FSAE Friends and Colleagues,

It was great seeing familiar faces and making new friends at FSAE's 2023 Annual Conference. Not only did we have a blast reliving everyone's first concert, with the exceptional live band at the Gala Reception, we also enjoyed learning alongside you at breakout sessions and keynote speakers.

Thank you to everyone who visited our sponsored Leadership Roundtable Discussion and our trade show booth, as we shared new opportunities to **stretch your meeting and events budget with up to \$10,000 in conference-related reimbursements through the [Meeting Advantage Program \(MAP\)](#).**

Thank you for the opportunity to sponsor the Leadership Roundtable Discussion this year.

It was a fantastic opening session, Service is a Superpower, presented by Louie Gravance.

We enjoyed discovering our musical roots with you at the Conference Gala Reception.

Thanks for reading!

Please contact me anytime with questions about the \$10K Meeting Advantage Program. I'd love to source your RFP and help make your next meeting or conference in Alachua County a breeze to plan and a fun time for your attendees.
