**Background:**

This grant is awarded through the Florida Dept. of Law Enforcement (FDLE) from the State of Florida's Byrne Grant allocation. The grant is awarded to the Board of County Commissioners (BoCC) and passes through to the Sheriff. The Countywide grant requires the BoCC follow a process that complies with 11D-9.005(a) F.A.C. to apply. To comply, the BoCC created the Byrne Grant Advisory Board to review proposals and provide funding recommendations to the BoCC. Subsequent to the BoCC approving the projects, FDLE is notified via the "51% letter", and each entity with an approved project applies separately to FDLE. This award agreement is from the FY 22 Byrne Grant process.
