All terms not defined therein shall be defined in Alachua County Ordinance 06-13 and, if not there, by their common meaning, unless the context hereof otherwise requires.

**Section 3. CONFIRMATION OF THE INITIAL RATE RESOLUTION.** The Preliminary Assessment Resolution, as amended herein, is hereby ratified, and confirmed.

**Section 4. FINDINGS.**

**Section 5. STORMWATER ASSESSMENTS AND STORMWATER FEES.**

Adoption of this Annual Stormwater Rate Resolution constitutes a legislative determination that all parcels charged derive a benefit from the Stormwater Management Services to be provided.

(C) Adoption of this Annual Stormwater Rate Resolution also constitutes a legislative determination that the Stormwater Service Assessments and Stormwater Service Fees are fairly and reasonably apportioned among the Benefitted Properties that receive the benefit from the Stormwater Management Services that is consistent with the legislative declarations, determinations and findings set forth in the Ordinance, the Initial Stormwater Rate Resolution, the Final Stormwater Rate Resolution, and the Preliminary Stormwater Rate Resolution.

Stormwater Service Assessments and Stormwater Service Fees for the provision of Stormwater Management Services in the amounts set forth in the Stormwater Rolls, as herein approved, are hereby levied and imposed on all Tax Parcels described in the Stormwater Rolls for the Fiscal Year beginning October 1, 2024.

(G) Pursuant to the Uniform Assessment Collection Act as provided in Ordinance 06-13, the Stormwater Assessment shall constitute a lien upon non-Government Property that is Benefitted Property within the Stormwater Service Area so assessed equal in rank and dignity with the liens of all state, county, district or municipal taxes and other non-ad valorem assessments. Accordingly, all qualified owners who meet the criteria for their residential property pursuant to Section 37.17.1, Alachua County Code, shall have the Stormwater Service Assessment levied against said residential parcel paid by the County from other legally available funds, other than those derived from the Stormwater Service Assessment or Stormwater Fees.

forth, in detail, the grounds upon which adjustment is sought. Filing a petition shall not extend the time for payment of any Stormwater Assessment or Stormwater Fee or affect the amount of any discount for early payment. If the number of ERUs is adjusted for any Parcel, the Stormwater Assessment or Stormwater Fee shall be corrected in accordance with Ordinance 06-13. The petitioner may be required, at petitioner's own cost, to provide supplemental information to the Stormwater Assessment Coordinator including, but not limited to, survey data approved by a professional land surveyor and/or engineering reports approved by a professional engineer. Failure to provide such information may result in denial of the petition.
