**Subject:** RE: ISOB Clarification Request

Hi, Gina,

This was for the Assistant Parks Director, Parks Director and two maintenance workers. The Assistant Parks Director and Parks Director were involved in improvements at the Canoe Outpost as well as Catherine Taylor Park. The two maintenance workers have been working down a list of repairs that need to be done at the parks such as replacing playground equipment, fencing, etc. The portion of their salaries from WSPP is 25%. For additional information, we have pulled our Public Works Director and other staff to assist with capital projects. They are being paid fully from general fund not WSPP.

Thank you,  
Ashley
