Session Title: Amplify Your Attitude to Transition How You Listen - Gain Communication with Less \_\_\_\_\_

Brief Description of Proposed Session (2-3 sentences):

Laugh, listen and learn from this interactive presentation. Vincent Phipps presents this dynamic message about our attitudes and communication styles impacting both relationships and revenue. This message is filled with impactful take-a-ways, lighthearted humor, and engaging segments that will leave you motivated about how to adapt when applying elements of conflict resolution, leadership, listening, and emotional intelligence. The best skill in today's professional environment is the communication ability to demonstrate adaptability.
