**What Contributions do you feel you could make if you were selected to this board?:**

I currently serve as secretary of the Land Conservation Board for a partial term and have developed a firm understanding of the land nomination process, the partnerships with other funding and land management partners, and the land stewardship conducted by County departments. Beyond that, serving with experienced board members has provided me with many years of institutional knowledge of the Alachua County Forever program. I've worked on two Wild Spaces and Public Places surtax campaigns and apply my understanding of its purposes and applications to the evaluation of nominated properties. Furthermore, I studied plants while at the University of Florida and am a regular visitor to the many conservation lands in Alachua County, so I have firsthand experience with the ecosystems present in our county and understand the need to prioritize their protection.
