**6. New Business**

The Resolution 2022-38 (establishes the Veteran Services Advisory Board) needs to be updated to reflect the agencies that are no longer around. Remove two agencies, Purple Heart Society and Military Officers of America. Board recommends converting the two positions to Citizen At Large positions. An organization can have more than one person, and the second person can fill a Citizen At Large position. Torres Pintos made a motion to approve the Resolution update as discussed; Sickler second; unanimous approval; motion carried.

The new Veteran Services Director position has been offered pending background check.

The Board would like Veteran Services to do more outreach and establish relationships in the community. Mr. Boggs has been doing outreach and will continue. Outreach to Nicholas Singleton, previous University of Florida, Veteran Coordinator and Patricia Carswell who is affiliated with Veterans Administration and University of Florida should be done.

Veterans Day - County staff is planning and arranging Veterans Day at Veterans Park on November 11, 2024. Mr. Boggs is working with the Veteran Memorial Committee (VMC) and discussing plans with the VMC.
