Please list any civic and professional accomplishments/honors, training or experience related to this appointment::

I am the Fran Marino Endowed Distinguished Professor of Shelter Medicine Education at the UF Shelter Medicine Program. I co-founded Operaiton Catnip and the spay/neuter clinic at the Alachua Couty Humane Society.

Please list any current/previous Advisory Board appointments:

None

What Contributions do you feel you could make if you were selected to this board?:

I am eager to support the strategic vision of the Alachua County Animal Resources team to avoid euthanasia of healthy and treatable animals at the shelter, facilitate multi-agency town-gown projects to increase access to veterinary care for underserved residents of the county to improve human and animal health and safety, and to support programs that help keep pets with their families that love them. i

Please Agree with the following statements:

I understand this application is the property of Alachua County and subject to public records laws. I hereby certify that the statements made on this application are true and correct. I understand that Appointees to advisory board/committees are required to attend scheduled meetings as specified in the "Guidelines for Citizen Advisory Boards and Committees". I understand that some boards and committees require Financial Disclosure (Chapter 112, Florida Statutes) and I am willing to file if required. I affirm that my personal and business (if applicable) affairs within Alachua County are in substantial compliance with all county regulatory and taxing authorities rules and regulations?:

Yes

Note: This question is for the Gainesville-Alachua County Airport Authority Board

Do you currently hold any publicly elected office in the State of Florida?:

No

Note: This question is for the Gainesville-Alachua County Airport Authority Board

Have you, as yourself or as an employee, agent or consultant for another person or legal entity, transacted business with the authority within the last 3 years?:

Yes

Note: This question is for the Gainesville-Alachua County Airport Authority Board

If so, please disclose the nature of the transaction.:

A collaborative educational project with College of Veterinary Medicine provides a faculty veterinarian to teach spay/neuter and shelter medicine at ACAR.

Employer :

UF College of Veterinary Medicine

Occupation:

Professor of Shelter Medicine

Are you currently serving, or have you ever served, on an Alachua County advisory board? :

No

ONLINE GRADUATE PROGRAM

I along with two other faculty members in Maddie's Shelter Medicine Program envisioned, funded, and launched the Online Graduate Program in Shelter Medicine in 2012. Graduate students can acquire a Certificate in Shelter Medicine by completing 15 units of coursework or a Master's in Veterinary Science with a Concentration in Shelter

Medicine by completing 30 units of core and elective courses. After attracting an international audience of students and developing a sustainable business model, the program was transferred in 2017 to the College of Medicine's online education unit where it is supported by a fulltime staff of instructional designers and student support services and continues to grow.

Enrollment and Completion in the Online Graduate Certificate in Shelter Medicine and Masters in Veterinary Science with a Concentration in Shelter Medicine.
