To permit persons duly authorized by the Council to inspect any records, papers, documents, facilities, goods, and services of the Provider, which are relevant to this subcontract, and interview any clients and employees of the Provider to assure the Council of satisfactory performance of the terms and conditions of this subcontract. Following such evaluation the Council will deliver to the Provider a written report of its findings and will include written recommendations with regard to the Provider's performance of the terms and conditions of this subcontract. The Provider will correct all noted deficiencies identified by the Council within the specified period of time set forth in the recommendations. Only adjudication or judgment after highest appeal is exhausted specifically finding the Provider not liable shall excuse performance of this provision. The Provider shall pay all costs and fees related to this obligation and its enforcement by the Council. Upon execution of this subcontract, unless it is a state agency or subdivision as defined by §768.28, FS, the Provider accepts full responsibility for identifying and determining the type(s) and extent of liability insurance necessary to provide reasonable financial protections for the Provider and the clients to be served under this subcontract. The limits of coverage under each policy maintained by the Provider do not limit the Provider's liability and obligations under this subcontract. Upon the execution of this subcontract, the Provider shall furnish the Council written verification supporting both the determination and existence of such insurance coverage. Such coverage may be provided by a self-insurance program established and operating under the laws of the State of Florida. Failure to pay within seven (7) working days will result in a penalty charged against the Provider and paid by the Provider to the subcontractor in the amount of one-half of one (1) percent of the amount due per day from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed and shall not exceed fifteen (15) percent of the outstanding balance due.

J. Return of Funds

To return to the Council any overpayments due to unearned funds or funds disallowed and any interest attributable to such funds pursuant to the terms of this subcontract that were disbursed to the Provider by the Council. In the event that the Provider or its independent auditor discovers that overpayment has been made, the Provider shall repay said overpayment within 40 calendar days without prior notification from the Council. In the event that the Council first discovers an overpayment has been made, the Council will notify the Provider by letter of such a finding. Should repayment not be made in a timely manner, the Council will charge interest of one (1) percent per month compounded on the outstanding balance after 40 calendar days after the date of notification or discovery.
