Project numbers vary, depending on the Preserve at which the work will be conducted.

Strategic Guide:
Environment

Background:

Bid 24-63 Annual Fireline Road and Fuels Treatment Projects summary:

The Fuel Treatment project goal is to reduce the stature and alter the arrangement of wildland fire fuels in an area to increase safety during fire operations and improve smoke management issues.

The Fireline and Road projects goal is to create and maintain drivable and defensible firelines and roads within Alachua County lands for the purposes of prescribed burning, wildfire protection and other stewardship activities.

Bid 24-63 Annual Fireline Road and Fuels Treatment Projects was released September 6, 2023. The deadline for receipt of Bid 24-63 Annual Fireline Road and Fuels Treatment Projects was October 4, 2023; seven (7) vendors responded.
