\* Green Shading Reflects Changes Made by Public Works Director

\*\* If Less Than 15 Work Orders (1 Work Order May Include Several Potholes Along Roadway), Selected by Program Due to Other Factors

The Board of County Commissioners had voted on \$750,000 per year to be allocated towards Residential Roadways within Areas of Inequity (\$7.5 Million over 10-Years).

As authorized by the Board, Residential Roadways were grouped by subdivision and, upon analysis, it was determined that some roadways within the subdivisions were not being included in the program.

The Public Works Director has included such roadways in the program; thus, exceeding the amount designated towards residential Roadways within Areas of Inequity by \$434,519.63 over 10-years.
