Background:

After the Community Assistance Visit conducted by Florida Department of Emergency Managements (FDEM) Floodplain Management Office in April 2022, the FDEM asked the local communities (Archer, Hawthorne, Lacrosse and Micanopy) to pursue an Inter-local Agreement with Alachua County to expand on the Building Inspection and floodplain management services within their communities. The City's would reimburse the County for the permit and inspection fees for these services. The fees are the same for the services that Alachua County provides within the unincorporated portions of Alachua County.
