## **Suggestions & questions to staff on proposed amendments to Alachua County Unified Land Development Code**

At their meetings on September 13, 2023, the Tourist Development Council had the following suggestions and questions\* for staff consideration regarding proposed amendments to the Unified Land Development Code.

### **Suggestions and Questions**

#### **Temporary Use Permits and Temporary Filming Permits**

- Clarify application expectations.
- Explore expanding to allow in all zoning districts.
- What is the threshold/size of event requiring a permit?
- Consider nonprofit or amateur events exempt from permit?
- Set clear BoCC review parameters.
- What is the timeframe for application review for filming? Is there a range?
- What are the allowed timeframes for filming? Overnight allowed?
- Allow drone use for filming standards.
- Are there different conditions based upon zoning districts?
- Consider conditions to mitigate impacts of overnight filming activity in residential zoning districts.
