EXTENDED SERVICE PROTECTION PLAN
MASTER PARTS SCHEDULE
CONSTRUCTION EQUIPMENT
NEW & USED EQUIPMENT
<i>This plan provides coverage for the components listed below when a failure occurs due to a defect in material or workmanship, and may provide coverage for additional components not listed when the damage is caused by or resulting from a covered failure of a listed component.</i>
COMPREHENSIVE COVERAGE
Provides coverage for the entire machine against defects in material or workmanship resulting in a material breakdown or failure during the Comprehensive coverage period subject to the exclusions and limitations listed below as well as those listed in the ESPP Terms and Conditions.
Reimbursement under the Plan shall not extend to:
- The replacement of wear items (<u>unless failed component is proven to be defective from manufacture and failure in no way attributable to wear</u>), including, but not limited to, batteries (which are not the machine's main power source), wiper blades, windows, lights, flasher switches, ignition points, fuses, belts, knives, bucket cutting edges and teeth, track components, crawler track pads and track components, external drive sprockets and chains, soil engaging tools, resistors, disk bands, grease fittings, chaffed or rubbed hydraulic hoses or wiring harnesses, lug nuts and studs, lubricated joints, pins and bushings, shovels and sweeps, and accessories or items replaced solely at the Authorized Repair Facility or Customer's preference;
- Normal maintenance parts and service, including, but not limited to, replenishment of oils, lubricants, coolants, and filters; provided, however, that oils, lubricants, filters, and coolants may qualify for ESPP reimbursement if they require replacement as a direct result of a defect in material or workmanship;
- Costs for coolant, fuel, or lube oil analysis, or supplies and lab recommendations relating thereto;
- Comfort items including, but not limited to: air and water leaks caused by aged weather stripping, carpets and floor mats, faded paint or rust, decals, mirrors, and glass, unless listed below and <u>unless failed component is proven to be</u>
o Interior/exterior moldings
o Covers and panels
o Knobs for switches and handles
o Exterior/interior door/panel latches
o Hinges and struts
o Factory installed radios/cd/mp3 players
o Seat suspension and frame
- Repairs related exclusively to noise, such as, but not limited to, rattles and squeaks.
See the ESPP Terms and Conditions document for complete Plan details.
