### CDBG Second Public Hearing Notice Alachua County Board of County Commissioners

Alachua County plans to apply to the Florida Department of Commerce for a FFY 2023 Small Cities Community Development Block Grant (CDBG) of \$750,000 in the Housing Rehabilitation category. The activities, dollar amounts, and estimated percentage of benefit to low- and moderate-income persons are as follows:

Activity Name	CDBG Funding	LMI Benefit
Administration	\$75,000	NA
Housing Rehabilitation	\$655,000	100%
Temporary Relocation	\$20,000	100%

Alachua County plans to rehabilitate or demolish and replace at least ten very low-, low- and moderate income homes in unincorporated county that do not meet current building code standards. The County will accept applications for rehabilitation assistance from qualified homeowners if grant funding is received.

Alachua County does not expect that anyone will be permanently displaced as a result of CDBG-funded activities. If any persons are displaced as a result of the planned activities, the County will assist them as described in the County's anti-displacement and relocation policy, which is available for review at the Community Support Services Department, Housing Division.

A public hearing to provide citizens an opportunity to comment on the application will be held on October 8, 2024 at 11:30 a.m. or soon after in the Jack Durrance Auditorium at the County Administration Building, 12 SE 1st Street, Gainesville, Florida.
