Housing

Background:

The Alachua County Board of County Commissioners (BoCC) has established an Affordable Housing Advisory Committee (AHAC) as required under Section 420.9076, Florida Statutes.

The AHAC responsibilities includes establishing an annual work plan making recommendations and submitting the Local Housing Plan to the BoCC; assisting in the development of policies for affordable housing; serving as the citizen task board for the Community Development Block Grant; supporting State Housing Initiatives Partnership; Affordable Housing Trust; and Infrastructure Sales Tax and facilitates affordable and work force housing strategies
