PROFESSIONAL PROFILE

As an accomplished management professional with a diverse background in both Thailand and the US, I have over ten years of experience in effectively managing teams in various settings. I have spent fourteen years at UF Health Shands and ten years as a community education instructor for Santa Fe College, gaining valuable experience in working with diverse groups of people. My expertise lies in building and maintaining strong relationships with patients, students, colleagues, and everyone in the community as well as driving success through effective leadership.

PROFESSIONAL EXPERIENCE

UFHEALTH INFORMATION PROJECT COORDINATOR || April 2019 – Present

- Assist the Technical Services IT Director with department projects.
- Providing information, collaborating/communicating with ten managers and their team members as well as multiple other coordinators across UF Health. For example, assisting with badge tap and zebra projects.
- Assisting to complete team goals such as running CAB (Change Control) meetings, monitoring SystemPulse for BCA-PC alerting and inform team members who are involved.
- Tracking expenses, budgeting, POs, and process department purchasing card.
- Edits documentations as needed using Adobe Acrobat and Visio.
- Coordinating office supplies purchasing for the department and team members.
- Product price comparisons.
- Process employee evaluation surveys using Quatrics and Survey Monkey.
- Tracking employees' PTO and OT as needed using Kronos timecard.
- Assisting in interviewing candidates for employment and working with auditors as required.

SANTA FE COLLEGE COMMUNITY EDUCATION INSTRUCTOR || July 2013 – Present

- Develop Community Courses to improve people's lives in the Gainesville community.
- Teach, lead, and advise diverse groups of people in community and mindfulness education.
