This Agreement (“Agreement”) is made by and between Alachua County, Florida, a political subdivision and charter county of the State of Florida, by and through its Board of County Commissioners (the “County”) and DAB Consulting, Inc., a Florida for-profit corporation which is authorized to do business in the State of Florida (“Contractor”), who are collectively referred to as the “Parties”.

WITNESSETH:

WHEREAS, the County publicly issued a(n) RFP seeking qualified firms or individuals to provide to establish a model video surveillance system within the Josiah T. Walls Building, which can serve as a template for potential county-wide implementations; and

WHEREAS, after evaluating and considering all timely responses to the solicitation, the County identified Contractor as the top ranked entity in the solicitation process; and

WHEREAS, the Contractor is willing to provide work and services to the County; and

WHEREAS, the County desires to engage Contractor to provide the work and services described herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt of which is acknowledged, the County and Contractor agree as follows:

1. **Recitals.** The foregoing recitals are incorporated herein.

Scope of Services/Work. In accordance with the terms and conditions of this Agreement, Contractor agrees to provide and perform to establish a model video surveillance system within the Josiah T. Walls Building, which can serve as a template for potential county-wide implementations, as more particularly described in the Scope of Services/Work attached hereto as **Exhibit “1”** and incorporated herein (“Services”) for and as needed by the County. It is understood that the Services may be modified, but to be effective and binding, any such modification must be in writing executed by both the Parties.

2. **Term.** This Agreement is effective upon execution (“effective date”) and continues until the work is completed, unless earlier terminated as provided herein.

3. **Qualifications.** By executing this Agreement, Contractor makes the following representations to County:

- A. Contractor is qualified to provide the Services and will maintain all certifications, permits and licenses necessary to provide the Services during the term of this Agreement.
- B. Contractor will assure that all personnel who perform the Services, or perform any part of the Services, are competent, reliable, and experienced to perform their assigned task properly and satisfactory. Contractor will perform the Services with the skill and care which would be exercised by a qualified contractor performing similar services at the time and place such services are performed. If failure to meet these standards results in a deficiency in the Services or the related tasks or designs, Contractor will, at his/her/its own cost and expense, re-do the Services to correct the deficiency, and shall be responsible for any and all consequential damages arising from the deficiency.
- C. Contractor is familiar with the Services and the conditions of the site, location, project, and specifics of the Services to be provided, designed or constructed.
- D. Contractor will coordinate, cooperate, and work with any other contractors, professionals, and consultants retained by the County. The Parties acknowledge that there is nothing in this

Agreement that precludes County from retaining services of other contractors, professionals, and consultants for similar or same Services or from independently performing the Services provided under this Agreement on its own.

4. **Payment.**

- A. The County will pay Contractor for timely and completed Services as described in this Agreement. The Parties agree that the lump sum of **Fifty-Eight Thousand, Five Dollars and Zero Cents (\$58,005.00)** will be paid to Contractor for the Services plus a Contingency of Two Thousand, Nine Hundred Dollars and Twenty-Five Cents (\$2,900.25). Payment will be in accordance with the Rate Schedule attached as **Exhibit “2”** and incorporated herein.
- B. Contingency funds shall be used to cover costs that may result from incomplete design, increases to the Estimated Quantities, and unanticipated costs that arise during construction that are not identified by the Construction Documents and Specifications. Contractor shall not proceed with any portion of the Work which it intends to charge against the Contingency without first informing the County that it intends to request Contingency funds to perform that portion of the Work and obtaining County’s express written authorization to proceed prior to commencing that portion of the Work.
- C. The Contractor acknowledges and agrees that any Work which is to be charged against the Contingency that does not receive such prior written approval from the County shall be deemed to be part of Contractor’s Work compensated within the Contract Amount and not chargeable against the Contingency. The Owner reserves the right, at its sole discretion, to withhold its consent on Contingency expenditures. Further, any Contingency expenditure becomes part of the Contract Documents and is incorporated by reference herein. County approved, but unused Contingency remaining at the end of the job will be credited from the Contract Amount. Construction Manager has no entitlement to any portion of any unused Contingency.
- D. As a condition precedent for any payment, Contractor must submit monthly invoices to the County requesting payment for Services properly rendered and expenses due, unless otherwise agreed in writing by the County. Contractor’s invoice must describe the Service rendered, the date performed [*and time expended, if billed by hour*], and the person(s) rendering such Services. Contractor’s invoice shall be accompanied by documentation or data in support of expenses, as the County may require. The invoice shall additionally reflect the allocations as provided and shall state the percentage of completion as to each such allocation. Each invoice shall constitute the Contractor’s representation to the County that the Services indicated have reached the level stated, have served a public purpose, have been properly and timely performed, that the expenses included in the invoice have been reasonably incurred in accordance with this Agreement, that all obligations of Contractor covered by prior invoices have been paid in full, and that the amount requested is currently due and owing. Submission of the Contractor’s invoice for final payment shall further constitute the Contractor’s representation to the County that, upon receipt by the Contractor of the amount invoiced, all obligations of the Contractor to others, including its subcontractors, will be paid in full. Contractor shall submit invoices to the County at the following address, unless otherwise directed by the County:

Facilities Management

- E. County will make payment to Contractor of all sums properly invoiced under the provisions of this section in accordance with the provisions of the Florida Prompt Payment Act, Chapter 218, Part VII, Florida Statutes.

- F. If the County has reasonable cause to suspect that any representations of Contractor relating to payment are inaccurate, the County may withhold payment of sums then or in the future otherwise due to Contractor until the inaccuracy, and the cause thereof, is corrected to the County Manager's or his/her designee's reasonable satisfaction.
 - G. The County's performance and obligation to pay under this Agreement is contingent upon a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Continuation of this Agreement beyond the term or the end of any County fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes; and that the failure of the Board to do so shall not constitute a breach or default of this Agreement.
 - H. In the event any part of this Agreement or the Services, is to be funded by Federal, State, or other local agency monies, Contractor hereby agrees to cooperate with the County in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to the Service and as specifically required by the Federal or State granting agency, and receiving no payment until all required forms are completed and submitted.
7. **Insurance.** Contractor will procure and maintain insurance throughout the entire term of this Agreement, including any renewals, of the types and in the minimum amounts detailed in **Exhibit "3"** attached hereto and incorporated herein. A copy of a current Certificate of Insurance (COI) showing coverage of the type and in the amounts required is attached hereto as **Exhibit "3-A"**.

Contractor shall be responsible for initiating, erecting, and maintaining safety precautions, programs and materials in connection with the Services on County Property, including any industry, federal, state or local standards and requirements, so as to prevent damages, injury or loss to persons and property. Should an employee or agent of the Contractor suffer injury or damage to its/his/her person or property, the Contractor shall notify the County within a reasonable time of the occurrence. The costs of any clean-up, spillage, and fines levied for failure to comply with these requirements will be borne solely by Contractor.
9. **Deliverables.** All project deliverables and documents are the sole property of County and may be used by County for any purpose. Any and all deliverables required by this Agreement to be prepared by Contractor, such as but not limited to plans and specifications, will be done in such a manner that they shall be accurate, coordinated and adequate for the purposes intended. Contractor represents that the deliverables prepared under this Agreement will meet the requirements of all applicable federal, state and local codes, laws, rules and regulations. The County's review of the deliverables in no way diminishes the Contractor's representations pertaining to the deliverables.
10. **Permits.** Contractor will obtain and pay for all necessary permits, permit application fees, licenses or any fees required for performing the Services.
11. **Alachua County Minimum Wage.** If, as determined by County, the Services to be performed pursuant to this Agreement are 'Covered Services', as defined under the Alachua County Government Minimum Wage Ordinance ("Wage Ordinance"), then during the term of this Agreement and any renewals, Contractor shall pay its 'Covered Employees', as defined in the Wage Ordinance, no less than the Alachua County Government Minimum Wage ("Minimum Wage"), as may be amended by the County. Contractor will require the same of its subcontractors and subconsultants who provide the Services. If applicable to the Services, Contractor will certify this understanding, obligation, and commitment to County through a

Contractor will (a) post a copy of the Minimum Wage Rate in a prominent place of its principal place of business where it is easily seen by Covered Employees; (b) supply a copy to any Covered Employee upon request; (c) make any person submitting a bid for a subcontract for Covered Services aware of these requirements; and (d) include the necessary provisions in subcontracts to ensure compliance. The County shall not be deemed a necessary, or indispensable, party in any litigation between Contractor and subcontractor. At this time of execution of this Agreement, the prevailing Minimum Wage is as follows, which is subject to change during the term of this Agreement, and will be updated, and be applicable, without the necessary of amendment to this Agreement:

\$17.00 per hour with qualifying health benefits amounting to at least \$2.00 per hour \$19.00 per hour without health benefits

If applicable to the Services under this Agreement and to Contractor, the failure to comply with the provisions of the Wage Ordinance will be deemed a breach this Agreement and County is authorized to withhold payment of funds in accordance with Alachua County Code and Chapter 218, Florida Statutes.

12. **Default and Termination.**

- A. **Termination for Default:** The failure of Contractor to comply with any provision of this Agreement will place Contractor in default. If Contractor is in default or fails to perform in accordance with the terms or conditions of this Agreement, the County may provide a written notice of default. The County Manager and his/her designee is authorized to provide notice of default on behalf of County and notice may be sent electronically. The effective date of termination of this Agreement will be the date specified in the notice of termination or, if no date is specified in the notice, then the effective date of termination will be the date that the notice of termination is received by the Contractor.
- B. **Termination for Convenience:** County may terminate the Agreement without cause by providing written notice of termination for convenience to the Contractor. County Manager and his/her designee is authorized to provide notice of termination on behalf of the County. Notice may be electronically given. Upon such notice, Contractor will immediately discontinue all Services for the County currently or to be provided to the County, unless the notice from the County directs otherwise. The effective date of termination of this Agreement will be the date specified in the notice of termination or, if not date specified in the notice, then the effective date of termination will be the date that the notice of termination is received by Contractor.

County Manager and his/her designee is authorized to provide notice of termination on behalf of the County. Notice may be electronically given. The effective date of termination of this Agreement will be the date specified in the notice of termination or, if not date specified in the notice, then the effective date of termination will be the date that the notice of termination is received by the Contractor.
- D. Upon termination of this Agreement based upon the above, the County may obtain the Services from any other sources, firms, and individuals, and may use any method deemed in the County’s best interest. Upon termination, Contractor will deliver to County all data, drawings, specifications, reports, estimates, summaries, and other records as may have been accumulated by Contractor in performing this Agreement, whether completed or in draft. In the event of termination, Contractor’s recovery against County shall be limited to that portion of this Agreement amount earned through the date of termination. Contractor shall not be entitled to any other or further recovery against County, including, but not limited to, damages,

Furthermore, Contractor will pay all costs, fees and other expenses of any defense, including but not limited to, all attorneys' fees, court costs and expert witness fees and expenses. Contractor and County will jointly cooperate with each other in the event of any litigation, including any request for documentation. 1. Keep and maintain public records required by the County to perform the Services.
2. Upon request from the County's custodian of public records, provide the County with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida law or as otherwise provided by law.
3. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of the term of this Agreement and following completion of the Agreement if Contractor does not transfer the records to the County.
4. Upon completion of the Agreement, transfer, at no cost, to the County all public records in possession of Contractor or keep and maintain public records required by the County to perform the Services. If Contractor transfers all public records to the County upon completion of the Agreement, Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If Contractor fails to comply with this section, Contractor will be deemed in default under this Agreement. The County may enforce as set forth in §119.0701, Florida Statutes. Contractor who fails to provide the public records in response to a request within a reasonable time may be subject to penalties imposed under §119.10, Florida Statute, and costs of enforcement, including fees, under §119.0701 and §119.12, Florida Statutes.

Contractor will take reasonable measures to protect, secure and maintain any data held by Contractor in an electronic form that is or contains exempt, confidential, personal information or protected information, as defined by Florida or federal law, related to or in connection with performance of the Services. If Contractor suspects or becomes aware of a security breach or unauthorized access to such data by a third party, Contractor shall immediately notify the County in writing and will work, at Contractor's expense, to prevent or stop the data breach.

B. Confidential Information. During the term of this Agreement, Contractor may claim that some of Contractor's information, including, but not limited to, software documentation, manuals, written methodologies and processes, pricing, discounts, or other considerations (hereafter collectively referred to as "Confidential Information"), is, or has been treated as confidential and proprietary by Contractor in accordance with §812.081, Florida Statutes, or other law, and is exempt from disclosure under the Florida's public record laws. Contractor shall clearly identify and mark Confidential Information as "Confidential Information" or "CI" and the County shall use reasonable efforts to maintain the confidentiality of the Confidential Information that is clearly identified by Contractor. Contractor shall pay for all costs and expenses related to such claim, including, but not limited to, payment of attorneys' fees, costs and expenses. If Contractor is not reasonably able to modify or otherwise secure for the County the right to continue using the good or product, Contractor shall remove the product and refund the County the amounts paid in excess of a reasonable rental for past use. Upon completion of this Agreement, the provisions of this paragraph shall continue to survive. Contractor releases the County from claims or damages related to disclosure by the County.

C. Auditing Rights and Information. County reserves the right to require the Contractor to submit to an audit, by any auditor of the County's choosing. If an audit inspection or examination pursuant to this section discloses overpricing or overcharges of any nature by the Contractor to the County, Contractor shall pay to County the Overcharged Amount which is defined as the total aggregate overcharged amount together with interest thereon (such interest to be established at the rate of 12% annum). Any adjustments or payments which must be made as a result of any such audit or inspection of the Contractor's invoices or records must be made. If the Overcharged Amount is equal to or greater than \$50,000.00, Contractor shall pay to County the Overcharged Amount and the Audit Amount which is defined as the total aggregate of County's reasonable audit costs incurred as a result of its audit of Contractor. County may recover the Overcharged Amount and the Audit Amount, as applicable, from any amount due or owing to Contractor whether under this Agreement and any other agreement between Contractor and County. Payment is due within a reasonable amount of time, but in no event may the time exceed sixty (60) calendar days, from presentation of the County's audit findings to Contractor. In no event shall the Overcharged Amount or the Audit Amount be deemed a reimbursable cost of the work or Services. This provision is hereby considered to be included within, and applicable to, any subcontractor agreement entered into by the Contractor in performance of the Services under this Agreement. The access, inspection, copying and auditing rights shall survive the termination of this Agreement.

D. Laws & Regulations. Contractor will comply with all federal, state, and local laws, ordinances, regulations, rules and code requirements applicable to the work required by this Agreement. Contractor is presumed to be familiar with all laws, ordinances, regulations, and rules that may in any way affect the work outlined in this Agreement. If Contractor is not familiar with laws, ordinances, rules and regulations, Contractor remains liable for any violation and all subsequent damages, penalties, or fines.

E. Governing Law and Venue. The laws of the State of Florida shall govern this Agreement and the duties and obligations stated within this Agreement. Sole and exclusive venue for all actions arising under this Agreement shall be in a court of competent jurisdiction in and for Alachua County, Florida.

F. Amendment and Assignment. The Parties may only modify or amend this Agreement by a mutual written agreement of the Parties. K. Conflict of Interest. Contractor warrants that neither Contractor nor any of Contractor's employees have any financial or personal interest that conflicts with the execution of this Agreement. The Contractor shall notify County of any conflict of interest due to any other clients, contracts, or property interests.

L. Prohibition Against Contingent Fees. As required by §287.055(6), Florida Statutes, the Contractor warrants that he or she has not employed or retained any company or person, other than a bona fide employee working solely for the Contractor to solicit or secure this Agreement and that he or she has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee working solely for the Contractor any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. If Contractor breaches this provision, the County has the right to termination this Agreement without liability, and at the County's discretion, to deduct from the contract price, or otherwise recover, the full amount of such fee, commission, percentage, gift or consideration.

The Parties will exercise every reasonable effort to meet their respective duties under this Agreement but will not be liable for delays resulting from force majeure or other causes beyond their reasonable control, including, but not limited to, compliance with any government laws or regulation, acts of nature, fires, strikes, national disasters, wars, riots, transportation problems and any other cause whatsoever beyond the reasonable control of the Parties. Any such cause will reasonably extend the performance of the delayed duty to the extent of the delay so incurred and so agreed by the Parties.

By signing this Agreement, Contractor declares that this Agreement is made without any previous understanding, agreement, or connections with any persons, contractors or corporations and that this Agreement is fair, and made in good faith without any outside control, collusion, or fraud.

P. Counterparts. This Agreement may be executed in any number of and by the different Parties hereto on separate counterparts, each of which when so executed shall be deemed to be an original, and such counterparts shall together constitute but one and the same instrument. Receipt via email with pdf attachment by a party or its designated legal counsel of an executed counterpart of this Amendment shall constitute valid and sufficient delivery in order to complete execution and delivery of this Amendment and bind the Parties to the terms hereof.

Q. Severability and Ambiguity. It is understood and agreed by the Parties that if any of the provisions of the Agreement shall contravene or be invalid under the laws of the State of Florida, such contravention or invalidity shall not invalidate the entire Agreement, but it shall be construed as if not containing the particular provision(s) held to be invalid, and the rights and obligations of the Parties shall be construed and enforced accordingly. This Agreement shall not be construed more strictly against one Party than against the other Party, merely due to fact that it may have been prepared by one of the Parties. Each Party represents and agrees that it has had the opportunity to seek the advice of appropriate professionals, including legal counsel, in the review and execution of this Agreement.

R. Electronic Signatures. The Parties agree that an electronic version of this Agreement shall have the same legal effect and enforceability as a paper version. The Parties further agree that this Agreement, regardless of whether in electronic or paper form, may be executed by use of electronic signatures. Exhibit 1: Scope of Services/Work

Scope of Services/Work

The primary objective of this Agreement is for a comprehensive video surveillance solution for the Josiah T. Walls Building. This Agreement aims to establish a model video surveillance system within this building, which can serve as a template for potential county-wide implementations.

Alachua County currently operates multiple disjointed systems for monitoring and recording video camera footage in various locations. These systems differ in brand, technology, age, capacity, and capability. The County aims to replace some of these systems with a unified and centralized solution that can adapt to changes in building infrastructure and support future growth. The proposed video surveillance systems should establish a standard brand and architecture throughout Alachua County and remain viable for at least five (5) years with upgrade paths to reduce future replacements.

The purpose of this Agreement for the Josiah T. Walls Building is to:

- 1. Pilot a Standardized Solution: Alachua County seeks to pilot a unified video surveillance system within the Josiah T. Walls Building to demonstrate the benefits of a consistent approach to security and monitoring.*
- 2. Enhance Building Security: The County aims to enhance security and monitoring capabilities within this specific facility, addressing its unique requirements and challenges.*
- 3. Develop a Model: By implementing this system in the Josiah T. Walls Building, the County intends to create a model for future video surveillance solutions in other County locations, ensuring a standardized brand and architecture.*

This initiative is a standalone effort tailored to the Josiah T. Walls Building, with the objective of improving security, streamlining monitoring, and establishing a standardized video surveillance system that can be replicated in other County facilities in the future.

1. SCOPE OF WORK

- a. **Site Assessment:** Conduct a thorough site assessment of the JT Walls building to identify camera placement and coverage areas while adhering to Florida's laws on video surveillance, specifically §877.26 and §810.145. Ensure cameras are positioned to monitor non-private common spaces and entrances/exits while avoiding areas with an expectation of privacy or undressing.
- b. **System Design and Engineering:** Develop a system design and engineering plan that aligns with Florida's video surveillance laws and the specific requirements of the JT Walls building. Specify the use of cameras pointed towards non-private common areas and entrances/exits, ensuring clear visibility and coverage. Consider upgrading existing [REDACTED] [REDACTED] for improved network performance and install new cables where necessary.
- c. **Equipment Procurement:** Provide a comprehensive equipment list for the security camera system upgrade, including cameras, network video recorders (NVRs), switches, and related components. Specify the use of cameras with flexibility to add analytics features in the future, allowing system expansion without requiring complete replacements.
- d. **Installation and Configuration:** Install the upgraded security camera system, ensuring compliance with Florida's video surveillance laws and following best practices for camera placement and cabling. Configure cameras, NVRs, and associated software for optimal performance, including video storage settings and integration with the network infrastructure. Conduct thorough testing and calibration of the system to ensure functionality and compliance with defined objectives.

- e. **Access and Privilege Management:** Establish user accounts and access privileges, distinguishing between administrator-level users and view-only users. Provide comprehensive training for administrators to effectively operate and manage the system, including camera control, recording management, and system configuration. Conduct an overview training for view-only users to familiarize them with accessing camera feeds and utilizing the system for situational awareness.
- f. **Storage and Retention:** Design and configure the system to accommodate a storage capacity that allows for a minimum of 90 days of video retention, ensuring compliance with desired storage requirements. Implement appropriate storage management practices to optimize video retention in terms of space utilization and retrieval efficiency.

Electronic Record and Signature Disclosure
--

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Alachua County (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

We do not require any other information from you to change your email address.
