**Background:**

The five rural collection centers, the NW Landfill, and the SW Landfill require regular lawn maintenance services. Regular lawn maintenance at the landfill sites helps with permit compliance and maintaining access to the monitoring wells, at the rural collection centers it improves the customer experience and reduces vermin and snake activity. The County's permits through the Florida Department of Environmental Protection require that the vegetative height not exceed 18" at the landfills.

ITB 24-34 Annual Lawn Maintenance NW and SW Landfills and Rural Collection Centers was released March 1, 2023. The deadline for receipt of ITB 24-34 Annual Lawn Maintenance NW and SW Landfills and Rural Collection Centers was May 3, 2023; one (1) vendor responded.
