June 25, 2024

Dear Members of the Alachua County Health Care Advisory Board,

It is my pleasure to recommend that the ACORN Clinic be represented as a member of the Alachua County Health Care Advisory Board (HCAB).

For over 50 years, ACORN has provided dental care to Alachua County's neediest residents for reduced or no cost. Located in the more rural community of Brooker, they are a crucial source of care for many who face barriers to care like affordability and transportation.

ACORN has previously had a representative on the HCAB from which we benefitted greatly. Through their work, they have important insights on the needs of those Alachua County residents who are less visible and facing the highest disparities.

Additionally, the clinic has undergone some changes over the last few months aimed at ensuring that ACORN is around to serve Alachua County and beyond for years to come. The ACORN Board has hired a new, talented executive director (ED) with deep roots in north Florida and community ties. Tina Lloyd, the new ED and ACORN's HCAB representative, has over 20 years of experience in healthcare including 13 years of management in organizations that provide direct healthcare services. She is a long-time rural resident of north central Florida and is very familiar with the local healthcare safety net.

I believe ACORN is an invaluable resource for the community and can significantly contribute to the goals of the HCAB. I enthusiastically recommend them for this position. If you have any further questions, please feel free to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'Scott Darius', with a large, stylized flourish extending from the end of the signature.

Scott Darius, JD
Board President
