Emergency Circumstances (Type In Your information for Printing): Due to Alachua County Fire Rescue taking over service of Micanopy territory there is a critical need for a reliable water tanker. Micanopy's current truck does not meet the water carrying or pumping standards of Alachua County. Manufacturers have advised current build and delivery time is between 24 to 36 months. Ten-8 Fire Equipment will have a 2024 Pierce Freightliner 3000-gallon water tanker available in approximately five to six months that meets all specifications of our current fleet.

Recommended Action (Type In Your information and Print): Approve the issuance of emergency purchase order 2023-2018 in the amount of \$376,800.42 to Ten-8 Fire Equipment.
