☝️ Hey girlies, I'm here to spill the tea ☕ on why the Alachua County Planning Commission should not approve the request by the Bachelor Buttons LLC Holdings and Industrial Consultants and Management Company and CHW to amend the comprehensive plan! 🚫

First of all, let's talk about priorities. 😞 The commission should be focusing on building affordable housing 🏠 for the people who need it, not catering to the needs of big developers 🏢. It's important to think about the needs of the community as a whole, not just the interests of a few wealthy individuals.

🚫 By approving this amendment, the commission would be sending the message that they value profit over people, which is not the kind of community we want to live in. 🧑 We need to prioritize the well-being of our neighbors and make sure everyone has access to safe, affordable housing. 🏠

So let's say no to this amendment and start working on solutions that benefit everyone, not just the rich and powerful. 💪 Let's build a community where everyone can thrive, regardless of their income or social status. ✨ #AffordableHousingForAll #NoToCorporateGreed #CommunityOverProfit 🏠💪💰
