Strategic Guide:

Infrastructure

Background:

The BoCC previously approved Phase One of the Facilities Master Plan that concentrates on Downtown. RFP 23-440 Construction Manager @ Risk for New Alachua County Civil Courthouse/Court Services Building for Facilities Management was released July 12, 2023. The deadline for receipt of 23-440 Construction Manager @ Risk for New Alachua County Civil Courthouse Facility (Complex) for Facilities Management was August 16, 2023; four (4) vendors responded. Parrish McCall Constructors, Inc. withdrew from the second phase of the evaluation process.

This contract is for the construction of the new Civil Courthouse/Court Services Building. A design firm has been procured to design the new Civil Courthouse/Court Services Building and this contract is for Ajax to construct the Civil Courthouse/Court Services Building in according to the design/plans to be developed by the design firm. At this point in the project, this contract is only for the pre-construction (i.e., design development phase of the project), in the amount of \$180,000.00. Once the design has been completed by the Design Firm, the CM will develop and propose a Guaranteed Maximum Price (GMP) to construct the Civil Courthouse/Court Services Building. The GMP will be brought back to the BoCC for its consideration and approval at a future meeting.
