**Background:**

This matter was the basis of the Shade Meeting that was held on March 5, 2024. In order to finalize this matter, the Board must approve the settlement in a public meeting, as no formal action may be taken during a Shade Meeting. This case involved a motor vehicle vs. pedestrian accident at the Jonesville Soccer Park. The pedestrian is a minor child. The minor child sustained pelvic fractures, and has been diagnosed with post-traumatic stress disorder. In their Complaint, each parent brought a claim for loss of consortium. Each parent served a Proposal for Settlement in the amount of \$50,000.
