Strategic Guide:

Environment

Background:

Alachua County and the City of Gainesville provide residential yard trash collection services to households within their designated service areas on a once per week collection schedule. Alachua County and the City of Gainesville intend to contract for the environmentally safe processing and beneficial reuse/composting of this vegetative waste.

BID 25-57-MM Annual Processing and Beneficial Recycling/Composting of Vegetative Waste for Alachua County and the City of Gainesville was released on April 3, 2024. The deadline for receipt of 25-57-MM Annual Processing and Beneficial Recycling/Composting for Alachua County and the City

of Gainesville was May 22, 2024; two (2) vendors responded.
