**Background:**

The Alachua County Board of County Commissioners (BoCC) established an affordable housing advisory committee as required under Section 420.9076(2), Florida Statutes, known as the "Alachua County Affordable Housing Advisory Committee" (AHAC).

The Members of the Committee shall be appointed by the Board and will consist of eleven members, each of whom must be residents of Alachua County, Florida. All members will serve for four (4) year terms, staggered so that approximately one-third of the positions will be appointed each year. The Committee is made up of representatives from at least six different categories, as provided in the establishing Resolution (2023-75). There are two current vacancies and nominations for consideration and both candidates can be selected to serve.

RD Bonnaghan is actively engaged as a not-for-profit provider of affordable housing. David Weiss is actively engaged in the residential homebuilding industry in connection with affordable housing.

Both citizens can be appointed to the AHAC board.
