This Addendum Agreement ("Agreement") is made by and between Alachua County, Florida, a political subdivision and charter county of the State of Florida, by and through its Board of County Commissioners (the "County") and World Sports Turf & Marketing, LLC, a Florida limited liability company authorized to do business in Florida ("Contractor"), who are collectively referred to as the "Parties".

WITNESSETH:

WHEREAS, the County desires to contract with a Contractor to renovate Soccer Field 2 and Soccer Field 3 located at the soccer complex in the County owned Rotary Park at Jonesville; and

WHEREAS, the Alachua County Procurement Code defines 'piggyback' as a form of intergovernmental cooperative purchasing where an entity extends the pricing and terms of a contract entered into by another entity, with some negotiation to terms not altering the scope; and

WHEREAS, pursuant to Section 22.3-302(12) of the Alachua County Procurement Code, the procurement of the goods and services need not be procured through a competitive procurement process when supplies or services are under contract with federal, state or municipal or any other governmental agency or political subdivision provided the vendor extends the same terms and conditions of the contract to the County; and

WHEREAS, the Contractor currently is under a contract with Hillsborough County, Florida to provide ongoing and as needed Athletic Turf Installation, Mowing and Maintenance Services, following and according to a competitive procurement process (RFQ/ITB No. 24197) and awarded Agreement, a copy of which is incorporated herein and attached hereto as **Exhibit 1** (the "Hillsborough County Agreement"); and

WHEREAS, the Hillsborough County Agreement states that other governmental agencies may purchases under such Agreement, as governed by the same terms and conditions as the solicitation; and

WHEREAS, the Contractor is willing and agrees to provide products and services to Alachua County, and agrees to extend to the County the same pricing, terms and conditions of the Hillsborough County Agreement; and

WHEREAS, the Parties agree to the prices, terms, and conditions of the Hillsborough County Agreement, except as modified herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt of which is acknowledged, the Parties agree as follows:

- 1. <u>Recitals</u>. The recitals set forth above are correct and are incorporated into this Addendum Agreement.
- 2. <u>Term</u>. This Agreement is effective upon execution of this Agreement by the Parties and continues through the term of the Hillsborough County Agreement including any renewals, or the completion of the Work described in Paragraph 3, whichever is earlier.

3. Scope of Work. The Contractor agrees to provide to Alachua County all labor, materials, equipment, maintenance, and related services for the renovation of Soccer Field 2 and Soccer Field 3 in Rotary Park at Jonesville located in Alachua County, Florida, (the "Park") which consist in 2.7 acres each field, with a total area of approximately 5.4 acres (235,224 sq ft), as more specifically agreed to the Parties and stated in the Alachua County Special Terms and Conditions, attached hereto and incorporated by reference as Exhibit 2 and the Quote/Pricing Schedule, attached hereto and incorporated by reference as Exhibit 3 (the "Work"). Collectively the documents attached hereto as Exhibits 2 and 3 are hereinafter referred to as the "Contract Documents".

The Parties agree to be bound by the terms and conditions and pricing of the Hillsborough County Agreement, with respect to the Work at the Park for Alachua County, except as modified in Paragraph 4 of this Addendum Agreement below. In the event of conflict between the provisions in Paragraph 4 below and the terms and conditions of the Hillsborough County Agreement, the provisions of this Addendum Agreement will prevail. Failure to physically attach in **Exhibit 1** the Hillsborough County Agreement or its attachments, general terms, and appendixes, whether in part or in whole, shall not invalidate this Addendum, but it shall be construed as if the particular document, provision or part was in fact attached. In the event of conflict, the documents related to the Work will be read in the following order of precedence: (a) this Addendum Agreement, (b) Amendment to this Addendum Agreement, (c) Contract Documents, (d) Hillsborough County Agreement, and (e) any Notice to Proceed issued by Alachua County.

- 4. <u>Addendum</u>. The Parties agree to be bound by the terms and conditions of the Hillsborough County Agreement, with respect to Alachua County's purchase of and request for Work from the Contractor during the term of this Addendum Agreement, except as modified or added below:
 - A. <u>References</u>: For the purposes of this Agreement, references in the Hillsborough County Agreement to the County or any of its divisions, departments, agencies or employees will be read to reference to Alachua County, Florida or its departments and divisions. References in the Hillsborough County Agreement to the Board of County Commissioners, will be read to refer to the Alachua County Board of County Commissioners. The following provisions within the Hillsborough County Agreement are specific to that County and are not applicable to the agreement between the Contractor and Alachua County: section 4.22/5.11/5.12.1/5.29/5.17.

B. Pricing and Invoicing Procedures:

- 1) For completion of all Work for Alachua County at the Park in accordance with this Addendum Agreement, the Contractor shall be paid the sum of \$303,030.00 (the "Contract Amount"), allocated as provided in the Quote/Pricing Schedule, attached hereto and incorporated by reference as **Exhibit 3**.
- 2) As a condition precedent for any payment, Contractor must submit invoices to the County requesting payment for Services properly rendered and expenses due during the preceding 30 calendar days, unless otherwise agreed in writing by the County.

Contractor's invoice must describe the Services rendered, the date performed [and time expended, if billed by hour], and the person(s) rendering such Services. Contractor's invoice shall be accompanied by documentation or data in support of expenses, as the County may require. The invoice shall additionally reflect the allocations as provided and shall state the percentage of completion as to each such allocation. Each invoice shall constitute the Contractor's representation to the County that the Services indicated have reached the level stated, have served a public purpose, have been properly and timely performed, that the expenses included in the invoice have been reasonably incurred in accordance with this Agreement, that all obligations of Contractor covered by prior invoices have been paid in full, and that the amount requested is currently due and owing. Submission of the Contractor's invoice for final payment shall further constitute the Contractor's representation to the County that, upon receipt by the Contractor of the amount invoiced, all obligations of the Contractor to others, including its subcontractors, will be paid in full. Contractor shall submit invoices to the County at the address listed in the notice section below.

Alachua County Parks and Open Spaces Attn: Director 210 SE 134th Ave Micanopy, FL 32667 jmaurer@alachuacounty.us

All applications for payment shall be processed and paid in accordance with the provisions of Chapter 218, Part VII Florida Statutes ("Local Government Prompt Payment Act"), and the County shall remit all payments to:

World Sports Turf & Marketing, LLC 316 Wendel Avenue Lithia, FL 33547

The County shall not be obligated to make payment to the Contractor for amounts that are the subject of a good faith dispute or a claim brought pursuant to §255.05, Florida Statutes.

- 3) The County may, at reasonable times and places, audit the books and records of the Contractor to the extent that such books and records relate to the performance of this Agreement with and the Work to the County. Such books and records shall be maintained by the Contractor for a period of three years from the date of final payment under this Agreement and by the subcontractor for a period of three years from the date of final payment under the subcontract, unless a shorter period is otherwise authorized in writing. Contractor agrees to provide such assistance as may be necessary to facilitate the review or audit by the County to ensure compliance with applicable accounting and financial standards.
- 4) The County's performance and obligation to pay under this Agreement is contingent upon a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Continuation of this Agreement beyond the term or the end of any County fiscal year shall be subject to both the appropriation and the

- availability of funds in accordance with Chapter 129, Florida Statutes; and that the failure of the Board to do so shall not constitute a breach or default of this Addendum.
- 5) The Parties agree that the Contractor will not start the Work to be performed under this Agreement until this Addendum Agreement is in effect and a Notice to Proceed, as described in Exhibits 2 and 5 attached hereto, is issued by the County to the Contractor for the Work. The Parties agree that this process to proceed with the Work is different than the blanket/purchase ordering system method of requesting work/services referenced within the Hillsborough County Agreement. In accordance with the terms of this Addendum Agreement, including its attached exhibits, the Contractor will deliver the Work upon issuance of the Notice to Proceed from Alachua County.
- D. <u>Insurance</u>: During the term, Contractor will procure and maintain insurance of the types and in the minimum amounts detailed in **Exhibit 4** attached hereto and incorporated herein. A copy of a current Certificate of Insurance (COI) showing coverage of the type and in the amounts required is attached hereto as **Exhibit 4-A**. The Parties acknowledge that the insurance required by Alachua County is different than required by the Hillsborough County Agreement.
- E. <u>Background Checks</u>: Due to the scope of work/services involving the Contractor's and/or the Contractor's subcontractor's personnel working in proximity to minors, the Contractor hereby confirms that any personnel employed by the Contractor and the Contractor's subcontractor who will complete the Work at the Park must have successfully completed a criminal level 2 background check, completed by the Contractor at no additional cost to the County. A criminal background check is search of federal, state or local government files to determine if the person has current or past criminal history of a conviction of a crime that poses a threat to vulnerable individuals like children or the aged. The County may request and review any associated records with or without cause, and to require replacement of any Contractor employee and subcontractor found in violation of this requirement. The Contractor shall indemnify the County in full for any adverse act of any such personnel in this regard.
- F. <u>Bonds:</u> As a modification to the Hillsborough County Agreement, Alachua County and the Contractor agree as follows:
 - 1) At least ten (10) days PRIOR to furnishing any labor, services or material in connection with the Work, the Contractor shall provide the County with Payment and Performance Bonds, in the amount of one hundred percent (100%) of the Contract Amount, in the form attached hereto as **Exhibits 6 and Exhibit 7**, the costs of which are to be paid by Contractor. It is mutually agreed between the Parties hereto that if, at any time after the execution of this Agreement and the required surety bond for its faithful performance and payment, the County shall deem the surety or sureties upon such bond to be unsatisfactory, or if, for any reason, such bond ceases to be adequate to cover the performance of the Work the Contractor shall, at its own expense, within five (5) days after the receipt of notice from the County to do so, furnish an additional bond or bonds in such form and amount, and with surety or sureties as shall be satisfactory to the County. In such event, no further payment to the Contractor shall be deemed to be due under this Agreement until such new or additional security for the faithful performance of the Work shall be furnished in a manner and form satisfactory to the County.

- 2) In accordance with the requirements of §255.05(1)(a), Florida Statutes, Contractor shall record a copy of the Performance and Payment Bonds in the Public Records of Alachua County, Florida, within five (5) days of furnishing the Performance and Payment Bonds to the County. Contractor shall deliver a certified copy of the recorded Performance and Payment Bond to the County as evidence of recording said Bonds, within five (5) days of recording. The delivery of such evidence is a condition precedent to the County's obligation to make any payments to the Contractor.
- G. Release of Claims: It is agreed that when all Work contemplated by this Agreement has been completed and has been inspected and approved by the County or the County's authorized representatives, the Contractor shall furnish to the County the Contractor's Final Payment Affidavit in the form provided in **Exhibit 8**. The Contractor shall also provide a Waiver of Right Against Payment Bond from every subcontractor, material man and supplier that has provided services or materials related to the Work in the form provided in **Exhibit 9**, or on a form acceptable to the County.
- H. County Property: Contractor agrees to promptly, without delay, notify the County either in phone, email, or orally (1) of any hazardous, dangerous, unsafe, or destructive conditions, trespassers, vandalism or damages that the Contractor or its employees, subcontractors, or agents notices or is made aware of on or at the Park and any other Alachua County property, including inside any Alachua County owned or used facility, and (2) if an employee or agent of the Contractor suffers injury or damage to its/his/her person or property while at the Park or on Alachua County's property, whether owned or leased.
- Prevailing Wage: If, as determined by County, the Work to be performed by Contractor are 'Covered Services', as defined under the Alachua County Government Minimum Wage Ordinance ("Wage Ordinance"), then during the term of this Agreement and any renewals, Contractor shall pay its 'Covered Employees', as defined in the Wage Ordinance, no less than the Alachua County Government Minimum Wage ("Minimum Wage"), as may be amended by the County. Contractor will require the same of its subcontractors and subconsultants who do the Work. If applicable to the Work, Contractor will certify this understanding, obligation, and commitment to County through a certification and Contractor will (a) post a copy of the Minimum Wage Rate in a prominent place of its principal place of business where it is easily seen by Covered Employees; (b) supply a copy to any Covered Employee upon request; (c) make any person submitting a bid for a subcontract for Covered Services aware of these requirements; and (d) include the necessary provisions in subcontracts to ensure compliance. The County shall not be deemed a necessary, or indispensable, party in any litigation between Contractor and subcontractor. At this time of execution of this Agreement, the prevailing Minimum Wage is as follows, which is subject to change during the term of this Agreement, and will be updated, and be applicable, without the necessary of amendment to this Agreement:

\$17.00 per hour with qualifying health benefits amounting to at least \$2.00 per hour/

\$19.00 per hour without health benefits

If applicable to the Work under this Agreement and to Contractor, the failure to comply with the provisions of the Wage Ordinance will be deemed a breach this Agreement and County is authorized to withhold payment of funds in accordance with Alachua County Code and Chapter 218, Florida Statutes.

Staff's Recommended Board Motion:

Award a five (5) year contract to the only bidder, World Sports Turf & Marketing, LLC, for ongoing and as-needed purchases and installation of natural athletic turf (grass), mowing, clay work, comprehensive field maintenance, and related services at fields throughout the County (24197) for the Parks & Recreation Department at a total cost of \$8,623,897.96. There are over 223 natural turf sports fields in use throughout the County, which includes 550 acres of Celebration Bermudagrass. The subject services will include soil preparation, sodding, mowing, clay work, sprigging, fertilizing, and other services related to turf installation and maintenance. In this case, there were no Certified Disadvantaged Minority/Disadvantaged Women Business Enterprise (DM/DWBE) firms and no Registered Small Business Enterprise (SBE) firms for the specified services; therefore, no participation goal or set-aside was established for this procurement. Funding is available in the requesting department's approved budget, and purchase orders will only be issued against approved budgets.

Financial Impact Statement:

Funding is available in the requesting department's approved budget and purchase orders will only be issued against approved budgets.

Background:

The recommended award amount is approximately 13.7% (\$1,373,724.44) lower than the requesting department's estimate. The requesting department determined the offered pricing to be fair, reasonable, and consistent with previous purchases of similar services. While more competition is always preferred, the installation and maintenance of athletic turf grass on the County's scale is highly specialized, which likely limited the number of qualified vendors. The resulting contract will be made available to the Hillsborough County Governmental Purchasing Council.

DELEGATIONS TO DIRECTOR OF PROCUREMENT:

5. Provide a statement that addresses the reason(s) for your recommendation or rejection.

The Parks and Recreation Department recommends the award of RFQ No. 24197 Athletic Turf Installation, Mowing, and Maintenance Services to World Sports Turf & Marketing, LLC, as pricing is fair, reasonable, and in line with the current market.

If recommending award, provide a justification for the +/- 3% variance of the award amount comparison to estimate (abstract).

The recommended bid is 14.7542% less than Parks and Recreation Department's initial estimate due the expectation of a much more volatile and limited market based on numerous variables such as the instable economy and rising tension in Europe. Parks and Recreation Department believes there was only one (1) Bidder for this solicitation due to the size/volume of this Agreement, specialized scope of services, demanding nature of the requested services in addition to the limited market of supplies and materials available.

- 5.12.4 If applicable, and required by 41 CFR 60-1.4 or other federal law or regulation, during the performance of this contract, the Contractor agrees as follows:
 - 5.12,4.1 The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to, the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

5.12.4.3 The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

5.12.4.4 The Contractor will send to each labor union or representative of workers with which it has collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer advising the labor union or workers' representative of the Contractor's commitments under Section 202 of Executive Order 11246 of September 24, 1965, and this Section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

5.12.4.5 The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

5.12.4.6 The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

5.12.4.7 In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of such rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

ITB No. 24197

Page 52

5.12.4.8 The Contractor will include the provisions of the subparagraphs contained in this section titled "5.12.4 If applicable, and required by 41 CFR 60-1.4 or other federal law or regulation, during the performance of this contract, the Contractor agrees as follows" in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each Subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, that in the event the Contractor becomes involved in, or is threatened with, litigation with a Subcontractor or vendor as a result of such direction, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The above are not intended to be a complete list of all applicable local, state, or federal statutes, orders, rules or regulations, as they may be amended from time to time, or added to (newly promulgated) from time to time, during the term of resulting contracts.

5.13 Indemnification

5.13.1 General Liability Indemnification - with respect to any Work, Services and/or goods provided pursuant to this Contract, the Contractor shall be liable for the actions of its agents, employees, partners, or subcontractors and shall indemnify, defend, and hold harmless the County, and it officers, agents, and employees, from suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to personal injury and/or damage to real or personal tangible property alleged to be caused, in whole or in part, by Contractor, its agents, employees, partners, or subcontractors, provided, however, that the Contractor shall not indemnify for that portion of any loss or damages proximately caused by the negligent act or omission of the County.

5.13.2 Patent and Copyright Indemnification - with respect to any Work, Services and/or goods provided pursuant to this Contract, the Contractor shall indemnify, defend, and hold harmless the County from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to violation or infringement of trademark, copyright patent, trade secret or intellectual property right, provided, however, that the foregoing obligation shall not apply to a County's misuse or modification of Contractor's products or County's operation or use of Contractor's products in a manner not contemplated by the Contract.

If any product is the subject of an infringement suit, or in the Contractor's opinion is likely to become the subject of such a suit, the Contractor may, at its sole expense, procure for the County the right to continue using the product or to modify it to become non-infringing. If the Contractor is not reasonably able to modify or otherwise secure for the County the right to continue using the product, the Contractor shall remove the product

ITB No. 24197 Page 53

and refund the County the amounts paid in excess of a reasonable rental for past use. The County shall not be liable for any royalties.

5.13.3 The Contractor's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the County giving the Contractor:

5.13.3.1 written notice of any action or threatened action;

5.13.3.2 the opportunity to take over and settle or defend any such action at Contractor's sole expense; and

5.13.3.3 assistance in defending the action at Contractor's sole expense. The Contractor shall not be liable for any cost, expense, or compromise incurred or made by the County in any legal action without the Contractor's prior written consent, which shall not be unreasonably withheld.

5.14 Injury and/or Damage Claims

Should the County or the Contractor suffer injury or damage to its person or property because of any error, omission or act of the other or of any of its employees, agents or others for whose acts it is legally liable, claim should be made in writing to the other party within a reasonable time of the first observance of such injury or damage.

5.15 Interpretation and Intent of Contract Documents

The Contract Documents are complementary; what is called for by one Contract document is as binding as if called for by all of the Contract Documents. If the Contractor finds a conflict, error or discrepancy in the Contract Documents, the Contractor must bring it to the County's attention in writing before proceeding with the Work affected thereby. In resolving such conflicts, errors and discrepancies, the Contract Documents shall be given preference in the following order: 1) Agreement, 2) Amendment(s) (if applicable to this Solicitation Document), 3) Specifications, 4) Special Terms and Conditions, 5) General Terms and Conditions, and 6) Instructions. Any Work that may reasonably be inferred from the Specifications and/or drawings/maps as being required to produce the intended result shall be supplied whether or not it is specifically called for. Work, materials or equipment described in words which, when applied, have a well-known technical or trade meaning shall be deemed to refer to such recognized standards. In case of conflict, the more stringent requirements shall take precedence.

5.16 Laws and Regulations

The Contractor is hereby advised that all applicable Federal and State laws, municipal and County ordinances, and the rules and regulations of all authorities having jurisdiction over any part of the goods, Services and/or Work provided under this Contract shall be deemed to be a part of this Contract.

5.17 Legally Required Statement and Provisions Regarding Access to Records for Services Contracts

ITB No. 24197 Page 54

The Parties acknowledge and agree that the statement and provisions below are required by Florida Statute to be included in this contract for services. The inclusion of this statement and provisions below shall not be construed to imply that the Contractor/Service Provider has been delegated any governmental decision-making authority, governmental responsibility or governmental function or that the Contractor/Service Provider is acting on behalf of the County as provided under Section 119.011(2), Florida Statutes, or that the statement or provisions are otherwise applicable to the Contractor/Service Provider. As stated below, the Contractor/Service Provider may contact the County's Custodian of Public Records with questions regarding the application of the Public Records Law; however, the Contractor/Service Provider is advised to seek independent legal counsel as to its legal obligations. The County cannot provide the Contractor/Service Provider advice regarding its legal rights or obligations.

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT:

5.17.1 813-272-5790,

5.17.2 StromerS@HCFLGov.net,

5.17.3 Procurement Services, 601 E. Kennedy Blvd., 25th Floor, Tampa, Florida 33602.

If under this Contract, the Contractor is providing services and is acting on behalf of the County as provided under Section 119.011(2), Florida Statutes, the Contractor will comply with public records law, and agrees to:

- 5.17.4 Keep and maintain public records required by the County to perform the services.
- 5.17.5 Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119 Florida Statutes or as otherwise provided by law.
- 5.17.6 Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the contract term and following completion of the Contract if the Contractor does not transfer the records to the County.
- 5.17.7 Upon completion of the Contract, transfer at no cost to the County, all public records in possession of the Contractor or keep and maintain public records required by the County to perform the service. If the Contractor transfers all public records to the County upon completion of the Contract, the Contractor shall destroy any duplicate public

ITB No. 24197 Page 5

records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Contract, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the County, upon request from the County's custodian of public records, in a format that is compatible with the information technology systems of the County.

Failure of the Contractor to comply with Chapter 119, Florida Statutes, and/or the provisions set forth above, where applicable, shall be grounds for immediate unilateral termination of this Contract by the County.

5.18 Maintenance of Records/Public Records Law

5.18.1 In accordance with Chapter 119, Florida Statutes, and, except as may be provided by other applicable State and Federal laws, all Bidders/Proposers should be aware that this Solicitation Document and all Offers are in the public domain and are available for public inspection. Bidders/Proposers are requested, however, to identify specifically any information contained in their Offers which they consider confidential and/or proprietary, inclusive of trade secrets as defined in s. 812.081, Florida Statutes, and which they believe to be exempt from disclosure, citing specifically the applicable exempting law and including narrative explaining the applicable legal exemption as it relates specifically to Bidder's/Proposer's confidential and/or proprietary information.

5.18.2 All Offers received in response to this Solicitation Document will become the property of the County and will not be returned. In the event of an award, all documentation produced as part of the Contract will become the exclusive property of the County.

5.18.3 All materials that qualify for exemption from Chapter 119, Florida Statutes, or other applicable law must be submitted in an attachment or in a separate envelope, clearly identified as "EXEMPT FROM PUBLIC DISCLOSURE" with Bidder's/Proposer's name and the Solicitation Document number marked on the outside.

5.18.4 The County will not accept Offers when the entire Offer is labeled as exempt from public disclosure.

5.18.5 Be aware that the designation of an item as exempt from public disclosure by a Bidder/Proposer may be challenged in court by any person or entity. By designation of material in the Offer as exempt from public disclosure, Bidder/Proposer agrees to defend the County (and its employees, agents and elected and appointed officials) against all claims and actions (whether or not a lawsuit is commenced) related to Bidder's/Proposer's designation of material as exempt from public disclosure and to hold harmless the County (and its employees, agents and elected and appointed officials) from any award to a plaintiff for damages, costs and attorneys' fees, incurred by the County by reason of any claim or action related to Bidder's/Proposer's designation of material as exempt from public disclosure.

ITB No. 24197 Page 56

5.19 No Assignment of Contract

The Contractor may not make any assignment of the resulting Contract between the County and the Contractor, in whole or in part, without the prior written authorization of the County. Failure to obtain prior written authorization of the County will result in a delay of payment(s) at a minimum and may result in termination for breach of contract.

5.20 Non-Exclusive Contract

Award of this Contract shall impose no obligation on the County to utilize the Successful Bidder/Proposer for all Services and/or Work of this type, which may develop during the Contract Period. This is not an exclusive Contract. The County specifically reserves the right to concurrently contract with other companies for similar Services and/or Work if it deems such action to be in the County's best interest.

5.21 Notices to Contractor

Notices to the Contractor shall be served upon the Contractor by electronic mail (e-mail), facsimile, U.S. mail, hand delivery, courier delivery, or express mail delivery of said notice to the Contractor's residence, place of business and/or with the Contractor's designated agent.

5.22 Notices to the County

If the Project Manager rejects the invoice, then the invoice will be returned to the Contractor and will state, in writing, the reason for rejecting the invoice. In the event the Contractor receives a rejected invoice, the Contractor may make the necessary corrections and resubmit the invoice to the Project Manager. Within thirty (30) Days of approval of an invoice for payment, the County will pay the Contractor the amount approved.

5.23.2 The Project Manager's approval of any payment requested in an invoice shall constitute a representation by the Project Manager to the County that the conditions precedent to the Contractor being entitled to payment as set forth herein have been fulfilled.

5.23.3 The Project Manager's approval of final payment shall constitute an additional representation by him/her to the County that the conditions precedent to the Contractor's being entitled to final payment as set forth herein have been satisfied.

ITB No. 24197 Page 57

5.23.4 The Project Manager may refuse to approve, in whole, or in part, an invoice if, in his/her opinion, he/she is unable to make the representation to the County that all the conditions precedent to the Contractor being entitled to payment have been satisfied. The Project Manager may also refuse to approve any such payment, or, because of subsequently discovered evidence or the results of subsequent inspections or tests, nullify any previous approval of such payment, to such extent as may be necessary in his/her opinion to protect the County from loss because:

5.23.4.1 The Work is defective;

5.23.4.2 Claims have been filed or there is reasonable evidence indicating the probable filing thereof; or

5.23.4.3 The Contract Price has been reduced because of Change Order, Unilateral Change Order or Modification Agreement.

5.23.5 As established by Florida Statute 218.74(2) payment for the purchase or lease of goods and services shall be made within forty-five (45) Days after the date a proper invoice is presented for payment to the County's Finance Department, Clerk of the Circuit Court, as Accountant to the Board of County Commissioners and as Chief Disbursement Officer.

5.24 Payment to Contractor by Electronic Payment Solution

ACH (Direct Deposit): If the Contractor is enrolled in the County's ACH electronic payment solution, all payments will be made using the direct deposit. The Contractor's bank account information will remain confidential to the extent provided by law and necessary to make direct deposit payments. Once the County has approved payment, an electronic remittance will be sent to the Contractor via e-mail.

5.25 Payment to Subcontractors

By submission of an invoice, the Contractor certifies that all subcontractors and suppliers have been paid for work and materials from previous progress payments received (less any retainage) by the Contractor prior to receipt of any further progress payments. During the Contract Period and upon completion of the Contract, the County may request documentation to certify payment to subcontractors and/or suppliers. This provision in no way creates any contractual relationship between any subcontractor and the County or any liability on the County for the Contractor's failure to make timely payment to the subcontractors and/or suppliers.

5.26 Performance Standards and Product Quality

In the event the Specifications omit details concerning performance standards and/or product quality, the Contractor shall use only the best commercial practices and/or materials and workmanship of the highest quality when performing this Contract.

The Project Manager will also have the authority to require special inspection or testing of the Work.

5.28 Severability

In the event any section, sentence, clause or provision of this Contract is held to be invalid, illegal or unenforceable by a court having jurisdiction over the matter, the remainder of this Contract shall not be affected by such determination and shall remain in full force and effect.

5.29 Solid Waste Collection and Disposal

1 Sports Turf & Marketing, believes that maximum utilization of DM/DWBE firms is an essential goal like our Affirmative Action Program.
