**WITNESSETH:**

**WHEREAS**, the County publicly issued a Request for Proposal (RFP 24-37) seeking qualified professionals to provide Engineering Services for Civil, Structural, Mechanical, Electrical, Plumbing, and Life Safety for projects less than \$4,000,000.00; and

**WHEREAS**, after evaluating and considering all timely responses to the solicitation, the County identified Professional as one of the top ranked entities in the solicitation process; and

**WHEREAS**, the County followed the requirements of F.S. 287.055, Consultants’ Competitive Negotiation Act (CCNA) and desires now to enter into this continuing contract for professional services; and

**WHEREAS**, the Professional is willing to provide certain services to the County; and

**WHEREAS**, the County desires to engage Professional to provide the services described herein.

**NOW, THEREFORE**, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt of which is acknowledged, the County and Professional agree as follows:

1. **Recitals**. The foregoing recitals are incorporated herein.
2. **Scope**. In accordance with the terms and conditions of this Agreement, Professional agrees to provide Annual Engineering Services for Civil, Structural, Mechanical, Electrical, Plumbing and Life Safety Projects in which the estimated construction costs of each individual project will be less than \$4,000,000.00, as more particularly described in the Scope of Services attached hereto as **Exhibit “1”** and incorporated herein (“Services”) for and as needed by the County. The Professional acknowledges that time is of the essence completing the Services. It is understood that the Services may be modified, but to be effective and binding, any such modification must be in writing executed by both the Parties.
3. **Term**. This Agreement is effective on the day the last Party signs it and continues until September 30, 2024, unless earlier terminated as provided herein. This Agreement may be renewed at the option of the County for two additional two year term(s).
4. **Qualifications**. By executing this Agreement, Professional makes the following representations to County:
  - A. Professional is qualified to provide the Services and will maintain all certifications, permits and licenses necessary to act as a professional and to provide the Services

during the term of this Agreement.

- B. Professional will perform the Services with the skill and care which would be exercised by a qualified professional performing similar services at the time and place such Services are performed. If failure to meet these standards results in a deficiency in the Services or the related tasks or designs, Professional will, at his/her own cost and expense, re-do the Services to correct the deficiency, and Professional shall be responsible for any and all consequential damages to the County arising from the deficiency.
- C. Professional is familiar with the Services and the conditions of the site, location, project, and specifics of the Services to be provided, designed, or constructed.
- D. Professional will coordinate, cooperate, and work with any other consultants and contractors retained by the County. The Parties acknowledge that there is nothing in this Agreement that precludes County from retaining other professionals for similar or same Services or from independently performing the Services provided under this Agreement on its own.

5. **Authorization for Services.** Authorization for performance of the Services for the County by Professional under this Agreement will be in the form of written Work Orders issued and executed by authorized County and signed by Professional. Each Work Order will describe the Services required, state the dates for commencement and completion of the Services, and state the amount and method of payment based upon the Payment Schedule, attached hereto. Work Orders will be issued under and shall incorporate the terms of this Agreement. Whenever the terms of this Agreement conflict with any Work Order issued pursuant to it, the terms of this Agreement shall prevail. Changes to existing Work Orders will be authorized by a Work Order Change Order. The County makes no covenant or promise as to the amount or number of Services, work or projects to be requested of the Professional under this Agreement, or that the Professional will perform any project for the County during the term of this Agreement. The County Manager or his/her designee is authorized to initiate and sign Work Orders and Work Order Change Orders on behalf of the County.

6. **Payment.**

- A. The County will pay and Professional will accept, for the timely and complete performance of the Services authorized to be performed for the County, as described in this Agreement, payment based on the rates or pricing contained in the Payment Schedule attached hereto as **Exhibit "2"** and incorporated herein by this reference. The Parties agree that the amount to be paid to Professional for the Services required will not exceed the sum of **\$ 2,000,000.00** annually.
- B. As a condition precedent for any payment, Professional must submit monthly invoices to the County requesting payment for Services properly rendered and expenses due, unless otherwise agreed in writing by the County. Professional's invoice must describe the Services rendered, the date performed [*and the time expended, if billed by hour*], and the person(s) rendering such Services. Professional's invoice shall be accompanied by documentation or data in support of expenses, as the County may require. The invoice shall reflect the allocations as provided and shall state the percentage of completion as to each such allocation. Each invoice shall constitute the Professional's representation to the County that the Services listed have reached the level stated, have served a public purpose, have been properly and timely performed, that the expenses included in the invoice have been reasonably incurred in accordance with this

Agreement, that all obligations of Professional covered by prior invoices have been paid in full, and that the amount requested is currently due and owing. Submission of the Professional's invoice for final payment shall further constitute the Professional's representation to the County that, upon receipt by the Professional of the amount invoiced, all obligations of the Professional to others, including its consultants and subcontractors, will be paid in full. Professional shall submit invoices to the County at the following address, unless otherwise directed by the County:

Facilities Management Department  
915 SE 5<sup>th</sup> Street  
Gainesville, FL 32601  
Facfiscal@alachuacounty.us

- D. The County will make payment to Professional for amounts properly invoiced, as set out below, and in accordance with the provisions of the Florida Prompt Payment Act, Chapter 218, Part VII, Florida Statutes.
- E. Pursuant to FS §287.055(5), as may be applicable, Professional by execution of this Agreement certifies, covenants, and warrants that the wage rates and other factual unit costs supporting the compensation stated in the Payment Schedule attached hereto and for these Services, are accurate, complete and current at this time of this contracting. Professional further agrees that the contract price and any additions thereto will be adjusted to exclude any significant sums by which the County determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such agreement adjustments must be made within 1 year following the end of the contract. For purposes of this Agreement, the end of the contract shall be the date of final billing or the acceptance of Services for a project by the County, whichever is later.
- F. If the County has reasonable cause to suspect that any representations of Professional relating to payment are inaccurate, the County may withhold payment of sums then or in the future otherwise due to Professional until the inaccuracy, and the cause thereof, is corrected to the County Manager's or his/her designee's reasonable satisfaction.
- G. The County's performance and obligation to pay under this Agreement is contingent upon a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Continuation of this Agreement beyond the term or the end of any County fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes; and that the failure of the Board to do so shall not constitute a breach or default of this Agreement.
- H. In the event any part of this Agreement or the Services, is to be funded by Federal, State, or other local agency monies, Professional agrees to cooperate with County in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to the Services and as specifically required by the granting agency, and receiving no payment until all required forms are completed and submitted.

7. **Insurance.** Professional will procure and maintain insurance throughout the entire term of this Agreement, including any renewals, of the types and in the minimum amounts detailed in

**Exhibit “3”** attached hereto and incorporated herein. A copy of a current Certificate of Insurance (COI) showing coverage of the type and in the amounts required is attached hereto as **Exhibit “3-A”**.

8. **County Property.** Professional agrees to promptly, without delay, notify the County either in phone, email, or orally of any hazardous, dangerous, unsafe, or destructive conditions, trespassers, vandalism or damages that the Professional or its employees or agents notices or is made aware of on County property, including inside any County owned or used facility. Professional shall be responsible for initiating, erecting, and maintaining safety precautions, programs and materials in connection with the Services on County Property, including any industry, federal, state or local standards and requirements. Should an employee or agent of the Professional suffer injury or damage to its/his/her person or property, the Professional shall notify the County within a reasonable time of the occurrence.

9. **Deliverables.** All project deliverables and documents are the sole property of County and may be used by County for any purpose. Any and all deliverables required by this Agreement to be prepared by Professional, such as but not limited to plans and specifications, will be done in such a manner that they shall be accurate, coordinated and adequate for the purposes intended. Professional represents that the deliverables prepared under this Agreement will meet the requirements of all applicable federal, state and local codes, laws, rules and regulations. The County’s review of the deliverables in no way diminishes the Professional’s representations pertaining to the deliverables.

10. **Permits.** Professional will obtain, maintain, and pay for all necessary permits, permit application fees, licenses or any fees required for performing the Services.

11. **Personnel.** Professional will assure that all Professional’s personnel who perform the Services, or perform any part of the Services, are competent, reliable and experienced to perform their assigned task timely and satisfactory. Barring illness, accident and other unforeseeable events, the Parties anticipate the individuals identified in proposal to RFP 24-37, who are employed or retained by Professional, will perform the Services. In the event such personnel are no longer going to provide the Services or Professional intends to substitute personnel listed in the proposal, Professional will notify the County. Professional will propose to the County a different person with equal or higher qualifications. A modification of the above personnel list does not require an amendment to this Agreement. At the discretion and upon request of the County Manager or his/her designee, Professional will cease having a named employee provide Services to the County under this Agreement. The County reserves the right to terminate this Agreement due to a change in Professional’s personnel during the term of this Agreement.

12. **Alachua County Minimum Wage.** If, as determined by County, the Services to be performed under this this Agreement are ‘Covered Services’, as defined under the Alachua County Government Minimum Wage Ordinance (“Wage Ordinance”), then during the term of this Agreement and any renewals, Professional shall pay its ‘Covered Employees’, as defined in the Wage Ordinance, no less than the Alachua County Government Minimum Wage (“Minimum Wage”), as may be amended by the County. Professional will require the same of its subcontractors and subconsultants who provide the Services. If applicable, Professional will certify this understanding, obligation, and commitment to County through a certification, a copy of which is attached hereto as **Exhibit “4”**. Professional will (a) post a copy of the Minimum Wage Rate in a prominent place of its principal place of business where it is easily seen by Covered Employees;

(b) supply a copy to any Covered Employee upon request; (c) make any person submitting a bid for a subcontract for Covered Services aware of these requirements; and (d) include the necessary provisions in subcontracts to ensure compliance. The County shall not be deemed a necessary, or indispensable, party in any litigation between Professional and subcontractor. At this time of execution of this Agreement, the prevailing Minimum Wage is as follows, which is subject to change during the term of this Agreement, and will be updated, and be applicable, without the necessary of amendment to this Agreement:

\$17.00 per hour with qualifying health benefits amounting to at least \$2.00 per hour	\$19.00 per hour without health benefits
--	--

If applicable to the Services under this Agreement and to Professional, failure to comply with the provisions of the Wage Ordinance will be deemed a breach this Agreement and County is authorized to withhold payment of funds in accordance with Alachua County Code and Chapter 218, Florida Statutes.

13. **Default and Termination.**

- A. **Termination for Default:** The failure of Professional to comply with any provision of this Agreement will place Professional in default. If Professional is in default or fails to perform in accordance with the terms or conditions of this Agreement, the County may provide a written notice of default. The County Manager and his/her designee is authorized to provide notice of default on behalf of County and notice may be sent electronically. If the default is not corrected within 7 days of the notice of default, the County Manager is authorized to provide Professional with written notice of termination of this Agreement on behalf of County. County Manager and his/her designee is authorized to provide notice of termination on behalf of the County. Notice may be electronically given. D. Upon termination of this Agreement based upon the above, the County may obtain the Services from any other sources, firms, and individuals, and may use any method deemed in the County’s best interest. Upon termination, Professional will deliver to County all data, drawings, specifications, reports, estimates, summaries, and other records as may have been accumulated by Professional in performing this Agreement, whether completed or in draft. In the event of termination, Professional’s recovery against County shall be limited to that portion of this Agreement amount earned through the date of termination. Professional shall not be entitled to any other or further recovery against County, including, but not limited to, damages, consequential or special damages, or any anticipated fees or profit on portions of the Services not performed.
