What Contributions do you feel you could make if you were selected to this board?

I have watched Alachua county expand into the wild spaces and as the community continues to grow I want to ensure that these spaces will still be here for my children's children to continue to enjoy. I would love to see more parks and trails provided to those who love nature. I have 5 acres in Alachua county and enjoy the deer, wood peckers and birds that migrate to the area. I am passionate about keeping my property wooded to let these animals survive in peace!
