Background:

Alachua County and the City of Gainesville entered into an Interlocal Agreement in the year 2000 regarding parking spaces at the downtown parking garage located next to the then to be constructed Judicial Complex. A First Amendment and a Second Amendment to the original Agreement was entered. The Judicial Complex and parking garage have now been constructed and it has been requested that a new agreement be entered between the County and the City. The proposed new Interlocal Agreement removes the reservation on the second and third floors for exclusive County use, but continues the allocation of 225 spaces in the parking garage for jurors or other users of the Judicial Complex, County employees, County officials, and attendees to County meetings in any available, unmarked spaces. It also requires the County to manage the allocated 225 spaces.
