What Contributions do you feel you could make if you were selected to this board?:

I believe as a member of this community I have been committed to racial, social and environmental justice, diversity, and inclusion. I possess the ability to work collaboratively with other groups with differing perspectives and experiences and produce equitable outcomes. I have advocated for my local historically marginalized community against threats from private industries and government encroachments under the guise of environmental progress. I have experience/expertise in working in county and state governments as well as a solid background in training and instructing.

Please Agree with the following statements:
