3. **Term.** This Agreement is effective upon execution by both Parties ("effective date") and continues until September 30, 2024, unless earlier terminated as provided herein. This Agreement may be amended at the option of the County for two additional two-year term(s) at the same terms and conditions outlined herein. The Contractor may choose not to renew this Agreement provided the County has written notice ninety (90) days prior to the County's fiscal year starting in October 1st for each term renewal.
4. **Qualifications.** By executing this Agreement, Contractor makes the following representations to County:
  - A. Contractor is qualified to provide the Services and will maintain all certifications, permits and licenses necessary to provide the Services during the term of this Agreement.
  - B. Contractor will assure that all personnel who perform the Services, or perform any part of the Services, are competent, reliable, and experienced to perform their assigned task properly and satisfactory. Contractor will perform the Services with the skill and care which would be exercised by a qualified contractor performing similar services at the time and place such services are performed. If failure to meet these standards results in a deficiency in the Services or the related tasks or designs, Contractor will, at his/her/its own cost and expense, re-do the Services to correct the deficiency, and shall be responsible for any and all consequential damages arising from the deficiency.
  - C. Contractor is familiar with the Services and the conditions of the site, location, project, and specifics of the Services to be provided, designed or constructed.
  - D. Contractor will coordinate, cooperate, and work with any other contractors, professionals, and consultants retained by the County. The Parties acknowledge that there is nothing in this

Agreement that precludes County from retaining services of other contractors, professionals, and consultants for similar or same Services or from independently performing the Services provided under this Agreement on its own.

5. **Payment.**

- A. The County will pay Contractor for timely and completed Services as described in this Agreement. The Parties agree that the amount to be paid to Contractor for the Services will not exceed One Hundred Thirty Three Thousand Dollars (\$133,000.00) **annually** ("NTE amount"). Contractor's invoice must describe the Service rendered, the date performed [*and time expended, if billed by hour*], and the person(s) rendering such Services. Contractor's invoice shall be accompanied by documentation or data in support of expenses, as the County may require. The invoice shall additionally reflect the allocations as provided and shall state the percentage of completion as to each such allocation. Each invoice shall constitute the Contractor's representation to the County that the Services indicated have reached the level stated, have served a public purpose, have been properly and timely performed, that the expenses included in the invoice have been reasonably incurred in accordance with this Agreement, that all obligations of Contractor covered by prior invoices have been paid in full, and that the amount requested is currently due and owing. - F. The County's performance and obligation to pay under this Agreement is contingent upon a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Continuation of this Agreement beyond the term or the end of any County fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes; and that the failure of the Board to do so shall not constitute a breach or default of this Agreement.
- G. In the event any part of this Agreement or the Services, is to be funded by Federal, State, or other local agency monies, Contractor hereby agrees to cooperate with the County in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to

11. **Alachua County Minimum Wage.** If, as determined by County, the Services to be performed pursuant to this Agreement are 'Covered Services', as defined under the Alachua County Government Minimum Wage Ordinance ("Wage Ordinance"), then during the term of this Agreement and any renewals, Contractor shall pay its 'Covered Employees', as defined in the Wage Ordinance, no less than the Alachua County Government Minimum Wage ("Minimum Wage"), as may be amended by the County.
