ATTACHMENT V

This Attachment contains the terms and conditions governing the direction and guidance for administration, implementation, and management of **Florida Opioid Allocation and Statewide Response Agreement (Opioid Settlement)** which Alachua County Board of County Commissioners, hereinafter referred to as "Network Service Provider," will administer in Alachua. The terms of this Attachment shall be effective January 1, 2024 and shall continue through June 30, 2024.

Services to be Provided. This scope of work is for the Network Service Provider to develop an overdose response program by partnering with Alachua County Court Services and Alachua County Fire Rescue with a specialized team to connect identified at risk residents to social support, recovery support, and health care services to disrupt opiate addiction. A major focus is to reduce barriers to treatment for affected residents addicted and at risk of an overdose. The Network Service Provider will provide wrap-around services to those at risk of overdose/suicide in a way that reduces the barriers for treatment and increases access to needed care and streams of support. For those struggling with addiction and withdrawal, we will provide case management and connection with resources such as primary care providers, SNAP, housing assistance, and employment assistance. The Florida's Coordinated Opioid Recovery (CORE) Network of Addiction Care Team will provide peer support coaching and development of a peer support and recovery network. CORE staff will provide mental health services and referrals to ensure participants are receiving the most appropriate care and support.
