Interests & Experiences
Are you currently serving or have you ever served on an Alachua County advisory board?
⊙ Yes ⊜ No
If yes, please list board(s):
Historical Commission
Please list any civic and professional accomplishments/honors, training or experience related to this appointment:
In my role with the Matheson History Museum, I have spent the past several years getting to know our community. My favorite part of my role as Executive Director has been that I get to learn something new almost every day. I learn from speaking with our visitors, attending our programs, facilitating research appointments, meeting with our community partners, and conducting exhibit research. These interactions and experiences have given me a strong knowledge of Gainesville and Alachua County as well as a network of professional and community contacts that I can draw on as needed.
What Contributions do you feel you could make if you were selected to this board?
I have been with the Matheson History Museum for seven years. During this time I have gained a strong knowledge of historical resources available in our area and the people working in the field who can be of assistance for questions I do not know the answer to. Our mission at the Matheson is to preserve and interpret the history of Gainesville, Alachua County, and the surrounding regions, which ties in perfectly with the mission of the Historical Commission to promote, preserve and protect Alachua County's historic resources. If reappointed to the commission, I would be able to share the knowledge I have gained through my professional experience and work with other members for continued stewardship of our county's rich past.
