There could be recording fees associated with these easements accounted for and budgeted in account 149.79.7910.541.49.00 in the operating category under the account description of other current charges and obligations.

Strategic Guide:

All Other Mandatory and Discretionary Services

Background:

Alachua County received a request for a Right-of-Way connection permit from the owners of tax parcel number 06680-001-000.

The permit was issued on August 4, 2021, with the condition that the owners of the property convey two perpetual non-exclusive public access easements across a portion of the sidewalk along SW 20th Avenue that falls within tax parcel number 06680-001-000.

The property owner agreed to grant the public access easements and has provided the executed documents as required to provide public access as needed.
