules that it is not arbitrary, capricious and unjust, the "unacceptable" or "below  
13 expectations" performance review shall stand.

14 Section 11-6. Untimely Performance Reviews.

15 A. Issues regarding timeliness in the completion of performance reviews shall be resolved  
16 exclusively as follows:

- 17 1. LEVEL 1. If a performance review is not completed on time, the employee may  
18 request a review of the circumstances by the department director.
- 19 2. LEVEL 2. If the situation is not resolved within fourteen (14) calendar days of  
20 the initiation of LEVEL 1, the employee may present a written appeal to the County  
21 Manager.
- 22 3. LEVEL 3. In the case of annual performance reviews, if the employee is not  
23 satisfied with the resolution at LEVEL 2, they may file a written grievance at Step  
24 3 under section 1 of this Article within seven (7) calendar days of the notice of  
25 resolution at LEVEL 2.

26 B. If the employee feels that performance review factors in the current review instrument do  
27 not accurately reflect the duties assigned to their position, they may request a copy of the  
28 performance review form and reexamination of the performance review instrument by the Director

1 of Human Resources. Such request must be made prior to the completion of the performance  
2 review.

2 Hours of Work

3 Section 12-1. Workday; Workweek. Some employees may be assigned to a normal  
4 workday of twenty-four (24) hours with an average normal workweek of forty-eight (48) hours.  
5 The County may assign forty (40) hour workweek employees any combination of workday hours  
6 in a workweek in order to ensure full coverage for county operations. All employees will be made  
7 aware of their weekly work schedules at least two (2) weeks in advance, unless there is an  
8 emergency or extenuating circumstance that do not allow for the advance notice.

9 Section 12-2. Additional Shift Assignment. In the event an employee in the District Chief  
10 classification has worked Additional Hours to fill a District Chief vacancy (no minimum hours) or  
11 is assigned to act as a District Chief in charge of a special event (no minimum hours), they will be  
12 paid additional hours at the employee's current hourly rate for the number of hours worked. Any  
13 hours that a District Chief works while waiting for relief will be paid as Additional Hours. These  
14 hours do not include completing any shift assignment once the District Chief is relieved. When  
15 position vacancies occur, the department will fill the positions by utilizing the out-of-class list.  
16 Employees who meet all of the minimum qualifications required to test for the District Chief  
17 position will be used first. To be eligible to fill the vacant position, employee must have  
18 demonstrated competency in that higher classification through evaluation exercises administered  
19 by the Department training staff. If employees are scheduled to work out-of-class and someone  
20 calls in for leave after 0800 hours for the next day, employees shall stay as they are scheduled and  
21 the vacant position will be filled in the lower classification. If sufficient staffing is not available,  
22 the District Chief with the fewest additional hours will be offered the additional hours first. In the  
23 event two (2) or more District Chiefs have the same number of additional hours, the assignment  
24 will be offered in seniority order. As employees accept additional hours, the hours will be added  
25 to their buckets. All buckets will be reset each January 1. If no forty-eight (48) hour District Chief  
26 accepts the offer of additional shift assignment, the 40-hour District Chief will be offered the  
27 assignment. In the event no District Chief accepts the offer of an additional shift assignment,  
28 offers will be made to overtime out-of-class assignment to an eligible employee on the affected  
29 shift in the General IAFF Bargaining Unit. All prescheduled District Chief vacancies will be filled  
30 a minimum of forty-eight (48) hours in advance.

1           If no General IAFF Bargaining Unit employee is assigned or the assignment results in  
2 mandatory overtime in the Lieutenant classification, then a District Chief will be mandated to  
3 work. Mandated assignments will be made on a rotating basis, based on the number of mandatory  
4 counts in their mandatory bucket. The District Chief with the fewest counts will be mandated to  
5 work. In the event two (2) or more District Chiefs have the same number of counts, the assignment  
6 will be given to the least senior District Chief. In an effort to achieve an equitable distribution of  
7 all Additional Hours opportunities the Department will utilize Telestaff to offer additional  
8 assignments and maintain the Department's schedule.

9           Management unit employees may alleviate mandatory overtime assignments in the  
10 Lieutenant position, Rescue Lieutenant position, EMS Attendant and/or special event positions as  
11 long as the employee has previously held the position or successfully completed the out of class  
12 course.

13           Section 12-3. Other Assignment. In the event an employee in the District Chief  
14 classification is assigned by the Fire Chief or designee to attend meetings, trainings sessions, work  
15 on special projects or any other work activities of at least one (1) hour in addition to their regular  
16 shift, the employee will be paid at their current hourly rate, for the number of hours worked. Any  
17 additional hours attributed to special assignments or projects shall be counted as incidental  
18 additional hours.

19           Section 12-4. Trade Time Policy. Upon prior approval of the Fire Chief or their designee,  
20 an employee may agree with another employee of the same classification (District Chief) to work  
21 in place of said employee during their regularly scheduled work assignment, subject to the  
22 following restrictions.

- 23           (a) No employee shall be permitted to have another employee substitute for them in  
24 excess of four (4) consecutive shifts (i.e. consecutive "A" Shifts).
- 25           (b) Trade-time will be approved only for permanent, full-time employees of the  
26 Fire/Rescue Department.
- 27           (c) The County shall compensate the employee regularly scheduled to work in the  
28 amount they would have earned had they worked, and in no manner be liable for

any wages for the hours worked by the substitute employee (i.e. out of class will be paid the employee normally assigned).

(d) Trade-time request forms will be signed by both parties of the trade and submitted to the appropriate District Chief in charge of scheduling, and time prior to the effective time of the trade.

(e) Traded time will be repaid within twelve (12) months.

(f) An employee substituting for another employee shall not be eligible to use annual leave.

(g) An employee substituting for another employee shall be eligible to use earned sick leave. Such sick leave usage shall be assessed as a correction to payroll at the end of the pay period in which it occurred.

(h) An employee who fails to report to duty on an approved trade-time shall be assessed the hours from their annual hours as a correction to payroll at the end of the pay period in which it occurred, and the employee will receive Group I disciplinary action for the first offense and loss of Trade-Time privileges for a period of one (1) year from the date of the infraction. Additionally, the employees shall be obligated to pay back all time owed another employee through approved trade time.

Section 12-5. Flex Time Policy. Forty (40) hour employees may utilize a flex schedule due to extended work obligations including, but not limited to, training, assessments, planning, etc. The Fire Chief or designee (employee supervisor) may authorize the use of a flex schedule. Salaried employees must flex their work hours within the bi-weekly pay period. Hourly employees must flex their work hours within the pay week.

Section 12-6. Kelly Day. Effective on or before October 1, 2024, employees in the District Chief classification who are certified firefighters shall work an average work week of forty-eight (48) hours (“forty-eight hour employees” or “48 hour” employees), with twenty-four (24) hours on duty and forty-eight (48) hours off duty, with an additional shift off (a “Kelly Day”) every seventh shift. The parties agree that while Kelly Days may not be implemented until Fiscal

Year 2025, throughout this Agreement, these employees are referred to as forty-eight hour or 48 hour employees regardless of hours worked in Fiscal Year 2024.

Section 12-7. Kelly Day Implementation. The Department and Union recognize the extraordinary complexities in implementing a Kelly Day, therefore both parties agree that any unforeseen complications will immediately be brought to the attention of the parties involved. As part of the implementation, both parties also agree to the following:

- All members of the bargaining unit will be paid out any remaining compensatory time at their hourly rate as of September 30, 2023. The compensatory time check will be issued following the BoCC's ratification of this Agreement.
- Effective upon implementation of Kelly Day, all Annual and Sick leave balances shall be converted to a forty-eight (48) hour balance rate at a factor of .8575. For example, an employee who had one hundred twenty (120) hours accrued at a fifty-six (56) hour rate will convert to one hundred- and two-point nine (102.9) hours at a forty-eight (48) hour rate.

Section 12-8. Kelly Day Selection. Kelly Days will be selected before the selection of annual bid leave. For all employees, the selection of Kelly Days shall be determined by shift, based on seniority as defined in Article 7 of the current Collective Bargaining Agreement. The following method will be utilized in the Kelly Day selections process. Only one District Chief will be allowed off on Kelly Day per shift.

Exchange of Kelly Days will follow the same procedure as outlined in Section 12.4 Trade Time Policy.

The Kelly Day will remain in effect for the remainder of the annual Kelly Day cycle provided the employee remains in that classification.

1        On an emergency basis, and in the discretion of the Fire Chief, all personnel shall be available  
2    for call back. In the event of a major emergency (i.e., earthquake, tropical storm, hurricane, or civil  
3    emergency) personnel who are required to work on a scheduled Kelly Day shall be paid additional  
4    hours. Other than a major emergency personnel shall not be subject to mandatory assignments on  
5    a scheduled Kelly Day.

4 bulletin boards on which the Union may post, from time to time, notices to provide information or

4 2023, the step plan in Addendum I to this Agreement (hereinafter “Step Plan”) is implemented for  
5 members in this bargaining unit in the District Chief and Captain classifications as further  
6 described in this Article 14 and Addendum I. Current members in these classifications as of the  
7 date of ratification shall be placed on the Step Plan as described in Addendum II and receive the  
8 corresponding flat dollar amount as their annual wage.

9 For the first pay period in fiscal year 2025, each current non-probationary employee shall advance  
10 one step in the Step Plan. Employees who promote either into this bargaining unit, or promote  
11 within the bargaining unit after the implementation of the Step Plan will be placed in step one of  
12 the Step Plan for their new classification regardless of their salary at the time of promotion. For  
13 employees whose annual salary exceeds the top range of the Step Plan, either at the implementation  
14 of the Step Plan, or in subsequent years, shall receive a longevity payment in lieu of placement or  
15 progression on the Step Plan (the “Longevity Payment”) as shown on Addendum I. This  
16 Longevity Payment shall be paid in three lump sum payments on the following schedule: First

2 Waiver of Bargaining

3 Section 18-1. The Union acknowledges that it had an opportunity during the negotiations  
4 which led to this Agreement, to bargain over any and all subjects not removed by law from the  
5 scope of bargaining. This Agreement constitutes the complete and entire understanding of both  
6 parties concerning all matters which were subject to negotiations, and also concerning those  
7 matters which were not discussed in negotiations, it being understood that the Union has achieved  
8 only those benefits which are expressly set forth in this Agreement. During the term of this  
9 Agreement, the Union waives any right to further bargaining concerning any matter over which it  
10 might have the right to bargain with the County, except with regard to any changes which the  
11 County should desire to make which have the effect of altering wages, benefits, or terms and  
12 conditions of employment not embodied in this Agreement. In the event any such changes are  
13 made by the County, it is agreed that they may be made unilaterally and at the time desired by the  
14 County, however, the Union shall have the right, upon request, to bargain over the impact which  
15 such changes have wrought upon this Agreement, if any, and to secure a written amendment to  
16 this Agreement if such bargaining produces an agreement.

Article 19

DRUG FREE WORKPLACE AND DRUG TESTING POLICY

The County and the Union agree that drug abuse is a significant public health problem in our society. Drug abuse in the workplace negatively affects individual job performance and undermines the public's confidence in Alachua County and the services we provide.

Both parties to this agreement acknowledge the importance of establishing and maintaining a drug free workplace; and complying with all federal, state, and local regulations related to drug use, including the Federal Drug Free Workplace Act of 1988 and the State Comprehensive Economic Development Act of 1990.

As used herein, "drug abuse" includes the use of illicit substances or misuse of controlled substances, alcohol, or other psychoactive drugs. This includes the use of marijuana acquired with a marijuana identification card and CBD products that contain enough THC to elicit a positive drug test.

Section 1. Policy Statement. The manufacture, use, possession or distribution of illicit or controlled substances on the job is strictly prohibited. Employees are required to report to work in a fit condition for duty. Being under the influence of alcohol or illicit drugs, and being under the influence of legal drugs to the extent that normal faculties are impaired, is strictly prohibited. Employees who use or distribute drugs on the job are subject to disciplinary action, including dismissal. Any confiscated drugs will be turned over to local law enforcement officials. If an employee is under medical treatment with a drug that could alter his/her ability to do the job, they are required to report this drug use immediately to his/her supervisor.

Drug abuse and alcoholism are recognized as illnesses or disorders, and the County accepts responsibility for providing channels of help. However, it is the employee's responsibility to seek such help. If an employee seeks help on a voluntary basis, then confidentiality will be protected. But, if the employee does not seek help and a work performance or work conduct problem comes to the attention of the County, then disciplinary action will result. Any employee who refuses to submit to a test for drugs or alcohol pursuant to this policy, shall be presumed, in the absence of clear and convincing evidence to the contrary, to be under the influence and will forfeit his/her eligibility for all worker's compensation medical and indemnity benefits and will be disciplined,

up to and including termination. The County does not permit the use of marijuana acquired through a medical marijuana certificate as allowed in Section 381.986(15.a.) Florida Statutes. Medical marijuana use will be treated as an illicit substance and is subject to this Article. Over-the-counter THC products and CBD products are not regulated and may contain enough THC to result in a positive drug test.

Section 2. Notice. The drug testing provisions of this policy become effective ninety (90) days following ratification of this Article. All other provisions are effective with the ratification of this Article.

The County will provide a one-time written notice to all employees as required by Section 440.102(3), Florida Statutes. The notice will be provided to all potential employees prior to any pre-employment drug testing. Copies of this notice will be placed on all employee bulletin boards and a general statement that the County will test all job applicants will be included on vacancy announcements.

Section 3. Confidentiality. The provisions of Section 440.102(8), Florida Statutes, shall govern the release of any information, interviews, reports, statements, memoranda and drug testing results received by the County through this drug testing program.

Section 4. Types of Testing. The County will conduct the following types of drug testing:

- (a) Pre-employment - Any final candidate for a position within Alachua County shall be required to take a drug urinalysis and/or blood test prior to initial employment. Any applicant whose test results indicate present alcohol or drug abuse will not be hired.
- (b) Position Change - Any current employee who is the final candidate for a posted position, whether internal or external, shall be required to take a drug urinalysis and alcohol test prior to the final offer for the new position being extended. Any employee applicant who's confirmed test results indicate present alcohol or drug abuse will not be hired into the new position, and is subject to all other provisions of this policy.

1 (c) Scheduled physical examination - Any employee who undergoes a full physical  
2 examination in accordance with Article XIV shall also be tested for drug and/or  
3 alcohol use as part of that examination.

4 (d) Reasonable suspicion - Drug testing based on a belief that an employee is using or  
5 has used drugs in violation of this policy drawn from specific objective and  
6 articulable facts and reasonable inferences drawn from those facts in light of  
7 experience. Approval for such testing shall be authorized only by the Personnel  
8 Director. Among other things, such facts and inferences may be based upon;

9 (1) Observable documented phenomena while at work, such as direct  
10 observation of drug or alcohol use or of the physical symptoms or  
11 manifestations of being under the influence of a drug or alcohol.

12 (2) Abnormal conduct or erratic behavior while at work or a significant  
13 deterioration in work performance.

14 (3) A report of drug or alcohol use, provided by a reliable and credible source.

15 (4) Evidence that an individual has tampered with a drug or alcohol test during  
16 his/her employment with the current employer.

17 (5) Information that an employee has caused, contributed to, or been involved  
18 in an accident while at work.

19 (6) Evidence that an employee has used, possessed, sold solicited, or  
20 transferred drugs while working or while on County premises or while  
21 operating County vehicles, machinery or equipment.

22 If testing is conducted based on reasonable suspicion, the County will immediately  
23 document the circumstances which formed the basis of the determination that reasonable  
24 suspicion existed to warrant the testing. A copy of this documentation shall be kept  
25 confidential by the County pursuant to this policy and shall be retained for at least one (1)  
26 year.

27 (e) Follow-up - If an employee, in the course of employment, has a confirmed positive  
28 drug or alcohol test and subsequently accesses the Employer Assistance Program

1 for drug related problems or enters an alcohol and drug rehabilitation program, the  
2 County will require the employee to submit to a drug and/or alcohol test upon  
3 completion of such program as a follow-up to such program, and on a quarterly,  
4 semiannual or annual basis, at the County's option, for two (2) years thereafter. If  
5 an employee tests positive within eighteen (18) months of completing the two (2)  
6 year random follow-up testing for a prior positive drug test, the employee will be  
7 considered to have failed a second test, and will be subject to disciplinary action in  
8 accordance with this policy. The County will transport the employee to the testing  
9 facility. Follow up testing will be conducted in conjunction with either the  
10 beginning or end of the employee's shift.

11 (f) Transportation Employees - All employees who are required to hold a commercial  
12 driver's license (CDL) and operate a commercial motor vehicle as a condition of  
13 employment will be tested for drugs and alcohol in accordance with the Omnibus  
14 Transportation Employee Testing Act of 1991 and federal rules as follows:

15 (1) Pre-employment - Final candidates for or employees who transfer, promote  
16 or demote to a covered position will be tested for both alcohol and drugs  
17 prior to the effective date of the transfer, promotion or demotion.

18 (2) Post-accident - A covered driver will be tested following an accident when  
19 any person involved in the accident has been fatally injured or the driver  
20 receives a citation for a moving traffic violation arising from operating the  
21 commercial motor vehicle. Additionally, any driver involved in an accident  
22 will be subject to testing under Reasonable Suspicion, section 4.d.

23 (3) Reasonable Suspicion - Same as for other employees.

24 (4) Random - Employees will be tested for alcohol and drugs on a random  
25 unannounced basis just before, during or just after operating a commercial  
26 motor vehicle. Not less than twenty-five percent (25%) of the total number  
27 of employees in covered positions will be tested for alcohol in the first year  
28 and fifty percent (50%) for drugs the first year. The number to be tested in  
29 subsequent years will conform with federal rules. Each driver shall be

1 chosen using a scientifically valid random method and shall have an equal  
2 chance each time selections are made.

3 (5) A confirmed blood alcohol level of .02%, but less than .04% will require  
4 that the employee be removed from performing all duties requiring a CDL  
5 for a minimum of eight (8) hours, or until a re-test shows the employee's  
6 blood alcohol content has dropped below .02%. If an employee has a  
7 confirmed blood alcohol level of .04% or greater, the employee may not  
8 return to a function requiring a CDL until, at a minimum:

9 (1) the employee undergoes an evaluation, and where necessary,  
10 treatment; and

11 (2) a Substance Abuse Professional (SAP) determines that the employee  
12 has successfully complied with any recommended treatment; and

13 (3) the employee's blood alcohol content is less than .02% on a return-  
14 to-duty test.

15 (6) Follow-up - Same as for other employees except that at least six (6) tests  
16 will be conducted in the first twelve (12) months after an employee returns  
17 to duty.

18 All testing under section (f) shall comply with the provisions of the Omnibus Act and  
19 federally adopted rules.

6 test, or an equivalent or more accurate scientifically alcohol will be confirmed using

16 reinstated to the same or equivalent position that was held prior to such rehabilitation.

17 The County will not discharge, discipline or discriminate against an employee solely on  
18 the basis of any prior medical history revealed to the County pursuant to this policy.

19 The County will not dismiss, discipline or discriminate against an employee solely upon  
20 the basis of an employee voluntarily seeking treatment for an alcohol or drug problem. However,  
21 appropriate disciplinary action will be taken if the employee has previously tested positive for a  
22 drug and/or alcohol use, and has sought treatment through the EAP or entered a drug and/or alcohol  
23 rehabilitation program for drug related problems while in the County's employ.

24 Section 8. Violations and Continued Employment. Employees who violate this Drug Free  
25 Workplace Policy with a first time positive confirmed drug and/or alcohol test will be referred to  
26 the County EAP or other community alcohol and drug rehabilitation programs as appropriate.  
27 However, use of the EAP or other rehabilitation resources will not prevent the County from taking  
28 appropriate disciplinary action for violations of other County policies. Employees referred to the

1 EAP or other rehabilitation program as a result of a first violation will be allowed to continue  
2 employment with the County provided that:

- 3 (1) They contact EAP or other rehabilitation resource and strictly adhere to all terms  
4 of treatment and counseling prescribed; and
- 5 (2) They immediately cease any and all abuse of alcohol or drugs; and
- 6 (3) They consent in writing to periodic unannounced testing in accordance with Section  
7 4(e) of this Article for a period of up to two (2) years after returning to work or  
8 completion of any rehabilitation program, whichever is later. If the employee  
9 separates employment prior to completing the mandatory two (2) year random  
10 follow up testing, they will be required to complete that testing if re-hired by the  
11 County.
- 12 (4) They pass all drug tests administered under this program.
- 13 (5) They execute and abide by an agreement describing the above stated conditions.

14 Section 9. Employees Working Under Federal Grants. Employees working under Federal  
15 grants must notify management as a condition of employment, in writing, within five calendar  
16 days, if they are convicted of violating a criminal drug statute. Employees who are convicted of  
17 violating a criminal drug statute will be subject to disciplinary action up to and including  
18 termination, or will be required to satisfactorily participate in a federal, state, local or law  
19 enforcement approved drug abuse assistance or rehabilitation program. The County will notify the  
20 Federal agency in writing, within 10 calendar days, if any employee working under a Federal Grant  
21 is convicted of violating a criminal drug statute.

22 Failure to meet any of the above conditions, or a second confirmed positive drug test will  
23 result in dismissal from employment.
