This Professional Services Agreement (“Agreement”) is made by and between Alachua County, Florida, a political subdivision and charter county of the State of Florida, by and through its Board of County Commissioners (the “County”) and CAMPBELL SPELLICY ENGINEERING, INC., a Florida for Profit Corporation, which is authorized to do business in the State of Florida ("Professional"), who are collectively referred to as the “Parties”.

WITNESSETH:

WHEREAS, the County publicly issued Invitation to Bid (ITB) 24-37 seeking qualified professionals to provide Engineering Services for Civil, Structural, Mechanical, Electrical, Plumbing, and Life Safety for projects less than \$4,000,000.00; and

WHEREAS, after evaluating and considering all timely responses to the solicitation, the County identified Professional as one of the top ranked entity in the solicitation process; and

WHEREAS, the Professional is willing to provide certain services to the County; and

WHEREAS, the County desires to engage Professional to provide the services described herein.

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein, and other good and valuable consideration, the receipt of which is acknowledged, the County and Professional agree as follows:

1. **Recitals**. The foregoing recitals are incorporated herein.
2. **Scope**. In accordance with the terms and conditions of this Agreement, Professional agrees to provide Annual Engineering Services for Building Construction/Renovation/Repair Projects less than \$4,000,000.00, as more particularly described in the Scope of Services attached hereto as **Exhibit “1”** and incorporated herein (“Services”) for and as needed by the County. Professional acknowledges that time is of the essence completing the Services. It is understood that the Services may be modified, but to be effective and binding, any such modification must be in writing executed by both the Parties.
3. **Term**. This Agreement is effective on the day the last Party signs it and continues until September 30, 2024, unless earlier terminated as provided herein. This Agreement may be amended at the option of the County for two additional two year term(s).
4. **Qualifications**. By executing this Agreement, Professional makes the following representations to County:
 - A. Professional is qualified to provide the Services and will maintain all certifications, permits and licenses necessary to act as a professional and to provide the Services during the term of this Agreement.
 - B. Professional will perform the Services with the skill and care which would be exercised by a qualified professional performing similar services at the time and place such Services are performed. If failure to meet these standards results in a deficiency in the

Services or the related tasks or designs, Professional will, at his/her own cost and expense, re-do the Services to correct the deficiency, and Professional shall be responsible for any and all consequential damages to the County arising from the deficiency.

- C. Professional is familiar with the Services and the conditions of the site, location, project, and specifics of the Services to be provided, designed, or constructed.
- D. Professional will coordinate, cooperate, and work with any other consultants and contractors retained by the County. The Parties acknowledge that there is nothing in this Agreement that precludes County from retaining other professionals for similar or same Services or from independently performing the Services provided under this Agreement on its own.

5. **Authorization for Services.** Authorization for performance of the Services by Professional under this Agreement will be in the form of written Work Orders issued and executed by County and signed by Professional. Each Work Order will describe the Services required, state the dates for commencement and completion of the Services, and state the amount and method of payment. Work Orders will be issued under and shall incorporate the terms of this Agreement. Whenever the terms of this Agreement conflict with any Work Order issued pursuant to it, the terms of this Agreement shall prevail. Changes to existing Work Orders will be authorized by a Work Order Change Order. The County makes no covenant or promise as to the amount or number of Services, work or projects to be requested of the Professional under this Agreement, or that the Professional will perform any project for the County during the term of this Agreement. The County Manager or his/her designee is authorized to initiate and sign Work Orders and Work Order Change Orders on behalf of the County.

6. **Payment.**

- A. The County will pay and Professional will accept, for the timely and complete performance of the Services described in this Agreement, payment based on the rates or pricing contained in the Payment Schedule attached hereto as **Exhibit "2"** and incorporated herein by this reference. The Parties agree that the amount to be paid to Professional for the Services required will not exceed the sum of \$ **2,000,000.00** annually.
- B. As a condition precedent for any payment, Professional must submit monthly invoices to the County requesting payment for Services properly rendered and expenses due, unless otherwise agreed in writing by the County. Professional's invoice must describe the Services rendered, the date performed [*and the time expended, if billed by hour*], and the person(s) rendering such Services. Professional's invoice shall be accompanied by documentation or data in support of expenses, as the County may require. The invoice shall reflect the allocations as provided and shall state the percentage of completion as to each such allocation. Each invoice shall constitute the Professional's representation to the County that the Services listed have reached the level stated, have served a public purpose, have been properly and timely performed, that the expenses included in the invoice have been reasonably incurred in accordance with this Agreement, that all obligations of Professional covered by prior invoices have been paid in full, and that the amount requested is currently due and owing. Submission of the Professional's invoice for final payment shall further constitute the Professional's representation to the County that, upon receipt by the Professional of the amount

invoiced, all obligations of the Professional to others, including its consultants and subcontractors, will be paid in full. Professional shall submit invoices to the County at the following address, unless otherwise directed by the County:

Facilities Management Department
915 SE 5th Street

Facfiscal@alachuacounty.us

- D. The County will make payment to Professional for amounts properly invoiced, as set out below, and in accordance with the provisions of the Florida Prompt Payment Act, Chapter 218, Part VII, Florida Statutes.
- E. If the County has reasonable cause to suspect that any representations of Professional relating to payment are inaccurate, the County may withhold payment of sums then or in the future otherwise due to Professional until the inaccuracy, and the cause thereof, is corrected to the County Manager's or his/her designee's reasonable satisfaction.
- F. The County's performance and obligation to pay under this Agreement is contingent upon a specific annual appropriation by the Alachua County Board of County Commissioners ("Board"). The Parties hereto understand that this Agreement is not a commitment of future appropriations. Continuation of this Agreement beyond the term or the end of any County fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes; and that the failure of the Board to do so shall not constitute a breach or default of this Agreement.
- G. In the event any part of this Agreement or the Services, is to be funded by Federal, State, or other local agency monies, Professional agrees to cooperate with County in order to assure compliance with all requirements of the funding entity applicable to the use of the monies, including providing access to and the right to examine relevant documents related to the Services and as specifically required by the granting agency, and receiving no payment until all required forms are completed and submitted.

7. **Insurance.** Professional will procure and maintain insurance throughout the entire term of this Agreement, including any renewals, of the types and in the minimum amounts detailed in **Exhibit "3"** attached hereto and incorporated herein. 9. **Deliverables.** All project deliverables and documents are the sole property of County and may be used by County for any purpose. Any and all deliverables required by this Agreement to be

prepared by Professional, such as but not limited to plans and specifications, will be done in such a manner that they shall be accurate, coordinated and adequate for the purposes intended. Professional represents that the deliverables prepared under this Agreement will meet the requirements of all applicable federal, state and local codes, laws, rules and regulations. The County’s review of the deliverables in no way diminishes the Professional’s representations pertaining to the deliverables.

10. **Permits.** Professional will obtain, maintain, and pay for all necessary permits, permit application fees, licenses or any fees required for performing the Services.

11. **Alachua County Minimum Wage.** If, as determined by County, the Services to be performed under this this Agreement are ‘Covered Services’, as defined under the Alachua County Government Minimum Wage Ordinance (“Wage Ordinance”), then during the term of this Agreement and any renewals, Professional shall pay its ‘Covered Employees’, as defined in the Wage Ordinance, no less than the Alachua County Government Minimum Wage (“Minimum Wage”), as may be amended by the County. Professional will require the same of its subcontractors and subconsultants who provide the Services. If applicable, Professional will certify this understanding, obligation, and commitment to County through a certification, a copy of which is attached hereto as **Exhibit “4”**. Professional will (a) post a copy of the Minimum Wage Rate in a prominent place of its principal place of business where it is easily seen by Covered Employees; (b) supply a copy to any Covered Employee upon request; (c) make any person submitting a bid for a subcontract for Covered Services aware of these requirements; and (d) include the necessary provisions in subcontracts to ensure compliance. If applicable to the Services under this Agreement and to Professional, failure to comply with the provisions of the Wage Ordinance will be deemed a breach this Agreement and County is authorized to withhold payment of funds in accordance with Alachua County Code and Chapter 218, Florida Statutes.

12. **Default and Termination.**

A. **Termination for Default:** The failure of Professional to comply with any provision of this Agreement will place Professional in default. Upon termination, Professional will deliver to County all data, drawings, specifications, reports, estimates, summaries, and other records as may have been accumulated by Professional in performing this Agreement, whether completed or in draft. In the event of termination, Professional's recovery against County shall be limited to that portion of this Agreement amount earned through the date of termination. Professional shall not be entitled to any other or further recovery against County, including, but not limited to, damages, consequential or special damages, or any anticipated fees or profit on portions of the Services not performed.

Electronic Record and Signature Disclosure

ELECTRONIC RECORD AND SIGNATURE DISCLOSURE

From time to time, Alachua County (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
