Dear Commissioner Alford:

It is a pleasure to advise you that the Florida National Register Review Board has recommended that the above referenced property be formally nominated for listing in the National Register of Historic Places. The Board took this action at its regular meeting on August 8, 2024. We are now in the process of preparing a formal nomination for submission to the Keeper of the National Register in accordance with 36 CFR Part 60.6.

When the formal nomination has been submitted to and received by the Keeper of the National Register, that office will have forty-five days in which to approve or disapprove the nomination. If the nomination is approved, the property will be listed as of the date of approval. The forty-five-day review period may be extended, however, if the National Register staff finds technical deficiencies in the nomination requiring correction in our office.

If the nomination is disapproved, the National Register staff will notify us and explain the reasons for disapproval. We will in turn notify you of any action that may be taken to pursue the matter further.

Any person or organization interested in a nomination may petition the Keeper of the National Register during the nomination process either to accept or to reject the nomination. Comments regarding the nomination should be addressed to:
