

Agenda Item Summary

File #: 24-00424

Agenda Date: 6/25/2024

Agenda Item Name:

Regulatory Traffic Control Devices Placed, Modified or Removed by the County Engineer

Presenter:

Ramon Gavarrete 352-548-1214

Description:

List of regulatory traffic control devices placed, modified or removed by the County Engineer from January 1, 2022 to March 31, 2024

Recommended Action:

N/A. For informational purposes only.

Prior Board Motions:

The Board of County Commissioners (BoCC) adopted Ordinance 12-10 which created Chapter 51, Article III of the Alachua County Code. This chapter delegates authority from the BoCC to the County Engineer to place, modify or remove traffic control devices (excluding no-parking and traffic signals) on County roads. Section 51.54 requires the County Engineer to file to the BoCC a list of regulatory traffic control devices placed, modified or removed and the BoCC may affirm, modify or overturn the decision of the County Engineer through motion.

Fiscal Note:

N/A

Strategic Guide:

Infrastructure

Background:

List of regulatory traffic control devices placed, modified or removed by the County Engineer from January 1, 2022 to March 31, 2024 as authorized by Chapter 51, Article III of the Alachua County Code
