**What Contributions do you feel you could make if you were selected to this board?**

I oversee all of SUD programming for the NF/SG VA system. We provide services to those referred by the local driver improvement agencies due to DUIs. This oversight includes provision of peer specialists who provide services to both Vets with a substance use disorder and with criminal justice issues. These peers have visited Vets in the jail and the Veteran's Treatment Court, helping them get and stay connected with care. Having this knowledge and a work force who provide support and service to both substance use and criminal justice populations will allow me to be a positive stakeholder and help me stay integrated into our community.
